Editorial

As we start of the run up to Christmas there is a remarkable amount going on in the village. The Parish Council hosted a very good open evening when many issues affecting the environment and global warming were discussed and remedies presented. The slides, which were used during the presentation, will be on the parish council website soon. Another presentation is proposed for November and is advertised elsewhere in this edition of the CVN. This forthcoming event is again sponsored by the Parish Council and is a joint presentation with the National Trust. In addition as I write this the wonderful men and women of the Festivities can be seen putting up the lights, which make Corfe Castle such a super destination during the Christmas period. Furthermore the National Trust will again be lighting the castle this Christmas. I must say that the lit Castle really enhances the village scene at night.

We have also been lucky this autumn with all the other special events which have gone on in and around the village. There was a very successful Purbeck International Chamber Music festival. In addition there were many other concerts all over Purbeck, including in St Edwards. I could also have highlighted the equally successful Purbeck Art Weeks and the Film Festival. You can't say we are not royally entertained! Stephen

CORFE CASTLE PARISH COUNCIL

OCTOBER AT THE PARISH COUNCIL

James Gould reported that the National Trust had not received any further reports of incidents with cows. The Trust had offered **management of the allotments** to the Parish Council which they had declined. James wished to emphasise that whilst the Trust were happy to continue with the management they must be left to manage the allotments in the way that they want to manage them and do not want any come back from the Parish Council going forward. Cllr Fooks asked James to remove the sign in the giftshop which advises shoppers that profits generated in Purbeck are reinvested specifically in the area. James confirmed that this is not a true statement and advised a new sign is being designed. He does not know when it will be ready. The **work on the robing room** is likely to take slightly longer as the scaffolding has had to be modified. They are hoping to complete work by the end of the year and James reassured the Council the work will not affect the Christmas festivities.

Plans are still in progress to install an electrical charging point for cars at Castle View.

Cllr Brooks was unable to attend. In response to a request from the Council she reported that **licencing applications will be published online and she will notify the Council when they are live**. This will enable Parishioners to look online at the terms on which a licence is granted. Cllr N Dragon would like to see licensing as a standing agenda item, how best to do this will be considered.

Councillors noted items they would like to seek clarification from Cllr Brooks on the following; Cllr N Dragon would like **some clarity on the process of referring a planning application to the Area Planning Board**. It is understood that if a officer's decision is contrary to that of the Parish Council, he then refers it to the Area Committee Chair, Vice Chair and Ward Member and they decided if it will go to the Area Committee or not. This is then reported to the chief officer and the decision lies with her. Cllr Parish would like clarification on what is happening with the Purbeck Local Plan. She has concerns that there have been so many modifications the final plan will be very far removed from that originally consulted on. Cllr Fooks asked can a member of the Parish Council be present at all the Norden meetings going forward and can the Council please be informed on any meetings going ahead.

At a recent liaison meeting the Council was asked to consider if they are open to the idea of **seeking professional planning advice to deal with larger planning applications**. Swanage TC are investigating the proposal; writing a specification and seeking quotes. The Council were minded to

CORFE CASTLE PARISH COUNCIL

proceed to work with Swanage, looking at costs and seeing if the proposal is feasible. Cllr N Dragon commented that the Council do not have a large budget and this would limit what advice available.

Cllr Clarke thanked the environment group for their very successful meeting and the group wishes to thank all of you who came to share ideas and contribute. The group asked for approval of a subsequent meeting to go ahead which will focus on biodiversity. This was approved by the **Council and will take place on the 25th of November, in the Village Hall at 7.30pm. This meeting will explore how the Parish Council, The National Trust and you can help nature recover from it's rapid recent decline.** Cllr Fooks would like to have a space in the CVN where people can report how they are making small changes and where changes can be celebrated and encouraged. The Chair asked can the next step be to formulate a plan developing a distinct, task orientated agenda which the Council, with others, can deliver.

Cllr Fooks will report back on response to **playground surveys** at the December meeting. **Should anyone wish to respond and hasn't already please get your survey to the bakery by November 15th.** The Council made their remaining nomination to the Corfe Castle Charity and have nominated Michael Bond who will serve a term of four years on the Charities board of trustees.

Dorset Council have organised a series of workshops, the objective of which is to have discussions and develop a framework of how Dorset County and Parish and Town Councils will work together. The Council resolved they wished the following points to be raised; they want Dorset Council to see Parish Councils as a resource and to devolve actions to them. Parish and Town Councils should have an opportunity to be represented in decision making; including planning and licencing. The Council wish to see the former Clerks and Chair liaison meetings to be reinstated on a local level, not county wide. The Council wish to raise that Parish Councils should be statutory consultees in planning applications. Councillors should have a right to speak at planning board meetings as a Parish Councillor, with a higher weight than that of a member of the Public. The Council wish to have the response time to planning applications reinstated to 28 days. Finally, many local action groups do not have 'teeth'. If Dorset Council truly want to involve P&T Councils and engage with local communities, could they not use these groups and attend them so action can be carried forward?

A resident had raised a problem she had experienced with **numerous trade vans dominating parking in the centre of the village**. An incident had occurred where four vans with valid permits were all working at the same

CORFE CASTLE PARISH COUNCIL

address. This limited parking for residents and visitors for a number of days. It was suggested could a single permit for an individual job be issued to the householder rather than the tradesman, thus allowing only one vehicle at a time.

On planning matters the Council had no objection to strip and relay a stone roof to rear extension, re-render chimney stack, internal alterations, change door and window to french doors at Lynch Farmhouse, Kingston, Wareham and to a treeworks application; Picea - crown lift to 5m above ground level at 91 East Street, Corfe Castle.

Do **check the Parish Council website** where we will be putting links to the presentation from the Environment Group Meetings as well as other useful links www.corfecastleparishcouncil.org.uk

(phone 01929 426125)(e-mail CorfeCastlePC@aol.com) – 41 Bell Street, Swanage, Dorset, BH19 2RY. The Parish Council meets on the second Monday of each month at 7pm in the Town Hall, West Street*. Have your say at the start of the meeting, speak to any parish councillor, or write to me. Full minutes of the meetings are available in Corfe Castle library or on the Website (www.corfecastlepc.org.uk). [*Sometimes elsewhere.]

