## Editorial

We have had a wonderful spring with bright sunny day following bright sunny day. After all the late winter rain our gardens have been blooming in a wonderful way. However the problem we are now beginning to face is a lack of rain – would you believe it after all the rain we had earlier.

Coronavirus is still crippling the country and our own community. The quiet of the total lockdown has now been replaced by the return of quite a few visitors, despite the fact that nothing in Corfe is open apart from the shops. We must hope that everyone keeps to the Government rules and we escape a new round of infection. I must say that the shops have been doing a wonderful job keeping us all supplied. Thank you to everyone who has been involved in getting our packages ready and delivering them.

The summary of the current CVN accounts is towards the back of this edition. You will see that we have made a slight profit and almost recovered the losses of the two previous years. Normally at this time of year we would be sending round envelopes for people to make personal contributions. However because of the lockdown and social distancing we won't be doing that at the moment. We will probably have to come back later in the year.

Stephen

## CORFE CASTLE PARISH COUNCIL

### MAY AT THE PARISH COUNCIL

The Council were unable to meet physically in May due to social distancing measures so held their meeting “virtually”-by video link-; a provision allowed by a recent Act of Parliament. The public were able to view, or listen in, and they did. It was a productive meeting and the facility to meet virtually enabled the Council to proceed with their business.

The Council noted the resignation of Cllr Mandy Platts and the Chairman thanked Cllr Platts for her work on the Council. Cllr Platts made a significant contribution to the Environment Working Group.

**The Council now has two vacancies** so should anyone be interested in representing the parish on the Council please contact the Clerk.

**During the public half hour** Peter Bowyer expressed his concerns about the democratic input into virtual meetings held by Dorset Council; particularly in relation to planning.

**Tracey Churcher, General Manager of the National Trust for the Isle of Purbeck, attended and addressed the Council** regarding the Trust’s gradual reopening in light of new government regulations on exercise and unrestricted travel to access exercise on a daily basis (No overnight stays are allowed). Tracey advised that Studland had experienced a high volume of visitors the previous weekend, despite lockdown, and that going forward she suspected visitor numbers would increase. The Trust’s approach is to try and mitigate the visitor impact on local communities by gradually opening car parks and beaches to encourage visitors to remain outside of communities. The Parish Council have since been advised the Trust’s planed date for reopening Castle View Car Park is the 1<sup>st</sup> of June. To date there is no date to open the castle but when they do so it will be on a ticket only basis and operating at 30% of capacity. **Tracey emphasised the Trust want to engage with the community and the Parish Council.**

The Parish Council stated that whilst they appreciated the Trust’s intentions to mitigate the impact of visitors they felt that with the current risk of infection so high it was **too early to be opening up Purbeck**. The PC have no plans yet to reopen the toilets in West Street.

The Trust had been asked why planned work to address a number of incidents, that occurred last year, with **cows on West Hill** had not been carried out? A trough was to be moved and a possible diversion to be implemented. There is now a herd on the hill and no measures have been implemented. Tracey reported they were going ahead but staff had been furloughed which explained the delay. She hopes to have actioned this by mid August. The PC have recently received a complaint about an **incident with the cows in the Middle Halves** which Tracey will investigate.

## CORFE CASTLE PARISH COUNCIL

Tracey was asked to comment on **Scotland Farm** and if the cottage there would be let residentially or as a holiday let. She replied it is intended as a holiday let but she would be conducting a **review of housing to see if any of the properties in the centre of the village could be let residentially to local families**.

Cllr Fooks enquired about the installation of a tap at the allotments. Tracey will follow this up.

The Council had received correspondence supporting the **purchase of a speed indicator device (SID)** and were asked to vote on the purchase and installation of a SID which will spend six weeks outside of Castle View, and six weeks on the Swanage end of East Street towards the village centre on a rotating basis. The Council have received three offers of help from volunteers who will move the SID. This is much appreciated so thank you all.

Cllr N Dragon was against the expenditure. He felt it could not be justified as the Council represent the residents of Bushey, Kingston and other areas who will not benefit from the purchase.

The vote carried 6-3 in favour of proceeding and the Clerk will liaise with Dorset Council to get the SID installed.

The Council have received further correspondence relating to speeding at the exit to the village on the South side. They are liaising with Dorset Council to look at how speed could be reduced; a SID being one of their recommendations. An initial request to extend the 30 MPH limit or implement a 40MPH prior to the existing 30mph was declined on the basis there is no evidence (collision data or speed survey data ) that there is a speed issue within the southern boundary of the 30mph limit. The council will revisit this issue

The Council considered expenditure to **improve the surface of the West Street Residents Car Park**. Cllr Clarke asked whether the Council wanted to install a longer life surface in the car park or continue operating on the existing basis that the car park has regular top ups (at a lower cost each) but with the risk of recurrent problems. Proceeding with a longer lasting solution would require a substantial investment of reserves which could be paid back over several years from any surplus income from the car-park fees.

