Editorial

The Olympics are now complete and what a stunning success to raise our spirits. Team GB winning medal after medal has done us all good. Also as I write this the huge summer gale of 19th/20th August is past and the weather is definitely looking up.

There is also good news from our own Corfe Castle Football Club which has been doing well in local leagues, with some personal successes as well. Have a look at the report on page 64, and why not get involved as a player or helper or in some other role?

A new number, 105 has been introduced to allow people to easily get in touch with the electricity companies to get information or to report problems. There is more about this on page 6.

CORFE CASTLE PARISH COUNCIL

AUGUST AT THE PARISH COUNCIL

The August Parish Council Meeting was cancelled. Although this is an unusual occurrence for Corfe Castle Parish Council, there are other Parish Councils that do not have a meeting in August and there is no legal requirement for a meeting every month. The Chairman and Vice-Chairman decided there are no pressing issues that cannot be addressed at the following Meeting.

Please don't hesitate to contact Councillors or the Clerk if you wish to speak about any matter.

The presentation on a proposed National Park will now occur at the start of the September Meeting.

The Parish Council considers all planning applications and submits comments to the District Council. The Parish Council had no objection to the following proposals: The erection of a side conservatory extension and a detached garden shed at 4 Mead Road, Corfe Castle. The construction of a 20m x 40m all weather outdoor riding arena at Little Woolgarston Farm South, Little Woolgarston Road, Woolgarston, Corfe Castle *subject to the provision of an approved drainage system and the arena being screened from the adjoining public right of way.* The removal of rear kitchen and porch extensions and replacement with a single storey pitched roof extension at Brenscombe Farm Cottage, Studland Road, Corfe Castle.

Jeff Dunn, Parish Clerk

(phone 555266)(e-mail CorfeCastlePC@aol.com) - 8 Old Kiln Road, Ridge, Wareham BH20 5BY. The Parish Council meets on the second Monday of each month at 7pm in the Town Hall, West Street*. Have your say at the start of the meeting, speak to any parish councillor, or write to me. Full minutes of the meetings are available in Corfe Castle library or on the Website (www.corfecastlepc.org.uk). [*Sometimes elsewhere.]

The next Parish Council Meeting is on the 12th September in the Town Hall.

Power cut? New phone number 105 launches in September

On 6th September a new national phone number "105" will be launched by electricity network operators for customers to call should they need to report or get information about a power cut in their area. Dialling 105 will put customers through to their local electricity network operator – the company that manages the cables, power lines and substations that deliver electricity into homes and businesses in their area.

- 105 is a free service for people in England, Scotland and Wales.
- Customers can call 105 no matter who they choose to buy electricity from.

Corfe Castle Village Hall Committee, in association with
Artsreach, are thrilled to present the return of:

le Navet Bete

in their 2016 show

The Wonderful Wizard of Oz

Join Dorothy and Toto on their fantastical and downright chaotic travels along the Road of Yellow Bricks meeting the usual (sort of) suspects along the way - an unbelievably idiotic Scarecrow, a Tin Man straight from under the Iron Curtain and a Lion whose West-End dreams seem just Over The Rainbow - as well as some characters, you might not expect....

"If all theatre was like this we wouldn't need TV" - BBC

Will they make it to the Emerald City or will the Mighty Oz and his powerful Green Army stop them in their tracks? Will Shirley the Wicked Witch of the West be slightly more wicked than you could ever imagine? Will a squadron of Winged Monkeys end up in your lap? Prepare for a physical comedy bonanza of ridiculous characters, live music and song, hilarious dances, utter stupidity and much much more. This really is a long, long way from Kansas...

If you saw them in "Once Upon a Time in a Western" in 2014 or "Dick Tracy" last year, you won't be wanting to miss le Navet Bete in this show!

Light refreshments available.

NEWS FROM CHURCH KNOWLE PARISH COUNCIL

Furzebrook Village Hall was the venue for the first of the “mini” or bimonthly extraordinary meetings of the Parish Council, as described in last month’s CVN, to discuss planning and finance matters. There were some other bits and pieces but, in the main, other matters were held over until the September meeting.

Gosh, what on Earth is one going to write about, especially since the meeting finished only 50 minutes after it started. However, we’ll try to “pad it out” as much as we can, but, dear reader, don’t hold your breath!

Cllr Higgins was in the Chair and four other Members attended. First up, following the usual declarations of interest, of which there were none, came the formal approval of the Minutes of the July meeting. All appeared in order and the meeting quickly moved on to matters arising from the Minutes. No further information had been received regarding developments at Swanworth quarry, the Clerk had reported that he had given the organiser of an off-road mountainbiking event, due to take place in September, advice regarding the requirements of CKPC which should be followed - if he wanted to remain in CKPC’s “good books” - and a suggestion was made that a representative from the organization dealing with national parks be invited to next month’s (September) meeting. Finally under Matters Arising, the Clerk had suggested that rather than the damaged arms of the finger-post at Grange Road being dismantled by the contractor, it would be cheaper if CKPC removed them and took them to the workshop at Blandford. Members agreed and this would be organised.