The next Parish Council Meeting is on the 11th November 2019 at 7.00pm in the Town Hall.

Dorset Council Housing Needs Survey- Please take part!

In November Dorset Council is conducting a Housing Needs Assessment and we would strongly encourage each and every resident to take part. The information received will help Dorset Council to provide the type of accommodation which is needed in the parish.

Every resident will receive a survey through their door, please fill it in and return it.

If you are in housing need and have already registered a housing need with the Parish Council please **also** complete this survey.

Should you have family who have had to move outside of the parish but have a housing need and would like to move back to Corfe please encourage them to access the form online and respond to the survey.

You can get details of where to find the survey from the Clerk on 01929 426125. You can also find a link to the survey on the Parish Council website www.corfecastlepc.org.uk

Let's work together to make Corfe Castle & Purbeck better for nature

Find out how the Parish Council, the National Trust and you can **work together and help nature** recover from it's rapid recent decline. Let's talk about what's already being done and share ideas of what can be done in the future. If we work together as a community **small projects** will have a **big impact**. There'll be opportunities to ask questions, participate in open discussion and refreshments will be available. Do come along... we'll be meeting at:

Corfe Castle Village Hall

Monday 25th November 7.30pm

This event is hosted by Corfe Castle Parish Council, 1 of 300+ councils supporting the declaration of a climate emergency. **We look forward to seeing you there!**

NEWS FROM CHURCH KNOWLE PARISH COUNCIL

The five remaining members of the Church Knowle Parish Council met in the cozy Reading Room and were joined by a Parishioner, our Dorset Council (DC) councillor and two senior managers from the Dorset Wildlife Trust (DWT). Because the Meeting was a “mini-meeting, the agenda was shorter than normal although the meeting ended up taking as long as a full meeting because of the length of the Public Discussion Period; see below.

There were no declarations of interest from Members and the meeting quickly went to the Public Discussion Period during which the Parishioner present brought up concerns about what appeared to be the unlawful use of a caravan at Chiplake and discussion ensued about the various licences required to allow “permanent” use of caravans for habitation. It was decided to contact Dorset Council’s planners regarding the matter.

The representatives of DWT then gave a presentation of the work carried out and proposed at the Corfe River and Furlong Coppice/Stonehill Down. What followed was a question and answer session which went on for about an hour and a half during which the reps were subject to some very searching questions and comments about the past lack of communication from DWT to the Parish Council about the activities in relation to the coppicing at Furlong Coppice and the environmental improvements for the Corfe River. Several of the Members were concerned about rare plants which were under risk due to activities at Furlong Coppice. Financial concerns raised by Members were also brought up and one could describe the questioning similar to that encountered by some “witnesses” at a U.S. Senate Committee hearing. By the end of the discussion and Q&A session, the DWT representatives had been made fully aware of the concerns within the Parish and they agreed to be more communicative with the Parish Council and its trees and project liaison officers.

Cllr Higgins was then elected Chairman of the Parish Council until the November meeting.

Next up came a discussion about the resignation of one of the Councillors and retirement, due to ill health, of another. Both were thanked *in absentia* for the hard work they had performed during their period as Parish Councillors. It was noted the retiring councillor had been in post for well over 20 years.

The Minutes for the September meeting were approved and Dorset Councillor Cherry Brooks gave a report on the Barnston Cross finger post and “A-board” advising drivers of coaches, motor-caravans, etc., that there was no access to the Smedmore and Swalland caravan sites via the Bradle road. The Caravan

and Camping Club would help by suggesting on their website that “SatNavs” be switched off when people are driving to either of those two caravan sites.

There were no planning applications submitted and the results of previous planning applications were noted. It would appear that the Dorset Council planners had taken the advice of CKPC that the thatch proposed at 2 Cotness be of reed.

Under “Highways” it was reported that a road drain close to Jubilee Cottage, East Creech had been overflowing and it was suggested that the outlet was too small for the flow. This may have been due to a collapse of the feeder drain or the mean hydraulic depth of the pipe was inadequate, especially during periods of heavy rain as Purbeck has been subject to since the beginning of September. It was decided to contact DC to try and get a camera drain inspection undertaken.

Our cemetery liaison councillor, who is also a member of the Parochial Church Council (PCC) gave a report on discussion she had had with the PCC and Salisbury Diocese about the access to the CKPC cemetery across St Peter’s churchyard. She was awaiting a reply from the diocese authorities about getting the wayleave/easement formalised.

The Clerk reported that the finances of the Council were in good condition and that the Playground Fund had received a very kind donation from a Parishioner which had swollen its funds a bit. Our dear reader will recall that the fund is kept separate from other Council expenditure so that it doesn’t get swallowed up by other CKPC commitments. It enables the Council to provide a good quality recreational facility for the Parish and, indeed, allows it to buy extra furniture and play equipment for Parishioners and visitors to use throughout the year. Invoices were approved and bills paid.

The storage of CKPC’s records and archives were then discussed and several suggested solutions regarding converted sea containers came up. The Council was advised that that due to the costs it would be necessary to decide on a specification and invite at least three tenders to quote. The policy of “best value” should be used in decision-making. On a similar sort of note, it was also decided to look at prices for a new bench and tree for the playground; this is “work in progress” and further discussion was put off till November’s meeting.

The Council is very concerned about the reduction in its membership due to retirements and resignations. It now has four vacancies which need to be filled. Whilst other parish councils in Dorset are in a similar condition this doesn’t really mitigate the problem. Parishioners can be co-opted onto the

Council and the Parish Council would love to hear from anyone who thinks they would like to serve the Parish community.

That was the end of the meeting. Next meeting will be at the Church Knowle Reading Room on 12th November, beginning at 7:30pm.

CKPC's e-mail is ckpc@gmx.co.uk

Village homes for village people

Latest news from Corfe Castle Community Land Trust

Thank you to everyone who came to the public meeting on Thursday 19th September. For the information of those who were not present, we are delighted to say that over 100 people attended and in a straw poll, well over 70% supported our proposed project.

