Editorial

The Corfe Valley News raises money for its production by charging advertisers, by donations from organisations and societies and by contributions from readers. The CVN is an independent publication, not being sponsored by any particular organisation.

At the moment the CVN is a little short of money. We are therefore going to have to be quite hard with advertisers and ask for payment before publication. We are reviewing the amount that organisations and societies such as Churches, clubs, and councils donate and will be in touch if we feel that you need to offer more.

Next month we will circulate the envelopes with the CVN and ask that you return them with whatever contribution you can afford; nevertheless the more the better. Just as a reminder, nobody involved with the CVN is paid and all money raised goes towards the production of the magazine. The main production cost is of course the printing, which is done by the excellent and very competitive Octopress.

MARCH AT THE PARISH COUNCIL

There were no members of the public present at the March meeting. Cllr Brooks attended for the last time as County Councillor prior to the imminent local government reorganisation which will take place on the 1st of April. At the April meeting Cllr Brooks will attend as a member of the Shadow Dorset Council. The Councillor reported that everything was progressing well towards the local government reorganisation.

Cllr Dragon reported that Purbeck District Council are progressing a planning enforcement at the Dorset Water Park which is situated within the Parish. There are several points of concern including the need to apply for planning permission for their signage, issues concerning the toilets and the mud trail which is in clear site from the road within the AONB. The AONB are likely to make a response on the retrospective application.

The National Trust were asked at the February meeting would they consider extending the opening hours of the Castle in the summer months? The Trust had sent a report advising that there are no plans at the moment to increase the opening times later than 6pm for the summer due to the activities that they currently have planned; open air theatre, cinema and an encampment. Extending the hours would place a strain on their resources. A Councillor responded that currently the Castle closes at 6pm and there are very few visitors after 4pm. It would be preferable to have the extra resources used to extend the hours in the summer which would extend the length of the day and potentially spread the influx of visitors over a longer time. The National Trust were not present at the meeting to comment.

The transfer of the West Street toilets from Purbeck District Council to the Parish Council is progressing and should soon be complete. The Parish Council are currently advertising the opportunity to tender for the cleaning contract and the documents for the tender were considered and approved by the Council at the meeting.

It was raised that the Council need to promote communication with Parishioners to ensure they are representing them, regarding planning and regarding other issues. All Parishioners are invited to attend meetings of the Parish Council on the second Monday of each month. The public have an opportunity to speak in the first half hour of every meeting and any queries, concerns or suggestions can be sent to the Council through the Clerk.

The Council considered correspondence from a Parishioner highlighting the problem of crossing the railway at Wareham. The Parishioner highlighted the difficulty of arriving by public transport to travel in the direction of London with

luggage. One must get off on the bus to purchase a ticket then somehow get over to the opposite platform with ones luggage. It was suggested a ticket machine on the other platform may be beneficial, rather than two on the Weymouth bound platform. The Parish Council will be following up the Parishioners concerns with the Purbeck Community Rail Partnership.

A Councillor had attended a recent meeting held by the Swanage to Bournemouth Motor Road and Ferry Company. He reported that many other local Councils were present. The ferry company had advised that they were very unhappy about the prolonged lack of service and current reduced service. They are making plans for the future of the ferry and acknowledged they had not put enough money aside for it's replacement. The ferry company have made several proposals of how to fund the replacement ferry, details of which they will confirm in due course.

As part of the Great British Spring Clean, Corfe Castle's spring litter pick will take place on the 7th of April 2019. The usual arrangements will apply; meet at the National Trust tea rooms in Corfe Castle village square at 10am. All necessary kit will be provided, please wear stout footwear and gloves. No dogs other than assistance dogs and children must please be accompanied. All welcome and all help appreciated! Please come along and support Litter-free Purbeck.

On financial matters the Council revised their Financial Regulations which were adopted. The Council resolved they would be revising their Grant Awarding Policy to invite grant applications within a certain timescale so that all could be considered together. On their next agenda the Council plan to discuss an annual limit for expenditure on all grant applications.