Then came the part of the meeting everyone was waiting for – Planning Matters. Not really very much to say here, but the meeting reviewed plans to extend further Dorey’s Pit clayfield and gravel extraction site and plans for reinstatement of the “natural habitat” when all’s done. Members voiced no objections to the proposals and would inform Dorset County Council. A “Listed Building” application to replace a rotten old beam above a window at Barnston Manor with a new oak one had arrived before the meeting and was duly reviewed. Members had no objections.

Members then heard that the plans for rebuilding fire damaged Cotness Cottages had been, at last, given the “go ahead” by PDC Planners.

The monthly accounts were examined and found to be in good order. Invoices were then reviewed and paid. And that, ladies and gentlemen, was that. Meeting closed at 8.20pm. Next Meeting will be at Church Knowle Village Hall on 13th September at 7.30pm.

Our plans to address the issue of coastal change at Middle Beach in Studland continue to generate interest, so I'd like to take this opportunity to clear up some misconceptions.

Firstly, and most importantly, we are relocating the existing facilities to new buildings at Middle Beach rather than taking them away.

The new café will have a prime location in Middle Beach car park with views over the bay and will be leased out as an independent business.

In this way it will continue to provide an amenity to locals and visitors alike, as well as employment opportunities.

The café will in any case be unaffected until the current lease comes to an end in October 2017 and the replacement will open in spring 2018.

Opening hours are limited during winter anyway so there will be little or no gap in service for customers.

We'll be inviting tenders to take on the lease on the new café and the existing tenants will be very welcome to apply.

The toilets and the building let to the sea school will also be relocated to sites at Middle Beach and we will use temporary units to make sure there is no loss of amenity while this takes place.

All the above is subject to planning permission and we have already begun talking to the planners.

Not only will our plans provide a future for the facilities, they will benefit the beach itself. The existing beach defences are outdated and research has shown their presence is speeding up the loss of sand from Middle Beach.

Taking them away will allow natural recharging to take place so it is likely we can look forward to a more beautiful beach in future as the coast realigns itself.

This is in line with the Shoreline Management Plan as described in The Residents' Guide to Coastal Change in Studland.

In dealing with the period up to 2015, the Shoreline Management Plan sets out a policy of managed realignment for Middle Beach.

Managed realignment means adapting to coastal change, in part by relocating vulnerable facilities in the way in the way I've described.

Finally, we are committed to a long term future for National Trust managed facilities at Knoll Beach and speculation that we had plans to move them to Middle Beach is quite simply untrue.

Summer Lunch

Flowers, bunting and butterflies filled the hall for our fabulous Summer Lunch party. The rain poured down outside and all was grey, whereas indoors the sun shone from dozens of smiling faces and we all enjoyed a taste of summer as we sipped our Pimms and shared an impressive feast. There was much happy chatter among friends and a lovely 'butterfly' raffle with prizes sourced from Corfe businesses. We were warm and comfortable and at the end of the day no-one had to wrestle with a wet marquee in a howling wind. Win – Win!

On September 6th we will be having a Guest Afternoon when Ginette Boyd will be talking to us about the Prince's Trust, members may bring a guest and there will be delicious home-made cakes for tea. Unmissable.

Corfe Castle Village Hall

At the moment we are applying for grants for our exciting plans to improve the Village Hall. We do need to raise a significant sum of money ourselves, and our next fund-raising event is a

Safari Supper

on the evening of Friday 21st October

For those who haven't come across one of these in the past, the first course and the main course are served by different hosts/hostesses in their homes, for groups of six or eight people, and then everyone meets back in the hall for dessert and coffee. Obviously this would work best if participants don't have to walk too far between courses one and two. We are looking for people to host, and for people to be guests.

Would you like to join in by hosting for a starter or for a main? Could you provide a dessert for eight people in the hall and help with the coffee? Or would you just like to do the eating?

Obviously this would work with just a few people signing up, but it would be much more convivial and we would raise more money if we had lots of participants.

It is a really good way to meet people in the village that you don't ordinarily see.

We anticipate charging diners £10 a head.

If you would like to take part or would like more details, please contact Penny Barker on 01929 481477 by October 1st so that we can organise all the dinner venues.

This month... Come and see our **new Autumn/Winter stock & Our SALE** may still be on... Lots of items and savings!

We are also excited to announce exhibitions of two different local artists – both of whom we met during Purbeck Art Weeks.

In September we will be showing a collection of work by **Martha De Chazal**, who is based in Lulworth and paints fabulous florals, inspired by the plants she picks from her garden. Her pictures are full of energy and colour – perfect for extending a sense of summer, now that the days are drawing in!

In October it's the turn of **Laura Evans** who won the PAW bursary last year and specialises in hand inked collagraph prints.

Laura's background in geology inspires her work, which features local scenes, like this of the Castle.

We will be selling original prints by Laura, as well as textiles, such as lampshades and aprons. Both artists will also have a range of their cards and prints for sale.

Martha's work can be seen from the 9th Sept.

Laura's from the 14th October.