The projected site is once again on West Street, the entrance being between nos. 98 and 102 where there is a gate into a field. The proposal is for 14 dwellings for rent (mix of 1, 2 and 3 bed homes to be decided) with 6 for the open market, 3 for the Bond family, who are offering the land, and 3 for the developer, Aster. The benefit of these last 3 properties will form a cross subsidy, meaning that Aster will be able to reduce rents to below the nationally accepted figure of 80% of market rent and hopefully to achieve closer to 60%, making them more genuinely affordable for local people.

The main concerns expressed by those not in favour related to traffic and parking, problems of which we are all aware and which will be carefully assessed by Highways when a planning application is made.

The CLT will now move forward as fast as possible to prepare this application, working with the same professional team we used last year and hoping to submit the application in early 2020. Following approval, we aim to have the homes ready within 2 years.

It is probably worth emphasising that **if you would like to be considered for one of these homes in due course, it is absolutely essential that you are on the council list, Dorset Home Choice.** It would also be helpful to be on the Parish Council Housing Needs Register.

Corfe Castle Surgery

By the time this article has been published many of you may have already met our new Practice Nurse Laura Wilcox. We welcome Laura to our ever-expanding Nursing Team. Laura will be working 12 hours a week over 2 days to start with.

We have now had our Saturday morning open flu clinics which were very successful and many of you came along to these. For those of you that haven't yet received the flu vaccine please ring the surgery number and the receptionist will book you into a clinic during the week. Anyone over the age of 65 at the end of March 2020 and anyone in the 'at risk' category is eligible for the vaccine, if you are unsure please ask the receptionist for details.

We are also giving the nasal flu vaccine to any child that is aged 2 and 3 years of age as at 31/8/19 so please phone the surgery to book your child an appointment with the Nurse.

Many Thanks
Tina

Patient Participation Group

Annual Review. Our focal point last month was our annual review meeting on October 10th when we took the opportunity to remind ourselves of the role of our PPG, to review our membership and then to look back over the past year and forward to next year.

Our Chair, Alan Clevett, took us through our annual review report. He outlined our various activities, the most important of which have been the introduction of the popular Health Talks, the Purbeck Leg Club and Carers' Time coffee mornings. If you would like to read the report you will find a copy on the PPG notice board in the surgery waiting room.

It has been a positive and rewarding year for us but of course there is plenty more to be done to support the surgery and its patients so we also discussed our priorities for 2020. We shall continue our existing projects (e.g. topics and speakers for the Health Talks are already being planned). We must consider how we can make ourselves self-funding as we inevitably have some expenses. We are trying hard to find new ways of hearing the views of many more of you -younger, older and whatever your circumstances- and

seeing how we could use the internet to communicate with you. We are here to represent your views! Our final priority for next year is the significant one of supporting Corfe Surgery within its Primary Care Network (PCN). As part of its long-term plan the NHS has recently organised GP practices into PCNs, that is to say groups of practices, with the aim of nationally improving access for patients and extending the range of services offered by primary care. There are 18 PCNs in Dorset and we are in the Purbeck PCN. For further information please refer to the NHS website.

Very many thanks to all of you who supported the surgery's Macmillan coffee morning at the flu jab session on October 12th. We are delighted that you raised £295.66.

Finally PLEASE COME to our last Health Talk of the year. Howard Thomas, professor of liver medicine, is talking on 'Looking after your liver' on **Thursday 5th December** at 7.0 p.m. at Corfe Castle Club.

National Trust Corfe Castle

October half-term

Sat 26 October – Sun 3 November

There will be plenty of fun activities on offer this half-term. Take part in the Great Escape (teddy bear zip wire) and watch missiles launch from the castle's medieval siege engine. Celebrate the colours of autumn with the family castle quest and crafts in the Outer Bailey.

Winter Solstice

Sat 21 December, 7:15-9am

Experience the peace and tranquility of watching the sun rise on the shortest day of the year from the castle ruins.

(£12.50 per person, includes hot fruit punch and breakfast bap. Booking in advance essential).

Winter Lights

See the past in a magical light this Christmas at Corfe Castle. Take in the festive atmosphere with our braziers, beacons and contemporary lighting as you explore the castle grounds. See website for dates and times.

A medieval Christmas adventure with the Lord of Misrule

Journey through the ruins with Corfe Castle's own Lord of Misrule. Learn about medieval traditions and maybe join in with a play or a game or two. See website for dates and times.

Wishing bridge

Visit any day throughout December and share your special memory or wish for the year ahead and place it on our wishing bridge.

Carols in the castle

Get into the festive spirit by joining us and a local choir for festive songs in the castle. See website for details.

Why not try something new? Join our friendly team of volunteers and help make every visit to National Trust places in Purbeck a special one.

We have a wide range of roles available at Corfe Castle, Studland Bay and elsewhere, so you're bound to find something that's right for you.

Corfe Castle needs you! Do you want to give back to the community? Share your love of history and heritage? Do you want to inspire the next generation and bring the past to life for them? Corfe Castle is currently looking for volunteer learning guides to help lead educational visits. Teaching experience is not necessary, but an interest in working with young people is. Detailed knowledge of the castle's history is not necessary either, as full training will be given. For more information please contact cornelia.wagner@nationaltrust.org.uk.

Studland Bay

Become a Coastodian! Our work is all about looking after special places like Studland Bay for everyone to enjoy, and Coastodians are volunteers who love the coast and want to help protect it.

As well as regular drop-in beach cleans at Studland Bay we are looking for volunteers to help our visitors enjoy their time in Studland and look after our second-hand bookshop.

Purbeck

Handypeople: Our friendly group meets twice a week to carry out a range of practical tasks necessary for the upkeep of our buildings and infrastructure across Purbeck. This would suit anyone with DIY skills or trade experience who enjoys working as part of a team.

Gardeners: Our small but dedicated gardening group is also looking for new members to help look after holiday cottage gardens throughout Purbeck, the vegetable plot which supplies our catering outlets with fresh produce and the tea-room garden in Corfe Castle.