The Parish Council considers all planning applications. They had no objection to works to modify waterproof features of the roof of Wissett Cottage, 53 East Street Corfe Castle where it adjoins the gable end of 51 West Street. To internal alterations to en-suite of bedroom one at Mortons House Hotel. To the conversion of existing annexe to separate dwelling and external alterations at 1 Woodyhyde Cottage. To the demolition and replacement of rear extension with internal alterations at 4 South Street, Kingston. To a loft conversion including insertion of 6 roof lights and 2 gable end windows at Fern House, Townsend Mead, Corfe Castle. To alterations to rear dormer, first floor windows, to insert roof lights and new pitched roof over rear lean to at 44 West Street, Corfe Castle. To erect a single storey rear extension and internal alterations, create new access with parking area and hard standing at 3 Halves Cottages Corfe Castle and a Change of use from Offices (B1) to cafe/shop (A1/A3) at Norden Park and Ride, Norden.

NEWS FROM CHURCH KNOWLE PARISH COUNCIL

The first meeting of Spring was again held at Church Knowle Reading Room. Cllr Parker was in the Chair until a new chairman was elected to take over the reins after the Public Discussion period. During the Public Discussion the state of the playing field mower was brought up. Members heard the sad news that the mower was not working properly and would have to be repaired; the part causing the problem costing about £400 without fitting. The mower is about eight years old and there was general discussion about whether or not it was worth repairing given its age and use. The CKPC groundsman recommended that the mower be repaired as it was a robust unit and suggested that rather than sending it off for repair, he could order the part and have it separately fitted. One of the Members suggested that given the urgency the matter should be discussed and resolved under "Finance"; it's Spring after all and at this time of year grass grows with a vengeance such that delay might result in the Church Knowle playing field soon bearing a resemblance to the Kenyan savannahs before the wildebeests arrive. Members agreed and the meeting went on to elect the Chairman for March. Cllr Higgs was duly elected.

There were no declarations of interest and the meeting went on to review the February meeting's minutes which, after a minor correction in description of the Corfe River and tributary, were dully accepted as being correct. Several matters arose from the Minutes including a report on progress in the sorting out of the Parish archives and curating them. There was also news about how the rubbish fly-tipped outside Furzebrook village hall by some miscreant had been removed by Dorset Waste Partnership following involvement by the Environmental Health Officer.

Next came Planning Matters which included an application to a tree at 2 Church Knowle. Whilst the Parish Council's tree officer could see no problem with the application there was nothing in the application to say why the applicant felt the need to fell this ash tree. There was a general discussion about felling of ash trees given the epidemic of Ash Die-back Disease and in the end the Councillors decided they had no objection to the felling but suggested that PDC's tree officer requires the planting of another tree on the property to take its place. The Clerk then gave a report on the current status of the alleged unlawful use of properties at "The Old Blacksmith's" site in Grange Road and Members decided there was not much the Parish Council could do about the matters at the present time.

Under "Highways" the Council heard that the new fingers to the finger posts at East Creech and Barnston Cross would be complete and fitted during the next month or so. The Clerk then reported he was due to be in discussion the following day with the highways engineer of the new Dorset Council about the advisory sign at Barnston Cross recommending non-use by HGVs, etc., of the Bradle/Puddlemill road.

There were then reports and updates about the collapse of the shoulder on the Cocknowle hairpin. DCC Highways have painted white lines around the damage

indicating that repairs were likely, sometime. A report from two Councillors about the failure of the shoulder of the road through East Creech near Keeper's Cottage was noted and would be reported to Dorset Highways.

The Clerk reported that the bank accounts were in good order and there was no need to transfer funds to the Current Account. Members reviewed the Accounts submitted and agreed that they were a correct indication of the state of the Parish Council's finances. Invoices were paid and the likelihood of a large invoice for a mower part and repair was also discussed. An amount of upto £600.00p was authorised. The Clerk reported that he had not yet received formal notification from the new Dorset Council of its agreement to the Parish precept which remains unchanged from last year. Members noted his report and decided to carry this and budget headings over till the April meeting.

The transfer of old Parish records and files, etc. had been carried out and they were being "sorted out" for archiving. Cataloguing would be carried out over the next few weeks and then transfer to their new permanent home would take place.