Autumn Beach Clean

There have been some amazing marine species spotted along the Dorset coast this summer with sightings of dolphins, sunfish, seals and basking sharks. In the shallower waters around Kimmeridge Bay our Rockpool Ramblers have discovered a variety of smaller critters from fish to anemones and starfish to crabs. Sadly many of these creatures, large and small, face the threat of marine litter in our seas, with entanglement and ingestion being the main problems.

After a busy summer along the Dorset coast we'll be running our autumn beach clean at Worbarrow Bay this September. We're asking for volunteers to come along and lend a hand to remove man made litter from the beach and prevent it from causing harm to marine wildlife. Thanks to the HP Beach Clean Up Fund we have been able to invest in more beach cleaning equipment, so you don't need to bring anything, just turn up.

The beach clean will take place on Sunday 18th September from 1pm to 3pm. Meet at Worbarrow Bay (SY 865 803), Tyneham, Dorset, BH20 5QF. Car parking is available at Tyneham, then follow the signs to the beach.

If you can't make it, there are plenty of other ways that you can help. Single use plastic bottles are commonly found during beach cleans; in fact Marine Conservation Society volunteers found on average 99 bottles per kilometre of beach during their Great British Beach clean last September. By simply recycling your bottles or better still, investing in a reusable drinks bottle you can help to alleviate the problem. It might even save you money too, the Fine Foundation Marine Centre at Kimmeridge is just one of a growing number of refill stations around Dorset, so pop in with your refillable bottle and we'll happily top it up with free, tasty tap water for you.

The Fine Foundation Marine Centre is open every day (except Mondays) from 10.30am until 5pm and also on bank holidays. For more information please call us on: 01929 481044 or email: kimmeridge@dorsetwildlifetrust.org.uk.

Corfe Castle Surgery

Welcome to my first article in the Corfe Valley News as a Practice Manager. I will continue to work Mondays as a Practice Nurse alongside Di and Emma but be reassured we will be recruiting another Nurse in September. Clare's last day will be the 7th September when we will sadly say goodbye to her and wish her all the very best in her new adventure.

'FLU ANNOUNCEMENT

Can you believe it is nearly 'flu immunisation time already?

We are holding a walk-in clinic on **Saturday 8th October and Saturday 5th November between 9am and 12pm** please come and see us in-between these times; there is no need to book an appointment. As there is a fast turnaround of patients at the 'flu clinics, the car park can get very busy so please remember that the public car-park is 50p for 30 minutes – bring some change just in case.

Along with other NHS providers we adhere to the Accessible Information Standard which aims to improve the quality and safety of care received by individuals and make sure that people get information in an accessible way and communication support if they need it.

We want to make sure everyone can read and understand the information we send them. If you find it hard to read our letters or if you need someone to support you at appointments, please let us the receptionist know when you arrive for your next appointment or call us beforehand if preferred.

In July we had 105 FRIENDS AND FAMILY TEST completed by our patients and all 105 patients said they were either EXTREMELY LIKELY or LIKELY to recommend our surgery. Thank you to all of you who completed the test and left feedback.

developments update:

It seems that we have been pursuing the goal of improving our village hall for a very long time and yet still there seem to be few concrete outcomes. The process has been frustrating and the economic environment is very challenging. Nevertheless, behind the scenes the project is continuing. Trustees have worked with Dorset Community Action to put together a comprehensive Business Plan and also a Business Case. We have submitted applications for assistance with funding to several potential funders, and have had useful further discussions with one in particular - we are hoping for encouraging news later in the year. We are working on bids to two more major funders. In the meantime we are continuing to raise funds here in the village. Compared with the total amounts required, there is a risk that local fund-raising may seem to lack significance. DCA assure us that this is far from the case. Evidence of financial support from the community is invaluable in helping with bids to funders - so many thanks to Aquarius, Goulds, the Model Village, Double Act, Crazy4Corfe and individuals who have already contributed in this way. Thanks too to Ball and Socket for donating their talent for free and all those who supported this event. Here are some ways **you** could help:

* **Sign up for our Buy A Stone campaign** (for more details see our website www.corfecastlevillagehall.co.uk and posters around the village in October)

* **Vote for Corfe Castle Village Hall in the Solar PV Array competition** (see the advert elsewhere in this month's CVN)

GEOFF EDWARDS

of Springwell Close, on your **100th Birthday on 8th September.**

*Geoff EdwardsNewsworthy!
...with Jayne and Jeff at The Sweet
Shop Corfe Castle.
Photo by Robin Swaine .*

Geoff is amongst the early birds at The Sweet Shop in the Village Square, to collect his daily newspaper. He brightens up the day for Jeff and Jayne and their staff. His 'snap, crackle and pop' sense of

humour and good conversation, is one's tonic for the day. To quote Jayne, "*Geoff is a treasure. He is a lovely gentleman with a wry sense of humour*". When I was chatting with Geoff, about writing about him in the Corfe Valley News (CVN), he said: "*What's special about 100 years*"!? My reply was ... in this case, YOU are special Geoff! He goes on to say:

"I was born and grew up in Derbyshire. I left school at the age of 14 and went to work in the coalmines. I worked underground for 42 years (1930 – 1972). They were hard times. My father died in 1918, of the influenza pandemic, when I was only 2 years old. As a boy of 10, I remember the Miners' Strike, of course, which resulted in the General Strike.