For information about volunteering with the National Trust in Purbeck, please contact Rachel Rodman on rachel.rodman@nationaltrust.org.uk.

Dorset survey reveals a record breaking breeding year for tawny owls

The signs are that it has been a good year for tawny owls in Dorset this year, with a record number successfully hatching, bucking the national decline in these birds across the rest of the country. The findings were revealed following a nest box monitoring scheme at Milton Abbas Woods run by local bird experts and Forestry England.

Tawny owls, once a familiar site across England were placed on the amber list of birds of conservation concern in 2015 amid fears that they were undergoing long-term population decline. The Milton Abbas monitoring scheme has been tracking the fortunes of these birds in this part of Dorset since 2014.

The project provides special nesting boxes and follows the owls' progress throughout the breeding season to measure how many young birds successfully hatch in each. This year 22 of the nesting boxes were used by the birds compared to only 13 in 2014. The number of eggs laid increased from 42 to 66, with survival rates for the young bird rising from 66% five years ago to a record 84% this year.

Danny Alder, licenced bird ringer and ecologist who led the survey said; "Tawny owls are very vocal at this time of year as young disperse to find their own territories and pairs communicate with their classic 'tu-whit, tu-who' duet. Given how well these birds have bred this year I expect their song to be well heard across this area this autumn. The record number of birds we found this year is extremely positive.

Mark Warn, Wildlife Ranger for Forestry England, said; "Survey work like this is really important. It helps us gauge whether our forests are providing the right kind of habitats for wildlife and helps shape the way we plant and manage our woods. Tawny owls need many different types of habitats to survive from dense woodland to more open areas for hunting. They also benefit from a mix of tree species including conifers offering all year round cover for roosting birds, and native broadleaf trees providing the foundation of much of the food chain the birds rely on."

To find out more about Forestry England woodlands in Dorset and the wildlife they support follow us on [Instagram](#) and [Twitter](#) using [@DorsetForests](#).

Ian and Gerald from The Dorset and Wiltshire Fire and Rescue Service conveyed their serious message in an entertaining way at our Guest Afternoon in October. With fire stations in Wareham and Swanage, firefighters aim is to be on their way to emergencies in 4 minutes – a far cry from Ian's grandfather's day when, aged 14, his job was to catch the draft horses first.

Prevention is preferred to the cure so we were encouraged to have our homes fire checked, completely free, and many members signed up immediately, having heard of fire risks we had never even thought of. How many of us leave water in our kettles overnight to leak onto the electric plate? How many charge mobile phones etc on a flammable surface? Is your toaster under a cupboard? Certainly more Aquarius members will check now.

We are most at risk when we are asleep so Ian and Gerald demonstrated several fire and carbon monoxide alarms [including aids for the hard of hearing] which should be tested every week. Their advice in nearly all cases is GET OUT! Afterwards everyone enjoyed the special tea with cakes provided by the Committee.

Dates for your diary:

- 5th November** **Filling Bellies not Bins** – Jo Kemp on projects using supermarket leftover food to provide meals for all comers.
- 3rd December** **Christmas Fun and Wareham Handbells.**
- 7th January** **A Taste of Buddhism and Mindfulness.**
- January 18th** **Medieval Banquet**

Visitors are welcome to attend any two meetings in the year for a small charge of £3. Aquarius meets at the Village Hall at 2pm on the first Tuesday of the month.

Margery Clevett - News Editor

Unlock the equity in your home

Want to travel the world, make those long-overdue home improvements, help children or grandchildren on to the property ladder, or pay off an interest-only mortgage?

If you're a homeowner aged 55 or over, a Lifetime Mortgage could help your dreams to become reality.

With a Lifetime Mortgage you could borrow up to 50% of the value of your property without selling your home, with the loan only repayable upon death or if you move in to long-term care.

And with a 'no negative equity' guarantee there's no risk of leaving a debt to your family.

For friendly and expert advice contact Liz Murley on 01202 622223

A Lifetime Mortgage is a loan secured against your property. To understand the features and risks please ask for a personalised illustration. Apex CB Financial Planning Limited is authorised and regulated by the Financial Conduct Authority and is a member of the Equity Release Council.

regular monthly events:

Opening Event

On Saturday October 5th the Leader of Dorset Council, Councillor Spencer Flower formally opened the new rooms at the Village Hall, and unveiled the Honours Board in the foyer. Many thanks to all those in the village who have supported Trustees throughout this project.

Planning a party or a family gathering?

The Bill Carter Room costs Corfe Castle residents £30 for a session, and the Community Hub Room just £15 a session. Each room is fully carpeted and has facilities for making coffee/tea, and access to the new cloakrooms. As usual there are significant discounts for regular users.

For more details contact Carole Speed on 01929 480810

Future plans

Trustees are aware of the reverberation issue in the main hall: work will be carried out in November to address this issue. The priority after this is to raise further funds: to extend the kitchen, to convert the old committee room into a chair store, to add a sound system, hearing loop and digital projector in the main hall and to finish flooring the first floor of the extension.

The Castle Inn

01929 480208

News from the Castle

November is here, dark evenings and dreary days? ... Not at The Castle; with the warm glow of our log fire, the fairy lights covering the entire ceiling and cascading down the walls, giving the whole place a warm tingling feeling.

Wednesdays are now **curry** nights. So, if you fancy an Indian, the castle is the place to be; on offer are different curries and side dishes starting from only £6.95. Advisable to book.

Thursday is **Steak Night** 2 top quality steaks and trimmings for only £12.00 what a bargain.

We really believe in the magic of Christmas, so if you're looking for a Christmas party, why not let us look after you? Prices from only £16.95. If you have not seen it, do pop in and pick up our Christmas brochure. We are really going for it this year ... for **every** party of 10 or more people someone will go home with a luxury **Christmas Hamper**.

This **NewYear'sEve** we are hosting a music through the decades event with a 3-course meal, it is going to be fun fun fun. For only £24.95 pp. Please call in for menus or phone to discuss bookings.

Thank you all for your support and we look forward to seeing you soon.