The Clerk had sought quotes from contractors to put a hard surface through the centre, costing in the region of £10,000 plus subsequent costs for sufficient drainage. Cllr Fooks had suggested a more environmentally friendly cellular product which could be filled with gravel. Initial indications were that the cost would be equal or more than the price of tarmac.

## CORFE CASTLE PARISH COUNCIL

The bad condition of the surface is exacerbated by the volume of through traffic which uses the carpark as a thoroughfare, including the dustcarts. The Council resolved to seek permission from Dorset Council to **close the first entrance to the carpark**, therefore reducing through traffic and minimising wear. It may be that with the reduction in traffic the requirement for an improved surface is not there. If permission is granted and a barrier installed pedestrian access will remain.

The Council were asked to consider the authorisation of expenditure on a planning consultant of up to £2000 in total to help the PC comment on the forthcoming planning application for **the extension of Swanworth Quarry**. This is to cover initial advice and to aid in presenting comments on the application. The Council would not necessarily seek to oppose the application but given the historic interest and concern from parishioners regarding the application, they felt they should have the expertise to scrutinise the application on behalf of the parishioners who are affected by it.

The proposal met opposition from Cllr N Dragon. He felt that it was a waste of public funds as Parish Councils are not statutory Consultees in the planning process. He also stated that Suttles Quarry, who will submit the application, have always strived to address any queries of the Council, are a significant local employer and that quarrying is part of the fabric of the area.

The vote was carried 6-3 in favour of appointing a planning consultant.

**The Gods Acre Trustees** have historically managed the Gods Acre Cemetery on behalf of the Parish Council, who are the burial authority, and for many years have generously given their time to do so. In March the PC resumed responsibility for the running of the cemetery and the Parish Council were presented with a paper composed by the new Clerk to the Gods Acre Cemetery, Gill Sellen, and the Chairman. The paper outlined the financial position of the cemetery and a plan for moving forwards. The Council resolved to make some amendments to fees and to carry out some initial repairs in the cemetery. Several points will be revisited at the next meeting.

**On planning matters**, the Parish Council had no objection and actively supported a proposal for re-alignment, improvements & re-opening of existing east access track at Glebe House, Bucknowle, Wareham, BH20 5NS. Council members have raised concerns about a National Trust Treeworks application to remove a number of trees on the castle mound. They are liaising with the National Trust who have provided a statement explaining the works are being carried out to protect the scheduled ancient monument.

## NOTICE OF VACANCY IN OFFICE OF COUNCILLOR

### PARISH OF CORFE CASTLE

#### NOTICE IS HEREBY GIVEN

Pursuant to Section 87(2) of the Local Government Act 1972, that Mandy Platts formerly a Member of the above named Parish Council, has ceased to be a Member of the Parish Council, and that a vacancy now exists in the office of Councillor for the Parish.

If within 14 days after the date of this notice (i.e. no later than 4 June 2020), a request for an election to fill the vacancy is received by the Returning Officer, either by email, [elections@dorsetcouncil.gov.uk](mailto:elections@dorsetcouncil.gov.uk), or by post, to South Walks House, South Walks Road, Dorchester, Dorset, DT1 1UZ by TEN electors for the Parish, an election will be held to fill the vacancy, otherwise the vacancy will be filled by co-option.

If an election is called, a poll will take place on the 6 May 2021 as a result of the Local Government and Police and Crime Commissioner (Coronavirus) (Postponement of Elections and Referendums) (England and Wales) Regulations 2020 and the Coronavirus Act 2020.

The Government has indicated that the situation will be kept under review, and if safe to do so, further legislation will be laid that will permit casual vacancy elections and referendums sooner than the 6 May 2021. If this is the case we will publish a revised notice.

Dated 14 May 2020

Ali Burnett  
Clerk to Corfe Castle Parish Council

## CORFE CASTLE PARISH COUNCIL

### YOUR VILLAGE NEEDS YOU!

On the previous page is a rather formal notice inviting applications for a vacancy for a second Parish Councillor, which probably puts you off applying!

We already have one vacancy and the Parish Council can make a quick decision on filling it. You may think being a Parish Councillor means lots of boring meetings!