There was then discussion about the retirement and election of Councillors in May. Councillors were very concerned that, again, there might be a problem with filling vacancies. There was general discussion about disillusionment amongst parish councillors throughout Purbeck and Dorset in general. Members concluded the Parish Council, in line with most others, need "young blood and decided to search around for people who would be interested in standing for election.

With regard to the environmental project, it was reported that Dorset Wildlife Trust had been asked for an update on progress of work.

It was reported that Network Rail had been carrying out work on the railway line at Creech Bottom and the contractors had been parking on the lane and causing obstruction. They had also been dumping litter. One of your Councillors decided to fill up a carrier bag with the litter and tied it to one of their machines. Network Rail were then contacted and as a result vehicles were now parked appropriately and no more litter was deposited! As Mr Punch would say; "That's the way to do it!!!

During the period for discussion, PDC Councillor Malcolm Barnes told the Meeting that it would be the last one he would be attending as a Purbeck District Councillor since PDC would be sailing into the sunset on 31st March never to be seen again. The Parish Council thanked Malcolm for all the magnificent work he had done on behalf of the Parish and wished him well.

And that was that for March. Next meeting will be on April 09th at 7.30pm. at the Reading Room, Church Knowle.

Corfe Castle Surgery

Don't forget we want your feedback continuously. The FRIENDS AND FAMILY TEST is a way of gathering anonymous feedback from you about your recent experience of the practice. This will help us recognize where we are doing things well and where we need to improve. Your feedback gives a real-time picture of what you think. You will have the opportunity to feedback every time you are in the practice, after an appointment or attending for administrative things such as repeat prescriptions or blood test results.

For those of you planning a holiday abroad we would just like to remind you to ensure that you fill in a Travel Form (available from Reception). This should be done as soon as you book your holiday, to enable the Nurses to see patients and discuss the travel vaccines and general travel information in plenty of time. Some vaccine regimes can take up to 2 months to complete. We want all our travelers to keep safe and have an enjoyable trip.

Tina

Patient Participation Group

The past month has been a busy one for members of the PPG, with preparations for the talk on 'Holiday Health' (with thanks to all involved, especially to Howard Thomas and to Chris Clarke for her excellent poster design) and also making contact with our fellow PPGs in Purbeck with the aim of working together on some projects. We are looking at a number of possible initiatives for our PPG to take forward in the coming year and will keep you in the picture.

Next comes a familiar but important plea. Please can we all re-double our efforts to remember to give our hard-pressed dispensers at least 72 hours' notice of repeat prescription requests? The writer of this owns up to having been a recent offender and knows how easy it is to make a mistake but please let's all try very hard. The number of patients continues to increase and so does the work of the dispensary.

Finally, the next meeting of the PPG is on Thursday 25th April. If there are any matters you would like raised do please contact us.

National Trust

Mason's marks have been identified for the first time during conservation work on the outer bridge at Corfe Castle.

The marks date from Tudor times and were found scratched into the surface of stone blocks forming the arches of the bridge.

They are probably tally marks recording the work done in a day by a mason, said Visitor Experience Officer Pam White.

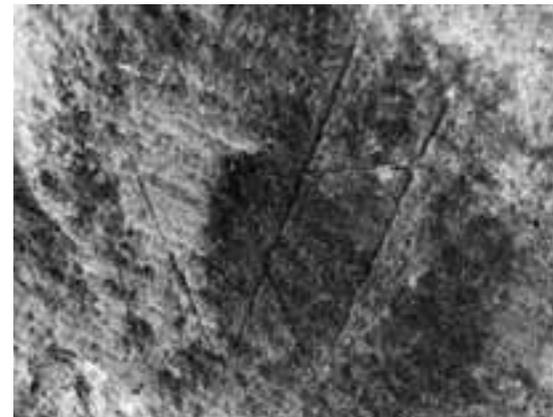

The stone piers of the outer bridge were built in the 1280s in the reign of Edward I and would originally have been topped by a timber platform.

The Tudor arches were probably added by Henry VII when he spent a considerable sum making home improvements to what he hoped would be a country home for his mother, Lady Margaret Beaufort.

Several different marks were found on the northern section of the arches. Some were letters such as a W, H and N, others were parallel lines, simple right angles or crosses.

"Conservation work on the castle continues to produce surprises," said Pam.