During WWII (1939 – 45), Geoff was fighting the war effort from the coal face. As a miner, he was employed in an industry of national importance. He was training and looking after the Bevin Boys, young men who were conscripted by the Ernest Bevin Scheme (Minister of Labour and National Service in Churchill's Coalition Government) to contribute to this vital War work.

Reminiscing about these times, Geoff smiled and said:

"It was only after the War, in 1945 that any good times were appreciated and the first time I ever had a week's holiday ... Holidays at Home!" It is not surprising, and perhaps a lesson for us all, that Geoff is out and about in the fresh air whenever possible. His mobility scooter takes him to the top of West Street, where he sits on his favourite seat there, and takes in the amazing views of all that open space and the natural world.

From Derbyshire to Wales: At the age of 56, retiring from the coalmines after 42 years, Geoff and his wife moved to live in North Wales. There he worked as a van driver for a holiday Tourist Park, delivering supplies. **I asked what significant changes he recalls in his 100 years.** "*Working with women*" Geoff replied with that twinkle in his eye! "*After 42 years in a man's world, underground, I had to mind my language!!*"

PURBECK CALLS!

"On retirement, at the age of 65 in 1981, my wife and I moved to Swanage, where my son, Bob (John Robert) and his wife, Vivienne, had a hotel." A little later, when a widower, Geoff's rented accommodation developed a serious plumbing problem and he had to be re-housed. "*I was very disappointed when my hope of a bungalow in Swanage fell through. However, someone, somewhere is looking after me! I was offered this*

bungalow in Corfe Castle. I hadn't been living in Swanage for long and I hadn't even heard of Corfe Castle when I came to live here in the early 1980's. It was here that my life changed, all for the good. This is the bonus for all my earlier hard years".

It was good to chat with Geoff. His many amusing anecdotes, recalling challenges along the way, showed that ... Geoff's a winner! He enjoys following various sport and programmes on TV such as Songs of Praise and Countryfile. He did say, however "*The best thing about television is switching it off!! One thing I keep asking myself, is where have those years gone. I take it slowly. Getting out and about keeps me going.*"

In 2000, Geoff wrote a Page (August 30th) in the Book 'Corfe Castle 2000: A Diary of the Village' Extract: "*.....Corfe Castle Village is a great place and so are the people that live here.*"

YOU are headlines this month, top of the list..... **HAPPY BIRTHDAY GEOFF, FROM US ALL** and thank you for your cheerful company.

Now continuing on a high note!

HALF A CENTURY AGO

On September 10th 1966, a couple of Honeymooners arrived in Corfe Castle and they are still appreciating their choice of location! Now well established, they are valuable members of our Village community life. We talk of **KATHY and BOB FORD**, who need no introduction. **CONGRATULATIONS ON**

YOUR GOLDEN WEDDING

Kathy says: "I came from Hamworthy and Bob from the Fords of Swalland Farm, Kimmeridge. When we married, we came to live in Corfe Castle and made it our Honeymoon as well. We were amongst the first residents in Battlemead.

Changing scenes:

Many readers will recall, with happy memories, the days when Kathy was Corfe Castle Postie. Retiring in 2008, after 17½ years, she has many interesting tales to tell from 'Postie's Patch', of that first class service with a stamp of approval!

A place in time: "*The Post Office was then in West Street and since then it has moved location once again. Amongst my other jobs in the Village, I worked at Dragon's Bakery, also then in West Street. I helped at the Playgroup, which was then held in the Village Hall, now in the purpose-built premises. What a difference time makes. We have a son Paul, daughter Wendy, and*

grandson, Conrad. Over these 50 years, we have stayed put in our first house and so very glad that we made Corfe Castle our home". Kathy and Bob, may your '50 year Honeymoon' continue. We are pleased that you 'stayed on', becoming such valuable residents.

Time to celebrate ... best wishes from all readers. Thank you for sharing your story.

ALSO IN SEPTEMBER
Congratulations to the 'Three Noughties' celebrating in September, in ascending order Happy Birthdays to Judy and Peter Tate and Mike Glover.

Maybe the Summer Holidays are over but September is often considered as a new beginning, as it's back to school and, for some, a new path on life's highway. Please remember to share any stories with the CVN to keep the Village Pump flowing. Thanks for this month's contributions.

Corfe Valley Church Services - September 2016

The Reverend Ian Jackson writes:

You sometimes hear people say, ‘As I get older I find I believe more and more about less and less.’

A verse from the Book of Ecclesiastes, in the Old Testament, comes to mind, ‘to every thing there is a season, and a time to every purpose under heaven.’ (Chapter 3, verse 1.)

In other words whether we are concerned with the details or the broad picture will depend on where we are in life and in particular if we are following the journey of Christian faith.

Sometimes being Christian, being part of the believing community, the church, seems to involve a lot of background work – finding out about the Bible, the history of the church, and understanding the variety of ways faith is expressed.