Wild Seas Centre winter opening

This year we are delighted that the Wild Seas Centre will remain open on selected dates through the winter. We will be open every Sunday (except 29th December) from 12 noon until 4pm. We will also be open on some weekdays but please ring to check before planning your visit.

What's About

Autumn can be a time of storms and strong winds but there are still things to look out for on a trip to the beach. At this time of year there are lots of white cuttlefish bones decorating the shoreline where they have been deposited by the waves. These 'bones' are not like our bones but are really the modified shell of the cuttlefish which is a type of mollusc. Back in the evolutionary past, cuttlefish internalised their shell and used it to give structure to their soft body. It is also used to control their buoyancy in the sea, so that by increasing or decreasing the air inside its honeycomb-structure, they can rise or sink in the water without the need to use energy in swimming. Cuttlefish are closely related to octopus, with suckered tentacles for catching their prey. These animals breed only once in their lifetime, and having done so, they stop eating and die, only living for one or two years. When their soft body has decomposed, the buoyant bone floats to the sea's surface and washes ashore on our beaches.

While cuttlefish bones are frequently found on beaches at this time of year, sometimes more unusual items wash

ashore. If you find anything you can't identify we would be delighted to help if you send us a photo, or post it on Twitter @DWTMarine.

Church Sketches by kind permission of Ron Burniston

The Reverend Ian Jackson writes:

It is now well over a year since the Benefice of St Aldhelm's was formed – this came into being on 1st April 2018; so it is quite a lot over a year.

Gradually, we are getting to know each other. Some might wish we were moving faster. Often, steady steps are the most sure steps, the most enduring.

We continue to discover what may be done together, while at the same time continue to value and appreciate the particular character and circumstances of each church building and its congregations, and the communities within which they are set.

The last of the 3 concerts held in Corfe Castle church over recent months was a very encouraging sign. People from across the benefice came together to rehearse and take part in a very enjoyable evening.

Another very encouraging venture has been the season of prayer which started with the 24 hours of prayer in St Aldhelm's chapel. This was followed by prayer in each of the seven parish churches of the benefice. We began this again at the end of September, and this will conclude with prayer at St Aldhelm's Chapel on Thursday 19th December at 9.30am. As James mercer has written on notice giving details 'for the brave'!

The other dates are:

Tuesday 5th November 9.30am at Church Knowle

Tuesday 12th November 3.30pm at Kingston

Thursday 21st November 3.30pm at Corfe Castle

Wednesday 27th November 3.30pm at Steeple

Thursday 5th December 9.30am at Worth

Wednesday 11th December 3.30pm at Langton

We follow a simple form of prayer from the Church of England's forms of 'Daily Prayer' in Common Worship. This includes psalms and readings and a short time of intercession and quiet prayer. Do come along if you are able and would like to. If not, you might like to think of the life of the benefice at these, or nearby, times,

However, wherever and whenever we pray may our prayer be fruitful for good and blessed by God.

Ian

Church Cleaning

We will be having a church cleaning day on Friday the 8th November – any willing hands will be more than welcome. Any time you can spare between 10am until 4pm would be appreciated. Please bring any cleaning kit you think would be useful.

Odd Jobs In Church

There are many people in the village who are very supportive of St Edwards Church even if they don't regularly come to services.

There are also a lot of small general upkeep jobs which need to be done and the PCC wondered if anyone in the village might like to help the church with keeping on top of these. Examples are weeding the paths or church walls, a spot of painting or other things which arise from time to time. Equally you could come along to the Church cleaning mentioned above.

In the near future, there will be a notice in the church porch with a list of small jobs - if you would like to help, in this way please sign up for any task - contact details will be on the notice.

Many thanks - St Edwards PCC

WHY BOTHER WITH THE BIBLE?

What do you think when you hear the word "Bible"? You may be thinking about a huge and heavy book found in the church, or you may be thinking of what is found in it. A list of do's and don'ts like the Ten Commandments, you may think about Jesus, Adam and Eve, Noah's Ark, David and Goliath...

There are people who have banned the Bible and burnt it, but despite attempts to destroy it or suppress it, more than any other book in history the bible has survived, but even today attacks on the bible continue. No other book has been so attacked throughout history as has the bible. For some the Bible is the most loved book, whilst for others it is the most hated of all. Some would rubbish it without even reading it and others read it but don't understand it.

But why does the Bible seem so in-destructible?

The Bible is more than an ordinary book, it's Unique! It's God's own Word, His Inspired Word, yet penned by humans that He has chosen.

'All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness' (2 Timothy 3:16)

The Bible is God's story to us.

'And beginning with Moses and all the Prophets, He explained to them what was said in all the Scriptures concerning Himself'. (Luke 24:27)

Even today, the Bible continues to be the best-selling publication in the world. I, myself, used to think that the Bible was an ancient, outdated and old-fashioned book until I started to read it. There are now many modern English translations, that can make reading and understanding a lot easier.

'The word of the Lord endures forever. And this is the word that was preached to you' - (1 Peter 1:25)

Celia Taylor (Church Secretary)

Corfe Castle Gardening Club

What stunning pictures we saw at the October meeting! Rupert once again entertained, stunned and amazed us with his photos and videos. Fancy a quiet paddle in your kayak - along with a nosey seal which wants to climb aboard with you? An encounter with a humpback.... watching an otter,... or a beaver..? All that and more. Great stuff.

November 7th is the date for your diary for our next meeting. Usual time and place – 8pm at the Corfe Castle Club, East Street. [Anyone else remember “See you next week, same time, same place, same spot on the dial” as a sign-off line for a show on the Wireless, when Wireless referred to a radio (Cat’s whisker?) and not a computer mouse?]

The subject scheduled for the November meeting is “Summer long colour in the borders”. A nice cheerful topic for a grey winter’s evening. Our speaker will be Rob McGibbon. As many of you know Rob is currently not in the best of health and should he not be able to attend we have a “Plan B”. Members will be notified by email before the meeting of any change.

[A good time to remind members to make sure our secretary, Mike Glover, has your current email address.]