"The marks will be recorded and we are anxious to find comparable marks on local Tudor buildings."

A sharp-eyed visitor to Dancing Ledge spotted this never before seen rock carving which National Trust archaeologists believe was the work of a 19th century quarryman.

Barbara Matthewson of Hertfordshire contacted National Trust Ranger Jonathan Leyland with her discovery, and he was able to confirm that the

carving of a sailing ship is the latest of more than 30 similar discoveries from the Purbeck coast.

"I could imagine a quarryman sitting there on a nice sunny day doing a bit of carving", said Barbara. "I'm very pleased to have noticed it, and to have added a new carving to the list".

March was time for the AGM once again and this annual event took up the first part of the monthly meeting. As usual business was handled with speed and efficiency, with reports from the Treasurer and Joint Chair, presenting the accounts and reviewing the past year of Aquarius. Three retiring committee members were thanked and presented with garden vouchers while two new members were welcomed to the committee.

From serious stuff, we moved on to seasonal fun. Yes, it was Pancake Day! A fair amount of tossing took place with varying and entertaining degrees of success and drop scones (which had not touched the floor!) were consumed.

Members please note – the deadline for renewal of membership for 2019-20 has now passed. A short period of grace may be allowed for anyone who has somehow overlooked this! If this is you, please contact Anne on [redacted] to pay your £22 **as soon as possible**.

Dates for your diary:

2nd April Steps for Stan

13th April Annual coffee morning/Spring Fair - a major fundraiser for our 3 charities.

We would be delighted for other community groups to take a table/bring a stall [redacted] and fill the Village Hall! Please contact any committee member or call Alison on the [redacted] number below.

7th May Line, Latin and Ballroom Dancing

Visitors are welcome to attend any two meetings in the year for a small charge of £3. Aquarius meets at the Village Hall at 2pm on the first Tuesday of the month.

Wild Seas Centre

We are excited that April is here at last and the Fine Foundation Wild Seas Centre can open its doors again for what will hopefully be another busy season. Entry to the Centre is free and it's a great place to view the rockpool creatures living in our aquarium. Say 'Hi' to a hermit crab, have a go at our fishing game and take home your own fossil rubbing. You can even find out what lives on the seabed offshore using our virtual seabed touch screen.

Our first art exhibition of the year, running from 1st to 14th April, is put on by our own volunteers and includes paintings, photographs and artwork focussing on marine wildlife and the local area. We also have a small, fully stocked gift shop.

There is something for everyone in our Easter events programme this year. Join us to search for the 11 different types of crab found on the Kimmeridge seashore or discover what a mermaid keeps in her purse, as we hunt for eggcases on the beach! Budding artists can try their hand at a variety of marine-themed crafts and it's all hands on deck for our big Spring beach clean at Worbarrow Bay, where Dorset Tea will be handing out free refreshments for all the beach clean volunteers.

- **Rockpool Ramble 6th April**
- **Worbarrow Bay beach clean 7th April**
- **Wool painting crafts 11th April**
- **Arty ocean activities 15th April**
- **Crabwatch survey 17th April**
- **Great Kimmeridge Eggcase Hunt 19th April**

Details of all events can be found at www.dorsetwildlifetrust.org.uk/wild-seas-centre

The Wild Seas Centre is open daily from 1st April until beginning of November, 10.30am to 5pm.

We look forward to seeing you!

Purbeck Art Weeks Festival May 25th – June 9th

This year's Festival brings another superb programme of **concerts and talks**, plus **artistic riches from over 100 artists across Purbeck**. PAW painters, sculptors, printmakers, photographers, wood workers, digital and textile artists and more, are looking forward to welcoming you into their **Open Studios** and giving you some insights into how they work.

Be inspired by visual art during the day and performing art in the evenings (with a glass of wine). Gabrieli plus brass and timpani celebrate the English Coronations of the 20th century while I Fagiolini return with a performance celebrating Leonardo da Vinci in art and music. **Book your concerts and talk tickets now** at <https://www.purbeckartweeks.co.uk/events/>

Historic **Rollington Barn** is again hosting PAW's gloriously eclectic exhibition showing at least one piece of art from artists taking part in this year's Festival. Every year we involve around 500 young people (Purbeck Young Artists) from schools across Purbeck and their creative results will also be on display at Rollington. This year's theme 'Flights of Fancy' can be interpreted in many different ways, as you will see.