The formal commitment is one Council meeting a month but we are looking for residents who love this Parish and want to see it looked after and improve. We want you to be our eyes and ears and find out people's concerns and then participate in decisions.

The Council does have responsibilities for some areas of the village such as the playground, sports field, God's Acre and the toilets. But we look at everything that affects the village including planning, traffic and parking and we work closely with Dorset Council and our Dorset Councillor Cherry Brooks. We also have a close working relationship with the National Trust.

Anything in the news nationally will affect us. We are concerned at climate change and have an active environmental and bio diversity group. We helped establish the Community Land trust. We have been active in promoting local support to deal with the impact of Corona Virus.

Boring it is not!

If you would like to think about becoming Councillor and want further information please speak to Ali our friendly Clerk (426125) or myself (480095).

Corfe Castle Parish Council

Supporting Each Other Through The Coronavirus Pandemic

Corfe Castle Parish Council wish to support Parishioners through the emerging coronavirus (COVID-19) outbreak by encouraging the creation of a neighbourhood network that can support the vulnerable and isolated if large numbers of parishioners need to self-isolate.

The national advice changes rapidly and our Parish website has a link to the NHS one: <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-advice/>

**AVOIDING THE VIRUS**

Do all you can to avoid getting ill! The regular hand washing advice continues. The Government is advising against social mixing for adults and urging self-isolation for the elderly and for vulnerable people possibly for a very long period

**SEEKING MEDICAL HELP**

If you think you might have coronavirus, for example a new continuous cough and /or fever self-isolate for 7 days (households 14 days) Do not visit the doctor's surgery. Ring 111 only if you are very unwell. However do tell your contacts.

**SUPPORTING EACH OTHER**

**Arrange now to plan your help:** Contact family, friends and neighbours about supporting each other: take each other's phone numbers and e-mails so they are easy to find.

For those who are not vulnerable Is there any one you know who doesn't have regular visitors e.g. those new to the area, those who live on their own? **Please make contact and offer support/exchange numbers etc.**

If one of your links has to self isolate ring each other **every day** to ask if something needs collecting (milk and food, newspapers etc) and to see how they are.

**CAN YOU HELP?** If you are willing/able to help others with errands through this crisis please email Ali at [corfecastlepc@aol.com](mailto:corfecastlepc@aol.com)

**IF YOU STILL NEED HELP**

Ring me if you need non-medical and non -emergency help and your neighbours can't help 01929 426125 (between the hours of 9am-5pm), [corfecastlepc@aol.com](mailto:corfecastlepc@aol.com)

## **Corfe Castle Surgery**

Again this month we would like to take the opportunity to thank everyone in the community for their efforts to observe social distancing measures at this very difficult time for the safety of the community.

Also a huge thank you to the large number of volunteers who are still offering their support and services locally to our most vulnerable.

We would also like to take this chance to politely remind people that the requirement for social distancing is vital and it is crucial that it continues irrespective of the finer weather. Refer to [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus) for further guidance.

We would, of course, stress the importance of remaining healthy and appreciate how integral daily exercise is and how it is to be carried out alone or with someone whom you reside with.

Dr Lepper would like to thank you all for your continued patience and understanding at this unusual time but please remember that if you have a medical problem or concerns call the Surgery as normal where your call will be triaged and you will be asked to attend if the GP feels it necessary. Although limited, Emma and the Nursing team are still carrying out routine appointments as much as possible, such as dressings, vaccinations cervical screening and blood tests.

As most of you are aware, Tina has now officially retired but will continue to support the Surgery as and when required as a Bank Practice Nurse. We have said goodbye to Laura as Practice Nurse and also Tracey as Dispenser and we wish them both well in their new jobs.

So finally, we would like to make a plea for everyone to be patient with our dispensary staff who are now working under great pressure to ensure that your medication is available in our 72 working hour time frame.

Many Thanks

Kerry Norman

## **Patient Participation Group**

The national picture hasn't changed much since our last article a month ago; with some minor easing of the regulations we remain in Lockdown with major restrictions still in place to reduce the risk of spreading the virus. It is still

sometimes hard to believe how much our lives have had to change in recent weeks.

Here in Corfe, despite the difficulties being experienced by young and old, people are proving to be remarkably adaptable. Examples of helpfulness, kindness, humour and stoicism abound. We are lucky to live in this village. We are lucky too, as we well know, with our surgery. The enforced new routine there is now becoming familiar to us all and the surgery team is coping well with the extra pressures. Please remember that they are still very much 'there' for us so if you have a health problem don't hesitate to contact the surgery if you need to. You can contact the Surgery by telephone as normal and if clinically necessary you will be seen in person by the GP.