Such background work has a very important part to play; its really good there are those with training and experience who can help us here. Often, such background and clarification helps remove barriers to belief and the way of life which follows on.

At other times it is appropriate to sum up our christian faith. For example, in a conversation about tensions in the world we might speak of our overriding conviction that in the end , with God , we believe such tensions are resolved; they are not the last word. We would then go on to explain further, as appropriate to the situation.

Our study groups are opportunities to look into background and details. This does not suit everyone; many ways of exploration are valid. Anne, John and I are always happy to discuss belief and/or to suggest reading which might help. Our worship together places such activity in the context of our relationship with God and our engagement with his creation. Often, the symbolism of worship, not least music and words, helps us to sum up and express our faith. So both the details and the broader picture have their place – not least as they come together when we worship and pray.

St. Edward's Church Summer Events

A huge thank you to everyone who contributed in whatever way to the success of our two most recent events – the Summer Festival and Fête. Thanks are due especially to the event organisers – Jill Revans and Sheila Spinney. We are also grateful to the catering team, all who erected tents, everyone who donated items and manned stalls and all who undertook all the other tasks needed to make the events happen.

The Summer Festival in July raised £2100 and the more recent Fete raised around £2700. Their success can be measured in more than purely financial terms with both being good examples of teamwork at its best and providing enjoyable events for residents and visitors. The boost to our financial resources whilst being most welcome needs to be put into some sort of perspective. It should be borne in mind that the basic running expenses of the church are over £100 per day (this includes our annual insurance premium of £2420). We also have to find the funds to cover the major cost of maintenance and repairs to the church building for which we receive no contribution from the state. There are several ways in which residents of Corfe Castle and surrounding areas can help ease our financial burden. Those who are not already Friends of St. Edward's might consider becoming one for the modest cost of £12 per year. Leaflets containing full details are available inside church. Your support for our next fund raising event would be most welcome. See the separate advertisement for the Jazz Concert to be held on Friday 9th of September.

Yesterday was the day when Team GB won five gold medals in the Olympics, not to mention the silver and the bronze awards. Five gold medals in one day, having already won another ten, before the start of yesterday! If you love sport, the coverage of the 2016 Olympic Games has been incredible. Even if your age, or your bodily ailments, or even your lack of physical fitness, prevents you from actually taking part in any sport, you can still enter into the thrill of taking part in the competition, and then experience the elation of achieving success, all from the comfort of your favourite armchair. What we have seen thus far has been brilliant and, at the time of writing this article, there is still more to come.

But as well as the sport, and the sharing in the thrill of incredible achievements, something else will stay in my memory concerning these games. I am referring to what is known as the Christ the Redeemer statue. It seems that everytime the 2016 Olympic games is introduced, somewhere into the build up, the statue of Christ the Redeemer will appear. Sometimes we are looking up to it; sometimes the view is from way above it, and we see it from a totally different angle.

With the help of Google, I discovered that this statue of Christ is 98 ft. tall and sits on a pedestal that is another 26 ft. but, in addition to these measurements, it stands at the very peak of the Corcovado mountain, which is a further 2,300 ft. high. Whatever your view of it, it is incredible, and the outstretched arms of Christ seem to welcome and embrace all who dare to look up to this imposing figure.

The statue was completed in 1931, having taken nine years to build, and was the result of the co-operation of a Polish-French sculptor, a Brazilian Engineer, a French Engineer, plus the help of a Romanian artist who was responsible for the face of Jesus Christ.

But, as the Games have progressed and we have seen more and more views of the statue, I find that something has been niggling away at me, which, initially, I found very difficult to put my finger on. How could I, a “man of the cloth”, somebody whose greatest desire is to draw people's attention to this same Jesus Christ, how could I possibly find anything in this very impressive statue, to irritate me, or unsettle me?

As I have thought about it, I think that I have begun to put my finger on the reason for my disquiet. The statue is described as “a cultural icon of both Rio de Janeiro and of Brazil.” It is listed as one of the New Seven Wonders of the World. Who could not be impressed by this wonderful creation, constructed with re-inforced concrete and soapstone? I agree that it is truly magnificent, whether you are viewing it as the sun rises in the morning, or you wait until the evening, and you view it with the help of its spotlights, standing out against the dark skies of night. But it has one flaw, as far as I am concerned. It asks you to look, but it makes no demands upon you. You can look, and gaze, and stare, as much as you like, but, in the end, you can walk away, or switch off your television set. You will have played your part, and the statue makes no other demands on you.

In the Congregational Chapel there is no statue of Jesus Christ, not even on the cross, but I have one in the Cottage that I was given about a year ago. It stands just four inches high, and can be found on a shelf next to some books and our collection of DVD's. Like the massive statue in Brazil, it makes no demands upon me, and I am concerned that, as individuals, and as a society that is the sort of Jesus Christ that we want to have around – one that makes no demands upon us.

After the Israelites were brought out of Egypt they began a journey in the desert that lasted a long time. During that time they got fed up of listening to God's requirements through Moses and so, when Moses was away, communicating with this troublesome God, they decided to fashion their own God, who would let them do their own thing, when and however they wished. It is known as the Golden Calf.