Have some fun and join in our **Grand Raffle** - you could be this year's lucky winner of £250 of art of your choice. Have a go at sketching with a special **Sketch PAW** drawing pad which will be on sale at Rollington - and share the results to win a prize.

The Reverend Ian Jackson writes:

Last month when I wrote about our Lent talents project I said: ‘However, when we give, we give away; we cannot control what happens thereafter. All the more so with God.’

One way to explain about what Good Friday and Easter are all about would be to say that they are about God’s gift of himself to each one of us. We all like to receive presents, but above all and at best the most important gift anyone can give us is their presence, with loving attentive concern. The words in the modern marriage service refer to this. When rings are exchanged the couple say to each other in turn ‘all that I am I give to you, and all that I have I share with you.’ In a quiet moment over Holy Week and Easter you might like to ponder these words and to think of God saying them to each one of us.

In Jesus we see God giving himself to us. This gift was rejected. We all share in this rejection – God is constantly giving, in love, to each one of us, and the whole of his creation. Hence, Good Friday is a solemn day of sorrow and penitence.

However, it is in the very moment of such rejection that God’s love is strongest. In one of the prayers we sometimes use at services of Holy Communion we say, ‘he opened wide his arms for us on the cross’. The arms which are spread out, because they have been rejected, are in fact the arms which show God’s forgiveness and mercy.

Easter Day is a day of rejoicing and celebration. It is not that all the solemnity and suffering and pain are over and done with for another year. Our joy grows out of Good Friday. It can seem like Good Friday at any time and throughout our lives. Equally, Easter may come all year round too. God is constantly working in this way – bringing good out of evil, order out of chaos and newness of life out of apparent rejection and death.

Our Lent project is going really well; many good things are happening. It is pointing us ahead to Easter – rightly so; that is part of the purpose of Lent.

In the early days of the church the passion, death and resurrection of Jesus were observed and celebrated together; it was a long service. We generally don’t do that these days. But Good Friday and Easter belong together – together they speak of the mystery of God’s redeeming, forgiving love. May

we be renewed as we keep this special time in our church calendar and know yet more of God’s presence with each one of us and throughout his creation.

A very Happy Easter. Ian

Annual meetings are held each year and this usually has to be by the end of April; when Easter is later, then the Bishop usually gives permission for these to be held in May. This he has done this year and you will see the Kimmeridge meeting is to be in early May. These meetings give an opportunity to hear about the work of the church councils during the past year and for comments to be made and questions asked.

Churchwardens and PCC members are appointed.

Steeple. The Annual Parochial Church Meeting (APCM) will be held in church at 7pm on Wednesday April 10th.

Church Knowle. The APCM will be held in the Reading Room in Church Knowle at 3pm on Thursday 25th April

Kimmeridge. The APCM will be held at 5pm in church on Thursday 2nd May.

Easter Lilies and flowers

There is a well established tradition at St Edward's that at Easter donations are given for lilies to be placed in church and we remember in prayer during the Easter morning service those who have died.

Barbara Canning collects donations and the names of those remembered which are read out during the intercessions on Easter Day. So please contact Barbara about this.

I would like to stress that we are happy to pray in any case - so please give any names for the prayers to Barbara. Ian.

***...Christ died for our sins according to the scriptures,
that He was buried,
that He was raised on the third day, according to the scriptures.
1 Corinthians 15:3-4***

Between Egg Hunts and chocolates, it is easy to overlook the real meaning of Easter.

Jesus came to earth with a message of hope. His love and compassion reached out to everyone. He healed the sick and comforted the distressed. Many received His teachings and followed Him. The religious leaders felt threatened by His message of love and humility, and plotted to kill Him. He was betrayed, arrested and sentenced to die. He was whipped and tortured with a crown of thorns on His head by the Roman Soldiers. Roman Soldiers took Jesus up the hill of Golgotha and nailed Him to a wooden Cross between two thieves. Jesus was crucified at 9 o'clock in the morning. At noon the sky darkened for three hours. Afterwards Jesus cried with a loud voice 'It Is Finished' and gave up His life. He went through it all, so that we could know God's forgiveness and live life differently.