December 5th is our Christmas Meal at The Castle Inn. If you have booked, or are planning to book, please bring your money with you to the November meeting. Numbers need to be confirmed and paid for well in advance of the event.

Remember – winter is not all bad for gardeners; a couple of hours brisk digging, raking, mulching, will warm you up a treat – and its cheaper than putting the central heating up a notch, or two more logs on the fire!

Take care of each other, and the environment,

Best wishes,

David

Harman’s Cross Movie Night

On Tuesday 12 November we’re showing Yesterday at 7.30 in Harman’s Cross Village Hall. This film, created by the unlikely partnership of Danny Boyle and Richard Curtis, is a comic fantasy themed around the music of the Beatles. The

story centres on Jack Malik, a struggling singer-songwriter in an English seaside town whose dreams of fame are rapidly fading, despite the fierce devotion and support of his childhood best friend, Ellie. After a freak bus accident during a mysterious global blackout, Jack wakes up to discover that The Beatles have never existed. Performing songs by the greatest band in history to a world that has never heard them makes Jack an overnight sensation. All is well until America beckons, then suddenly the hard side of stardom rears its head. Yet fear not, the film ends in style with a beautifully judged and surprisingly moving finale. Tickets £5 on the door, which will open, along with the bar, at 7pm.

Langton Arthouse Cinema

In December we’re screening Kursk on Wednesday 4 at 7.30 in Langton Matravers’ Village Hall. This film relates the mournful account of the 2000 submarine disaster which claimed the lives of all 118 Russian crew on board. An explosion on The Kursk, a nuclear-powered Russian submarine, killed most of the men aboard and left the few survivors to huddle in waterlogged and oxygen deficient rear compartments where they anxiously awaited rescue. It was a race against time with oxygen levels running low as the Russian government persisted with the inadequate resources of their own fleet rather than accepting international aid. Whilst Putin famously carried on his holiday at a Black Sea resort, keen to deny any embarrassing state of emergency, Commodore David Russell, played by Colin Firth, offered submersible and divers which were, sadly, kept in reserve by the stalling Russians until it was too late. Tickets £5 on the door, which will open at 7pm. Glasses will be supplied should you wish to bring your own drink with you. If you would like to see trailers for this and future films visit www.LangtonArthouseCinema.co.uk.

Corfe Castle Youth Club

**Youth Club runs in the Village Hall Term time Wednesdays
Ages 11-13 6.30 - 8 & seniors 6.30 - 9**

Cost-£1.00 per session

Trained Staff - Donna & Gabriella

Craft, sports, quizzes and much more! (including penny sweets!)
Part funded by Corfe Castle Parish Council

With support from The Village Hall & under the umbrella of
Purbeck Youth & Community Foundation.

Probus Club of Corfe Castle

The Probus club of Corfe Castle meets at Mortons house hotel on the third Thursday of every month. In October there was a lecture on genealogy. The Christmas lunch is in December. For more information contact the Secretary Stan Layton on 01929 480038

'Climate Change Community Successes'

This will be new feature in the CVN celebrating ways in which our community have reduced their carbon footprint. So, if you've switched electricity supplier to a renewable provider, changed your light bulbs to an eco-alternative or splashed out on a new electric car, we'd love to hear from you! Please email: corfecastlepc@aol.com

Playground survey

Last month the CVN had a pull out page which was a survey of what people would like to see in the playground. If you haven't completed and returned it please do so by the 15th November. The Parish Council are keen to know your views.

AGE UK DORCHESTER ...would WELCOME your ADVICE!

Age UK Dorchester has need of a volunteer to join its **Advocacy** team on a **Friday**, to provide information and advice to older people.

Advocacy is identifying with and representing a person's views and concerns, and respects people's rights to control their own lives and make their own choices. Its emphasis is on empowering people; not solving their problems for them. This may include enabling individuals to write letters or make phone calls and/or representing their wishes or negotiating with an outside agency.

If you would like to help:

Please contact Peter Lindsley on 01305 269444,
plindsley@ageukdorchester.org.uk

Rowan Cottage, 4 Prince of Wales Road, Dorchester DT1 1PW

REMEMBRANCE DAY SUNDAY 10th Nov 2019

OUR TOMMY

In the last few days you will have seen our TOMMY on the church lawns. Our school children have again named a wooden cross for each village serviceman who did not return from WW1. The children will be planting their wooden crosses around Tommy soon after 9am on Thursday 7th November. Villagers are invited to attend, and will be most welcome.

LAMP POST & CAR POPPIES are available from the CC Club bar.

CHURCH SERVICES on Sunday 10th will be at 1030 in St Edwards followed by the procession to the War Memorial in East Street, and at 3pm at Tyneham.

REMEMBRANCE DAY MONDAY 11th NOV at 11am the RBL Branch will as usual be leading a 2 minute silence in the village square.

EXHIBITS & ACTIVITIES

The museum is thrilled to announce the launch of the amazing new app, **PALAEOGO!** developed by Bournemouth University. Come to the museum, borrow an iPad or use your own phone and see prehistoric creatures brought back to life using augmented reality!

IN OUR DISCOVERY ROOM

Geologist information – What is a Geologist? – Notebooks, Geological Hammer, Compass-Clinometer, Hand Lens, Ordnance Survey (OS) Map and Grain size chart. All information about what a Geologist is and what you would need when doing fieldwork.

How to be a rocking Geologist – A hands-on display that will explain the basics of Geology. Pick up a worksheet to complete using the display!

How to dress like a Geologist – Take a look at what Steve wears and why each item is important when he is out collecting more specimens!

Geologist Selfies – Take a walk into our dressing up area! Using the information about 'How to dress like a Geologist' you can now do the same!

(tweet us your Geologist Selfies - @etchescollect)

You can also pick up leaflets to take away & learn more about Geology and fossil hunting!

Please note that the use of hammers is not permitted down on Kimmeridge Bay

Mesozoic Murder Mystery – Match up the teeth with the bite marks & help Ammo the Ammonite solve the mystery? Open the draws on the cabinet for clues!

UPSTAIRS ON THE LANDING

Information on Kimmeridge Bay Cliffs – There is also a wonderful display

showing the levels of stone that you will find down in Kimmeridge Bay &

Mystery Box – Guess what's inside our mystery box and see if you are correct!