The PPG may have had to postpone its 2020 programme for the foreseeable future but we nevertheless remain active! We keep in touch with each other and will be holding our quarterly meeting, a 'virtual' one, later this week. As you know our role is to represent the views and interests of the patients here. It is particularly important at this time of change for us to help the surgery by passing on to them any feedback you may give us so if you have any comments or suggestions please phone Alan Clevett on 07801 653003.

The paragraph above mentioned staying active. Turning to a different sort of active, that is staying physically active, May was to have been the month for the Dorset-wide Purbeck Pledge fitness initiative and to play our part we had planned to be arranging walks in and around our lovely village, outdoor exercise groups and other activities. Instead Alan, our Chair, and Erin, a new member of our PPG, have together been considering how to encourage us all to stay active whilst at the same time paying careful attention to the Government's 'Stay Alert, Control the Virus, Save Lives' edict. They remind us that it's important to get out for exercise at least once a day if you can but if you can't do that or want some ideas here are their suggestions:- a) online fitness sessions especially two particular websites for all ages and stages – HASFIT with standing and sitting indoor exercises, and Go4Life, b) several TV sessions, presented by various celebrities and worth looking at and c) the local Nordic walking group WALX who are great supporters of our surgery and PPG and have an excellent website and Facebook pages with ideas for exercising during the current crisis. NHS England suggests that adults aged 65+ should aim to be physically active every day and do things that improve strength, balance and flexibility at least twice a week. Alan and Erin end with 'chin up, shoulders back, neck and shoulders relaxed... and get started'! Let's give it go, shall we?

Life isn't easy at the moment and we wish you all well.

## Corfe Castle Village Hall

### Covid-19:

In these unforeseen, uncertain and troubling times the safety and well being of everyone that uses our Village Hall is our priority. At the time of writing the village hall is therefore currently out of action, and will remain so until government policy on lockdown changes.

### general news:

During the first three months of this year we were delighted that our regular users continued their use of the upgraded and extended Village Hall. Over the last year we have seen several new groups using the facilities. Our regular users include dance, environmental awareness and health topics, and these will surely become even more relevant to us all, when the restrictions start to be lifted.

In the meantime we will preserve the usual booking slots for all our current regular users, and listen to any new ideas you might have about activities in the future, and how we can best work with you to ensure the facilities we offer are most suitable.

### 100 club:

The 100 Club draw usually takes place at the VH coffee morning on the first Saturday of the month. These events aren't happening at the moment, but the May draw has nevertheless still been made: first prize of £20 was won by member 26, with member 53 getting second prize £10 and member 32 winning the third prize £4.50. We will retain these prizes until restrictions are lifted when they will be distributed to the recipients as normal. Similarly we are asking 100 Club members whose subscriptions are currently due to hang on to their money at the moment unless they wish to pay by BACS. Please do not send cash or cheques to Penny. If BACS payments are not possible, she will be asking for their renewal cheques or cash once restrictions are lifted.

Profit from the 100 Club plays a significant part in supporting the everyday running costs of the Village Hall. With no income from bookings currently, this support is even more valuable. If you would like to discuss becoming a 100 Club subscriber, please contact Penny Barker on 01929 481477.

## National Trust Corfe Castle

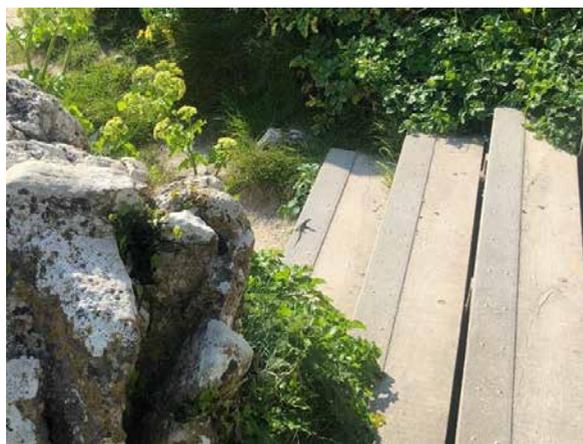

### NT Purbeck Updates

**National Trust**

As the lockdown seems to continue, the NT in Purbeck, in a very reduced capacity are still present, looking after the landscape with the same care and attention as always. Essential daily checks are being carried out, in line with government directives, by lone staff members across Corfe Castle, Countryside and Studland bay. With over 70% of National Trust staff furloughed, the way our organisation works is changing, some things in the short term and some in the long.