Jesus not only died but rose again from the dead and is alive today! On Easter Sunday we celebrate Jesus' resurrection, but there would be no resurrection without the suffering death on a Cross and the burial in a tomb. The Resurrection changed everything! And this is what makes the holiday so special. Easter Sunday means freedom to live a victorious life connected to God. Easter is a reminder that there is life after death.

You might wonder why Christians make a big fuss about Easter. Easter is the most important Christian Festival and the one celebrated with the greatest joy! The Easter story is a story that can change our lives because it's the story of God's powerful love for each of us and the sacrifice He gave. Easter brings hope to our everyday lives as well as a future heavenly home with God.

The very purpose of the Easter weekend reminds us, no matter what we face today, what we've been through, or what uncertainties tomorrow may hold, that Christ is our Hope. He conquered death, He makes all things new. God is not dead and we are not alone. NOT EVER.

We invite you to join us this Easter as we celebrate the Risen King, the Saviour of the World who is still changing lives today!

On Good Friday, here at the Congregational Church, we are holding a short service with St Edwards Church. This will be followed with the 'Walk of Witness' to St Edwards Church where they will continue with a short service to finish.

Wishing all our readers and their families an Easter filled with joy and hope. May your time together be a celebration of life and love as you remember God's gift to us all.

Kimmeridge News

Kimmeridge Keilidhs

On 8th March we had another very successful Barn Dance in the lovely hall at the Etches Collection. When we added up the takings afterwards, we discovered that since starting these dances in October 2012, the dances have raised **£4000** for the Kimmeridge Village Hall, Playground and The Etches Collection. This remarkable achievement is thanks to all the lovely people who travel sometimes quite long distances to dance at Kimmeridge! Thanks must also go to the band, Arish Mel, who have given their services free to support the village and to our wonderful callers, who do it all for a bottle of wine & some petrol money! For the first few years we held the dances in the old Village Hall; much loved, but at times a bit draughty! Moving to the wonderful new hall in October 2016 has been a real treat and has proved a splendid venue for these events. **Our next dance is on Fri 26th April**, when our band, Arish Mel will be joined by caller Teresa Rabbetts and there will be interval entertainment from Bourne River Morris. There will no doubt be a celebration of reaching our £4000 target – cake perhaps! All welcome, tickets £5 on the door, bring your own drinks and nibbles.

Corfe Castle Gardening Club

It was good to welcome a lot of visitors as well as members to the March meeting. Patti told us about bees and warned us about the impending invasion of Asian Hornets - big nasty things and dangerous predators on our bees. We learned about the various bees and their roles, the amount of work that goes into being an apiarist, the things that can so easily go wrong and the problems (and sometimes physical risks) involved in collecting swarms that have left their hive and settled in the most unlikely places. There is also the joy of having your room and clothing covered in sticky honey when collecting time comes! Thank you, Patti, for an interesting and informative evening.

This month, 4th of April, we again meet winged, and other, insects as we learn about the pollinators we gardeners depend on and how to encourage them into our gardens.

The old adage says that April comes in like a lion and goes out like a lamb. Seems to me that March has usurped April's thunder - and winds - this year! I hope your fences, sheds, roofs and cages have withstood the onslaught. Stay safe out there when walking, cycling, climbing ladders etc. Apart from our concern for your welfare we also want you around to come to our meeting on May 2nd!

After doing your civic duty and voting in the local elections come and join us at the club, pick up a drink and come upstairs. Bring your spare plants and seedlings for folk to buy, while you stock up from the offerings of others. Then we shall hear from Fiona about the gardens of Marrakesh

I look forward to seeing you, and, as the sergeant used to say each week on Hill Street Blues, be careful out there.

Harman's Cross Movie Night

On Tuesday 9 April we're showing Stan & Ollie at 7.30 in Harman's Cross Village Hall. This movie retells the true story of Laurel and Hardy's 1953 tour of Britain and Ireland, post-prime, age-worn, with their partnership of 32 years fraying at the seams. They have two things still going for them: history and

genius. But their closest allies and confidants are now their wives Ida and Lucille. Starring Steve Coogan and John C. Reilly, this heart-warming film relates what would become the pair's triumphant farewell tour. Despite half-empty houses and low-rent lodgings, the pair gradually find their feet. But it's the arrival of the wives that really shifts things up a gear. This is a polished, revealing, accessible biopic, laden with nods and nudges to their glory days. Tickets £5 on the door, which will open, along with the bar, at 7pm.