Is it possible that we are doing the very same thing? We want a God who we can ask for help when things get tough. Some want to ask God to bless a new arrival; others want Him to be present as they choose to make their wedding vows. Nearly everyone wants to hold some form of religious service, when the life of a loved one comes to an end. We want a God who is available when we want Him, but, for the rest of the time, it is good to be able to put Him back on the shelf, knowing that He will be there when we need Him next.

Such a God is a million miles away from the God, revealed in Jesus Christ, that we read about in the Bible. I could never worship or give my life to a statue, whether it be four inches high or stand 3,000 ft. high. But the real God, revealed in Jesus Christ, demands my all, and promises, not everything I want, but everything I need, for this life and the next.

Isn't it strange what makes you think about the things that really matter?

Wishing you and your loved ones every blessing.

Yours

Barry

Langton Arthouse Cinema

In October we're screening *The Assassin* on Wednesday 5th at 7.30pm in Langton Matravers' Village Hall. Many years in the making, *The Assassin* is Taiwanese director Hou Hsiao-Hsien's shot at the distinctively Chinese genre of the wuxia movie. Loosely based on a Tang dynasty tale of a young woman raised as a killer, this film centres on Nie Yinniang, taken from her home and raised by her aunt, the Princess-nun Jiaxin, who teaches her to cut down quarry like "a bird in flight". But when Yinniang's lethal edge is blunted by pangs of conscience, which prevent her from slaying a governor cradling his young child, her tutor is displeased. "You have mastered the sword but your heart lacks resolve," Jiaxin declares before setting her a mettle-testing challenge – to kill her own cousin, Tian Ji'an, the governor of Weibo, to whom she was once betrothed. What follows is a visually sumptuous tale of love and honour, politics and social ritual. On one level, the film represents Hou's first foray into the wuxia genre, with the traditional "martial chivalry" tropes of balletic fight scenes and a touch of dark magic. Yet such fantastical elements are balanced by a more down-to-earth realism that attempts to get behind the costumes and conventions. In fact, comparatively little of *The Assassin* is taken up with action footage and the few fights we see are characterised as much by an eerie stillness as by fleet-footed choreography. The result is magical and utterly mesmerising. In Mandarin with English subtitles.

Tickets are £5 on the door, which will open at 7.00pm. Glasses will be supplied should you wish to bring your own drink with you. If you want to be kept informed about future films you can add your name to the mailing list by emailing info@LangtonArthouseCinema.co.uk or visit www.LangtonArthouseCinema.co.uk.

Capture the Moment with The AONB

Almost half of Dorset is officially recognized as OUTSTANDING - an astonishing mix of beautiful landscapes and great views round every corner. The Dorset Area of Outstanding Natural Beauty team want to shout about how great this landscape is but, as pictures speak louder than words, they need your

help! A very generous £500 worth of prizes is to be split between entries of the Land of Bone & Stone and the wider Dorset Area of Outstanding Natural Beauty (AONB) area.

Winning entries from previous photo competitions have been used successfully in many AONB publications and promotional material, helping to capture the mood and beauty of the area, with incredibly high- quality images submitted in the past. The best entries of this year's Site Seeing competition will also be included in an exhibition early in 2017. The competition is open to both professional and amateur photographers.

For more rules for submission and more information, please visit the Dorset AONB website www.dorsetaonb.org.uk, the closing date for entries is **30th September 2016**.

Canadian violinist Lara St John joins Natalie in playing unaccompanied Bach in Worth Matravers early on Saturday morning. Please note the 10am start. Let's Make Purbeck Litter-free

Over 40 people - including councillors and representatives from Dorset Waste Partnership – met at Harman's Cross Village Hall in mid July to discuss how everyone can help make Purbeck litter-free.

The organisers of the meeting, Lara Manningham-Buller, Bridget Mayes and Frank Roberts, are teaming up with volunteers from the meeting to collaborate with Dorset Waste Partnership and the National Trust to support local groups in the Isle of Purbeck to reduce litter in their villages and towns in the way that they think is best. From existing groups' experience, litter problems reduce once a few litter picks have taken place but there are other things that can be done too. Let's Make Purbeck Litter-free (Litter-free Purbeck for short) hopes to help with advice and practical support especially shared resources and – if needed – volunteer-power. Some people have already volunteered from Corfe to both

litter pick and help with other aspects but more volunteers would be welcome, and especially anyone who could help at Kimmeridge or Church Knowle. Please contact litterfreepurbeck@gmail.com or phone or text Bridget Mayes on 07771 851892.

Holme Flower and Produce Show, St John's The Evangelist Church Festival

On the **17th September** we will be holding a church festival in the grounds of the church, to celebrate the 150th anniversary of the consecration of the church and harvest. The church will be decorated in the theme of harvest and there will also be a display of photographs and history of the church. We will be serving teas and coffees, holding a raffle, tombola, children's games and much more fun. We will also be holding a competition with prizes for the person who comes as the best dressed scarecrow. (0-5yrs, 6-10, 11-16 and adults) We hope to see many of you there.

Scooping up Gold @ the 2016 Great Taste Awards!