Activities onsite:

Fossil Friday
Fossil Mould Painting
Lucky Dip
Fossil Excavation Pit

Take a closer look at our handling collection under the microscope.
Mystery Box – Guess what's inside our mystery box and see if you are correct!

The Etches Collection Shop

Are you looking for the perfect gift or souvenir for any Fossil and Dinosaur enthusiast this Christmas? Then look no further, browse our onsite shop for;

Genuine fossils
Scientific Fossil Replicas
Fossil Hunting Kits
Megalodon Shark & T Rex Teeth
Jurassic Themed Gifts
Dinosaur Themed Hats/T Shirts
Homeware products
and much much more!

Don't forget to visit our online shop at www.theetchescollectionshop.org to view all our wonderful shop items online!

We serve hot & cold drinks onsite with snacks including, crisps, biscuits, chocolates and not forgetting the award-winning Purbeck Ice Cream!!

If you require any more information, please visit our new website on;

Or phone us on 01929 270000.

Sing Bach & Mozart With The Purbeck Arts Choir This Autumn

The Purbeck Arts Choir is delighted to welcome **David Fawcett** as our new Musical Director. We are a friendly non-auditioned choir, presently numbering around 60 singers in all voice parts (SATB). For his first concert with us David has chosen music by two of the greatest composers of choral music – Bach and Mozart, reflecting his intention that the choral greats of the last four centuries should form the backbone of our repertoire.

Information about the choir, a rehearsal schedule and the pieces we will be singing in December are all on our website: www.purbeckartschoir.org.uk. Enquiries to David - david.fawcett@rocketmail.com.

Keep Warm for Less in Dorset

Do you live in Dorset and have a household member with a disability or health problems?

Citizens Advice can help you to:

Use your heating system and controls in the home to save money.

Look at ways to reduce your energy costs

See if you are eligible for extra income,

Consider options if you are behind with your bill or struggling to top up your prepayment meter.

Resolve issues with your energy supplier.

“Keep Warm for Less” is available from your local Citizens Advice or by home visits where required. For help call Citizens Advice Energy Line 01929 775500

Summon a Digital Champion and get online for Halloween

Don't be spooked by digital technology this Halloween. If you are struggling to use the computer, tablet or smart phone to look up 'what's on' over half term and Halloween there's help at hand.

Superfast Dorset has a network of 70 volunteer Digital Champions who offer free, one-to-one computer help sessions in libraries and other venues across the county and they can help you get online and develop your digital skills.

There's a wealth of magical things to do this half term around Dorset from

wand making on Brownsea Island to spooky Halloween trails, free entry to a museum if your (grand) child is in Halloween fancy dress, through to a seashore safari trail – but most information is only available digitally.

Cllr. Gary Suttle, Portfolio Holder for Economic Growth and Skills, said: “If you struggle using computers, tablets, smart phones or are just a bit rusty you are not alone. It is a common issue, around 150,000 people across Dorset are not confident using a computer and 70,000 of these have never been online. If you are unable to use digital technology it means you can miss out on simple pleasures such as sharing family photos.

“Your Digital Champion can help here and also show you how to use Skype to keep in contact with your friends and family wherever they are. You could have a weekly chat with loved ones and even feel part of birthdays, christenings, weddings digitally.”

Superfast Digital Champions are ready to provide you with all the help you need from switching on a computer and using the internet safely to managing email and digital pictures and, of course, finding information from reliable sources. Visit them on a regular basis or just once to learn digital skills so that you can show your family how to safely use the internet.

To get help from a Digital Champion simply call 01305 221048 or [visit our pages](#) and we will match you with a friendly volunteer in your area who will help you feel right at home in the digital world.

If you use the internet but want to become more confident in accessing information, you could [try one of these online courses](#)

Christmas Events

23rd November Winfrith Preschool are holding a Christmas market 10.00am till 2.00pm at Winfrith Village Hall, there will be craft stalls, cake stall, book stall and many more, there will also be a raffle, tombola, children's games, refreshments of hot turkey rolls, tea, coffee and mince pies, and see Santa arrive in his new Capri, free entry.

24th November St Johns the Evangelist Church are holding The Colour of Christmas event, the church will be decorated in the colours of Christmas, there will be a tombola, crafts, book stall, bric a brac, and refreshments of hot turkey rolls, tea, coffee and mince pies, children will be able to make decorations and put them on the Christmas tree everything starts at 11.00am and gates shut at 2.00pm entry free.

Are you willing to volunteer?

The Corfe Castle Town Trust is looking for **VOLUNTEERS** to help record and maintain the history of the village, assist with putting on exhibitions or help with the maintenance of the old Town Hall and Museum?

Are you interested in local history?

If so please contact Louise on:

Tel: 01925 481375 or mlouisehaywood@gmail.com

The Corfe Castle Town Trust Requires a New Trustee

The Trust was set up in July 1889 to repair and maintain the Town Hall and consisted of 8 trustees which has grown to 4 nominated trustees & 8 co-opted trustees. There are 4 meetings a year.

The Trust is now looking for another co-opted Trustee (an interest in insurance would be preferable).

If interested please contact

Emma

emma@elouisa.co.uk

Bigger, Better, Brighter.

Three words which we hope will be used when people talk about this year's Purbeck Hills Christmas tree festival. At the time of writing this article we already have more trees pledged than ever before. Now it's down to the good people of Purbeck and the surrounding area to come along and enjoy the moment, take in the atmosphere and treat yourselves to coffee and perhaps a piece of cake or two available at the refreshment table, let's see if we can raise more money than ever before to help support our two deserving charities, the Dorset and Somerset Air Ambulance and Amelia's Rainbow. The festival starts at 9am on Saturday 30 November and runs until 4:30 on Monday 2 December at St George's Church, Langton, admission is free.