Langton Arthouse Cinema

In May we're screening Shoplifters on Wednesday 1 at 7.30 in Langton Matravers' Village Hall. This is a film made up of delicate details. It is the story of a group of frightened, damaged people who have made common cause with each other, banded together under the convenience flag of family, beneath the radar of the law and making the best of things from day to day, until they realise they have been making the worst of things. This faux family is made up of a man and a woman, a little boy, an older girl and a much older lady, all living in a tumbledown bungalow tucked out of sight in the Tokyo suburbs. Rather than attend school, the young boy, Shota, spends his days stealing groceries with his father, Osamu, in an intricate two-man operation involving hand signals and coded nods. After one of their shoplifting sessions, Osamu and his son come across a little girl in the freezing cold. At first reluctant to shelter the girl, Osamu's wife agrees to take care of her after learning of the hardships she faces. Although the family is poor, barely making enough money to survive through petty crime, they seem to live happily together until an unforeseen incident reveals hidden secrets, testing the bonds that unite them. A rich, satisfying and deeply intelligent film that cuts to the heart of what family means. In Japanese with English subtitles. Tickets £5 on the door, which will open at 7pm. Glasses will be supplied should you wish to bring your own drink with you. If you would like to see trailers for this and future films visit www.LangtonArthouseCinema.co.uk.

Worth Matravers Film Club

The film Rams will be shown at Worth Matravers Village Hall on Thursday 25 April.

"Beyond farming, there is something special about sheep, most farmers I know have a stronger relation to sheep than other domesticated animals" says the director Grimur Hakonarson.

The film takes place in an isolated Icelandic valley and it tells the story of the feud between two old shepherd brothers. They loathe one another but are devoted to their flock. It is a harsh and bleak drama but deeply moving. It is also peppered with low-key humour regarding the everyday problems of

Icelandic sheep farmers and of a way of life which is disappearing.

It gives us pause to reflect on the limitations of life, what we can bear and reminders that family is important and so is love.

A short film from the Purbeck film festival archive will be shown before the main film.

Tickets are £5 at the Village Hall door. Arrive at 7PM for refreshments and the film starts at 7H30.

Join Cakes4cancer And Raise Dough For Local People Living With Cancer

If baking tickles your (fondant) fancy, Wessex Cancer Trust, would love you to host a Cakes4Cancer event this May and raise dough for local people living with cancer.

Rolling out across the entire Wessex region between 6 and 12 May, Cakes4Cancer is a really simple way to come together with friends, family or colleagues and 'bake' a difference by asking for a donation in return for a cuppa and cake.

Charlotte Von Sicard, Wessex Cancer Trust's Community Manager, said:

"We're passionate about community at Wessex Cancer Trust, and believe everyone living with cancer should be able to get free and local emotional support whenever they need it. Cakes4Cancer is all about people coming together to enjoy something delicious for a great cause. Your event can be as big or small as you want. You could put on a coffee morning at work, host an afternoon tea with friends or invite neighbours to come along to a bake sale. Whether it's faked or baked, every cake sold could help change someone's life for the better. It really is a piece of cake."

The charity has put together a free kit containing everything you need to host your own event, including a tablecloth, balloons, posters, cake toppers, game ideas and recipe cards. Sign up at www.wessexcancer.org.uk/forms/cakes4cancer-pack.

Wessex Cancer Trust is a charity dedicated to providing practical and emotional support to anyone living with cancer in Hampshire, Wiltshire, Dorset and the Isle of Wight, and in 2018 helped over 11,000 people throughout Wessex.

The Pioneer View

Growing a Compassionate Community in Corfe Castle.

Growing compassionate communities is part of a wider more inclusive vision. In this article I want to outline this vision.

So, what is a compassionate community? A compassionate community is primarily about a community working towards inclusiveness of all diverse groups and peoples. It may be described as a community that identifies and seeks to be inclusive through engaging and reintegrating vulnerable and marginalized groups.