Purbeck Ice Cream scooped up another two Gold Great Taste Awards in the recently judged 2016 competition with two stars awarded for Dorset Marmalade and one star awarded for Cracking Chocolate. With thousands of entries judged, the kudos in receiving an award is unbounded and the team are thrilled with this recognition of outstanding quality.

The annual Great Taste Awards are known as the Oscars of the food and drink industry ~ widely accepted as the most prestigious recognition of taste and quality with hundreds of products entered from across the UK and beyond.

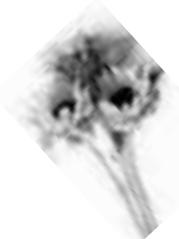

Dorset Marmalade was awarded a two star Gold and is made with Seville oranges beautifully prepared by Tracey from local business 'A Jar Of', brilliantly blended together to give an outstandingly tangy taste demanded by Paddington from Peru to Purbeck! Judges proclaimed it 'luscious, well balanced, fresh and creamy with a lovely zing and a kick of zest'!

Cracking Chocolate was awarded a one star Gold and is made with shards of Belgian chocolate enveloped within pure ice cream; the texture of the chocolate with the richness of the ice cream is supremely indulgent. The judges commented on the fresh honest flavour of the ice cream with good contrast from the chunks of chocolate, very scrumptious and seriously tempting.

The Purbeck team are delighted to add these two new Great Taste Awards to their armoury of awards won for quality, taste, flavour and innovation. If you haven't yet seen the super theatre advert featuring the dulcet tones of Edward Fox and starring the Purbeck Ice Cream team, watch it now on the website or You Tube and 'like it' if you like it and share at will! Proudly from Purbeck, dedicated to Dorset and brazenly British!

KINGSTON CHURCH

**Flowers, Crafts
& Music Festival**

Sat 17-Sun 18 Sept

10am – 5pm

CONCERT - Fri 16 Sept

7pm - Military Wives Choir

We are delighted to report a wonderful afternoon was enjoyed by all who came along to our long running village fete which has become a 'must visit' event for so many.

Takings this year were up yet again, in excess of £10,000 before expenses. This is a great achievement and community effort by all of the three parishes concerned.

The proceeds this year are to be shared between the three Parish churches of Church Knowle, Kimmeridge & Steeple, as well as KERV, Corfe Castle Busy Bees, Kids Club & Pre-School and The Friends of Wareham Hospital.

We give our heartfelt thanks to ALL those who so generously gave their time and their donations. These all went to make up a great selection of traditional stalls, fantastic draw prizes, cream teas, a wonderful hog roast, and not forgetting the ever popular Pimms tent.

The return of the organised games for both children and adults were a great success as shown by the many willing competitors keen to join in the fun.

The scene was set in the beautiful surroundings of the Old Rectory gardens with the brass band and new for this year, 'Arish Mel' from Kimmeridge, who between them provided music throughout the afternoon.

We are especially grateful to Neil & Angie Harbury for their generosity in allowing the fete to take place in their garden, which provides a very intimate ambience. We also thank Mike & Kath Best for providing much needed safe parking on their land for our hundreds of visitors.

It is impossible to mention each and every one of you who helped, but here is a very big **THANK YOU TO YOU ALL** and we sincerely hope you will continue to support us again next year.

We look forward to seeing you next year on Saturday 5th August 2017!

Chris, Billa and Hazel

Corfe Castle Football Club

Last season Corfe Castle FC achieved success on the pitch. The first team, led by Martin Patterson, achieved promotion from Division Two to Division One with a third placed finish in a very competitive league.

The second team also did well, reaching their second consecutive cup semi-final and were unfortunate to lose 3-2 to opponents AFC Blandford.

Away from the pitch there were also positives. Long serving club man Ian Tarbotton was awarded with Chairman's award for Outstanding Service to Corfe Castle FC by the Dorset FA.

There have also been improvements to the facilities at the club with the players chipping in to help out with ground work.

Corfe Castle are gearing up for the new season with pre-season training already underway. A number of new signings have complimented the already talented squad as both first team and reserves go searching for more success.

There are currently two adult sides playing at 'The Fortress', so why not come and support your local side and enjoy the football on show. With two sides in action there won't be many Saturday's during the season when there won't be a team playing at home.

Fixtures for the 2016/17 season have yet to be released but will be published in full on the club's website, www.corfecastlefc.co.uk, and posters will be up at the pavilion and various places around the village.

The club would also like to add junior and women's sides in the future. If this is something you would be interested in helping out with or would be interested in playing for those sides, please contact the club at manager@corfecastlefc.co.uk

Kingston Festival Of Flowers, Crafts And Music - 16th -18th September

We would like to remind everyone about the Flower, Craft and Music Festival in September. There is a concert at 7pm on Friday 16th with the Bovingdon Military Wives choir and the Woodwind Trio Zephyrae. Entry is free with a retiring collection. The Flower and Crafts with music is on Saturday 17th and Sunday 18th from 10 am till 5pm.