Crossways Travel 10th Anniversary

Crossways Travel celebrated their 10-year anniversary on September 22nd in Weymouth Centenary Club with a free buffet, a glass of wine, entertainment and of course their 2020 Holiday Brochure Launch. The turnout far surpassed the organisers' expectation with nearly 400 guests making time to come and wish them happy birthday. It was a fantastic evening and they also had a charity auction raising funds for local charity Mosaic.

Crossways Travel, set up by Kadi and Matt Crocker, initially started out as a small community group offering days out from the local villages. The company has now become well respected within the tour industry and offers a large range of fully escorted day excursions and European and UK holidays with pickups all around Dorset offering a truly personal touch.

On the photo at the front from the left Sonia Abbiss (office manager), Kadi Crocker (owner), Penny Bayley-Maynard (tour manager), Matt Crocker (owner). Back row from the left Andy Dunoris (driver) and Jeff Holmes (driver).

Any Questions?

Social Media – Blessing or Curse?

The November session of Any Questions is focused on Social Media which is currently a topic very much in the forefront of the press and TV. Social media has a very powerful influence on our young people, so this meeting is planned in cooperation with the WAVE team.

Andrew du Feu, Vice Principal of Moorlands Bible College and Director of Youth and Community Work Studies has been invited to lead a discussion and there will be plenty of opportunity for questions.

The meeting will be held at Swanage Methodist Church, High Street, Swanage on Tuesday 12th November and will begin at 7.30pm – coffee/tea will be available from 7pm onwards.

All welcome.

Pioneer View November 2019

Dear Friends,

This month's pioneer view finds me a reflective mood. So, I would like to take this opportunity to share some of these reflections from this past year.

This year I feel the Growing Compassionate Communities charity has really found its feet and its place in the world.

It seems to have discovered its identity and purpose in engaging its vision of in terms of its journey:

So, what's our vision then and purpose growing compassionate communities?

A compassionate community may be described as a community that identifies and seeks to be inclusive through engaging and reintegrating vulnerable and marginalized groups that reside in the local community.

Growing compassionate communities is primarily about a community working towards inclusiveness of all diverse groups and peoples. This concept seeks to grow communities that are compassionate and that seek to include groups on the margins of the community by becoming sensitive to their needs and journey.

On reflection we seem to have made significant progress in engaging with its vision as well as seeing and growing hope. In a nutshell we seem to be beginning to make a difference in both the many communities' people we seek to travel with.

In the light of this I would like to revisit our philosophy that underpins our journey in the form of a powerful narrative

"A young girl was walking along a beach upon which thousands of starfish had been washed up during a terrible storm. When she came to each starfish, she would pick it up, and throw it back into the ocean. People watched her with amusement. ... Inspired, by the little girls' actions they joined the little girl in throwing starfish back into the sea.

This little girl made a difference to each starfish she threw back into the ocean.

Looking ahead there are still a few more starfish to throw back into the ocean, these include:

A monthly carers group that happens every 3rd Wednesday at 1030 in Corfe Castle village hall and of course the carpet bowls activity that happens every 3rd Thursday

All welcome to join us for these community events.

Hope to see you there

Go well

Harmans Cross Village Hall – November and December Events

MOVIE NIGHTS Tuesday 12th November – **YESTERDAY** - This film, created by the unlikely partnership of Danny Boyle and Richard Curtis, is a comic fantasy themed around the music of the Beatles.

Tuesday 10th December - TBA

JAZZ NIGHT Saturday November 30th sees another fantastic evening of music courtesy of our friends at the Swanage Jazz Club with Remi Harris playing a Duo set on 30th November - doors and bar open at 7.00pm. Remi Harris is a young guitarist from the UK whose unique style draws inspiration from artists such as Django Reinhardt, Jimi Hendrix, Wes Montgomery and Led Zeppelin. He has performed at the Montreal Jazz Festival, Buckingham Palace, BBC Proms at the Royal Albert Hall with Jamie Cullum in 2017, on BBC 4 Television and live on BBC Radio 2 & 3. Locally he played to ecstatic full house audiences in the Con Club at Swanage Jazz Festival in 2015 and 2016.

Tickets priced at £13 available from Swanage JAZZ Club Ticket office 01929 422215 or from the Ticketsource link on the Village Hall website www.harmanscrosshall.co.uk

MUSIC NIGHT - Saturday December 7th – a welcome return of ‘Driftwood’ getting you into the Festive Spirit playing music from the 60s to the present day. Plenty of opportunity to sing along! Guest singer Chris Stone. Tickets priced at £12 available from Bob Bunyar 01929 289209, from Foleys Garage or from the Ticketsource link on the Village Hall website www.harmanscrosshall.co.uk

SPECIAL LIVE MUSIC NIGHT Friday 20th December, BENEFITING LOCAL CHARITIES, details TBA

COFFEE JUNCTION fortnightly - November 14th, 28th, Dec 12th. This is a lovely little group of villagers, just meeting to chat and share coffee and biscuits. Why not come along and join us? Free to come in, free car parking, and a warm welcome.

STALLS IN THE HALL Next one is Saturday December 7th from 9.00 a.m. Stalls fully booked (sorry) Coffee, cakes, crafts, warmth and friendly stallholders. Public welcome from 9.30- admission free!. Don’t be late or you’ll miss all the bargains.....

POST OFFICE – Every Thursday from 9.30 – 11.30 a.m. Most PO facilities available with no queues and no parking problems! Most post office services available!

CHURCH SERVICES (6.00 p.m.) Sunday November 17th, Dec 8th

PURBECK U3A ARCHAEOLOGY GROUP Friday Nov 22nd,

PURBECK U3A MONTHLY ‘MEETING POINT’ (9.00 a.m.) Thursday Nov 28th,

PURBECK U3A QUILTING GROUP Thursday Nov 7, 21st, December 5th

At Margaret Green Animal Rescue we take in pets that have become homeless due to a change in circumstances, or that have been neglected, mistreated or abandoned. We pride ourselves on the standard of care each animal receives and finding forever homes is at the very heart of what we do.

The animals at Church Knowle are waiting to meet you! Take part in the visitor trail and children's quiz or simply wander at your leisure and meet the animals in our care. Enjoy and relax with a cup of tea or coffee, cake or ice-cream in our café.