This vision seeks to grow communities that are compassionate as they seek to include groups on the margins of the community by becoming sensitive to their needs and journey.

Three key aims for growing a compassionate community are:

- To raise awareness and understanding of the needs and aspirations of vulnerable and marginalised groups
- To create a safe and non- stigmatising community where vulnerable and marginalised groups feel included
- To create an environment where can vulnerable and marginalised groups can seek appropriate help and support

So how are we growing this sort of community in Corfe Castle?

The following are a few key initiatives that we plan to grow in Corfe Castle:

- A reminiscence group
- A carer's support group
- A Drop- In at the village hall
- Carpet Bowls

All these activities are open to everyone.

A core value of our charity is to work towards growing inclusive communities. A core principal of what we do is providing a form of radical hospitality to marginalised groups of people. These activities provide a doorway for vulnerable groups to re- integrate and connect with people and services at a very challenging time of their journey.

Please keep a look out for posters and other advertisements for when and where these groups will be. I look forward to meeting you and taking this vision in Corfe Castle forward.

If you would like to help to make this vision happen, please contact me on the email below.

Sculpture & Stone Carving Lessons, Corfe Castle, Dorset

19th, 20th, 21st and 22nd April 2019

(Easter weekend)

10am – 4pm

Suitable for Beginners & Intermediates

Join Jonathan Sells for 1, 2, 3 or 4 days of practical, friendly stone carving tuition, enabling you to create your own relief carving.

Each session takes place at Sandy Hill Studios, Corfe Castle BH20 5JF

What do the stone carving lessons include?

Using a flat piece of Portland stone, you will create a relief sculpture to take home with you. If you book in for more than one day of lessons you will continue with this the next day, or start a bigger piece.

Each day starts with a short Health & Safety briefing to ensure students are clued up before enjoying the session. This is followed by an introduction to stone carving techniques, tool use, and the properties of stone. Then you will carry out 3 useful exercises in the morning and will be able to carve your piece in the afternoon.

Jonathan provides all the tools and stone required for sessions, along with protective eyeglasses.

*N.B. It is recommended **not** to wear your favourite items of clothing for the workshops, as stone carving can become very dusty. Wearing sensible hardy footwear is a good idea to increase safety regarding sharp tools and heavy stone.*

You may choose to carve something on an Easter or springtime theme such as Easter eggs, bunnies, flowers e.g. daffodils or tulips, or perhaps a religious image. Jonathan will provide some pictures, and some simple templates for those who might feel less confident at copying a drawing onto the stone. Alternatively you may have something specific in mind that you would like to carve, so feel free to bring your own images.

For a one day course the image for the centre of the stone slab should be no more than 150mm x 150mm, but can be increased up to 180mm x

280mm for more than one day of carving.

Children are welcome but should be supervised by an adult. The child fees apply between age 6 (the minimum age) and 15 inclusive.

Saturday 20th April is Jonathan's birthday – free cake today!

Fees:

1 Day - £65, child £45

2 Days - £115 (save £15), child £80

3 Days - £170 (save £25), child £115

4 Days - £215 (save £45), child £145

On your first day, or if you only do one of the 4 available days, you will create a relief stone carving which you will be able to take home with you at the end of the day.

If you book 2 days you will be able to add more detail to your first carving or create a second relief piece.

Over 3 or 4 days you will be able to add finer detail to your existing carvings, produce another, or receive tutoring to create a 3-D carving.

About Sandy Hill Studios, Corfe Castle

Sandy Hill Studios are located in the shadow of Corfe Castle, which is situated in the Purbeck Hills on the route between Wareham and Swanage.

Tea and coffee is provided each day, and there is a communal kitchen area, but bring a packed lunch. Alternatively, there is a bakery and general store in the Village, which is a five minute walk through Corfe Castle's vintage steam railway station.

If the weather is fine you can have your lunch by the stream – who knows, you might even spot a kingfisher or a water vole!

There is limited parking on site, but you can park on the road nearby.

Book Your Stone Carving Lessons – Easter 2019

Contact Jonathan to book. Payment is by cheque, or bank transfer.