There are various musical recitals over the two days and Harmony Rocks choir will be singing at 3.30 pm on Sunday. If anyone is able to help with serving the refreshments of ploughman's, cream teas and cakes please telephone Doreen on 07506 235038 or 480837. We look forward to seeing you there for what should be a good "Celebration of Life and Achievements".

Following a comment in the visitor's book at St James's church from a Corfe Castle resident "I feel I must respond. These chairs are not what we would ideally have liked but we had to work within very strict guidelines set by the Diocese. We need stackable chairs to enable the church to be multi-functional in order to try to ensure its survival and to fund the maintenance costs of the beautiful building which are considerable. After months of negotiation with the Diocese we complied with what the Chancellor would accept and we could afford. The PCC have spent several years fundraising and thanks to the success of the events held and the generosity of individual donors we raised enough to buy seventy new chairs. We have, in the last few days, received a further generous donation which should enable us to buy a further fifteen chairs.

The fete on 13th August was blessed with a beautiful day and was very successful with a lovely atmosphere with music and many stalls and games. Thanks to Sue and Peter and everyone who helped to make the day such a success. Without these helpers it would not be possible to hold such events.

Doreen Farr

Would you like to be creative in helping artists be creative ?

Purbeck Art Weeks – a fortnight of art, open studios, exhibitions and other venues all showing off our local art and artists. For the evenings an eclectic schedule of music, talks, dance and more. Lots of people are involved in one way or another right across Purbeck. In addition to local visitors 1,000s come each year from across Dorset and further afield.

We are a charity, and some of the most important work we do is funding sponsorship of an increasing number of Isle of Purbeck School workshops and local artist bursaries – nurturing the next generation of visual or performing artists, and art lovers. We also support community art projects for all to enjoy.

All of this takes a huge amount of planning and hands on deck.

Year on year PAW grows. So does the need for enthusiastic people with a range of skills to offer (who may, or may not, be artistically inclined themselves) to help it all run smoothly.

We **need** volunteers – maybe just for a few hours or, if you can, for more involved roles. We are happy to talk to you and find out what sort of things you'd be interested in doing, and how your skills can best be used.

For the 2017 festival we have a number of jobs where good organisational skills, and /or good finance skills are key. In particular we need help with the running of our central exhibition at Rollington Barn.

Alternatively you could help with our membership applications and registration. An on-going role for which you would need some computer skills (word, emailing, some familiarity with spread sheets) and be happy to liaise with PAW members.

Whether you have a few hours to spare, or could be more available during the PAW fortnight please do drop us an email with a few words about you and any queries you might have and we will contact you to discuss further.

Please send your emails to our Chairman Charlotte Heath on heath.c@btopenworld.com.

Kimmeridge News

Smedmore House Open Day - Sunday Sept 18th

Smedmore will be open to raise money for the new Kimmeridge Playground on Sunday September 18th from 12-5pm for the gardens and from 2-5pm for the house. This is a really big event for the village to bring in the funds we need to go for the next round of playground funding. *So we really do need support from all of you* – all the usual things, preserves, cakes to sell and for teas, help with publicity, help on the day etc. This year's event will be bigger and better than ever, there will be craft stalls, music, classic cars and of course Purbeck Ice Cream! To book a stall that day, to offer your help or anything else related please email us at kimmeridgevh@hotmail.co.uk.

Kimmeridge Residents

A big welcome to Kate and Lily who have moved into No 27 recently. Kate is a writer and Lily (3 ½) has started at Corfe Castle Pre-school. We hope you'll feel welcomed and will soon be part of our village activities.

Speaking of No 27, I've heard from Jack Cohen, sadly he is having hospital treatment at the moment but he sounds OK otherwise. Jack & Persephone are now living near Ashley Road in Poole. Perhaps more news next month.

Church Knowle Fete

Kimmeridge was well represented this year at the Three Parishes Fete, with Jennie and Peter manning the entrance table, Janet and Anthony running sideshows, David Alexander (from No 2 Coastguard Cottages) helping with special and rare books on the bookstall, KERV represented by Ian and Mike with the Fire Truck and Arish Mel English Ceilidh Band including Steve and Helen providing music in the lower field when the brass band wasn't playing. It was a wonderful hot sunny day which no doubt contributed to the crowds who attended and enjoyed this traditional village fete.

Kimmeridge Fossil Museum

Work on the outside is now concentrating on the car parking area and the landscaping getting everything ready for our opening in time for the autumn half-term holiday. On the inside the exhibition area is being finished with the cases and displays being fitted and tested. Our team is now in place and is also hard at work getting the systems in place and tested ready for welcoming our first visitors in October!

Kimmeridge Keilidhs are back!

The first Kimmeridge Keilidh in the new hall has been booked for Friday 21st October – put it in your diary! It looks like being the first public event in the new hall. As well as being a great way to see the new hall it is also a fundraiser for more playground equipment for our new Children's Playground – and, of course, lots of fun dancing to Arish Mel!

Artsreach Event Saturday 3rd December

Another exciting event in the new hall: *The Fossil Lady of Lyme - The Story of Mary Anning*, written and performed by Alison Neil - Saturday 3rd December in the shiny new village hall - further details to follow in next month's Kimmeridge News!