Some good news stories - Corfe Castle has seen the introduction of 27 happy and inquisitive Soay sheep. These sheep will be in the castle during the time when people will not, keeping the grass tidy and keeping a watchful eye on the ancient monument. Fun fact; the word Soay comes from the Viking language of nourse and roughly translates to 'sheep island'. Quite fitting that they are now our treasured sheep on the isle of

lizard confidently sunning itself on the wooden steps leading into the keep. We

Purbeck, in a castle that has seen the times of the Vikings.

With the castle being closed, and human footfall limited to two people a day, nature in the Castle is beginning to feel bolder and more at home in its surroundings. On one of my recent visits to the castle for an essential daily check, I spotted this common

have recently learnt that Peregrines are nesting in the castle. Ranger Jonathan made the discovery on one of his essential daily checks. Jonathan observed that their behaviour indicates that they are incubating eggs and that the trusty and long-standing castle ravens are no longer to be seen. For this reason, we have made the decision to turn the castle lights off and we shall be keeping a close eye on how they are doing.

On the way home from one of his essential site security checks, Operations Manager James made a trip to Poole hospital to drop off some of our many Cadburys Easter eggs, to give the dedicated NHS staff a small treat. This was very gratefully received, and James made it to the Poole Hospital Charity Facebook page with a touching 'thank you' message from them to us.

Aside from the daily checks, I am currently working on what our 'events and programming' will look like for when we return to an open Corfe Castle as well as keeping our social media channels busy with content to keep our supporters entertained while they must stay inside. We will be stepping into un-charted territory when we do emerge from the other side of this pandemic. Our visitor offer may look very different as we bare people's requirements to social distance in mind. Until then, we will ensure that the castle and the landscape kept safe and in best condition until our trusted, locals, members and supporters return.

Piece by Anna DuRose – Senior Visitor Experience Officer, Corfe Castle

### Not going Nuts in May

The lifeline of our daily exercise walk has been what has kept many of us sane over the past two months. As spring unfolds around us in a countryside that is emptier of people than it has been in decades, the abundance of nature here feels more important than ever before. If you are going to be locked down anywhere, Purbeck is probably as good as it gets.

The heaths are alive! Everyone loves a sand lizard, and May is egg-laying time. The males are at their most vibrant green at the moment – a show to impress the females but handily making them easier for us to spot as well. Look out too for small D-shaped holes in south-facing sandy banks; these are where they have been excavating with their tails to find suitable egg-laying spots. It's easy to see some of the country's rarest birds on the heaths in May too. The Dartford warbler – having recovered from less than 10 pairs in the whole of the UK in the 1960s – is now abundant here: look for the small reddish-grey bird with a bad haircut and scratchy voice singing from the top of the gorse. For me, though, spring really came to life with the arrival of the nightjar a

week or so ago: hidden by day but walk through the heath at dusk and you'll hear its churring call, an exotic, almost tropical sound that makes our cold, wet winters seem a long way away.

David Brown, Ecologist, National Trust

### **Life as a National Trust Ranger in Lockdown**

Having worked as ranger for the National Trust for over 15 years I thought I had seen and dealt with most things a diverse job can throw at you but adapting to life in lockdown whilst ensuring essential work continues has been a completely new experience. I have had to be extra cautious in observing social distancing measures as my wife is 30 weeks pregnant, we have been isolated at home now for 8 weeks.

My first task was to build a makeshift desk in the spare room so I could continue to work. Keeping in touch with the team now takes the form of meetings via video conference with colleagues in various home-based settings, sometimes children and pets too which adds an extra dynamic. Fortunately for me in order to ensure sites are secure and livestock are checked daily my duties still include some time outdoors. The Purbeck countryside is strangely quiet, very different on a sunny spring day to what I have come to know so well as I set about searching the heath for the Trusts herd of ponies. Many of the ranger team have been placed on furlough leave with just a few of us left to ensure safe working but there are still practical tasks to attend to, recently fixing a broken fence proves a challenge when working alone.

Having time outdoors both in and out of work time has proved vital for morale. The daily walk with the dogs on Corfe Common has become part of our routine. The excitement of expecting our first child is sometimes overshadowed by the uncertainty of the situation facing the country and not being able to see friends and family is hard for everyone. Keeping busy has been key. We have been out orchid-spotting, peregrine watching and just generally getting lost in nature. Now in the third trimester of pregnancy walks are getting slower, shorter (and with less hills!) but we feel very lucky to have such beautiful countryside on our doorstep.

Aren't we lucky to be living in such a lovely place watching Spring emerge? One of the sunniest Springs on record has helped to lift all our spirits. The committee has continued with its weekly ring round of members and we are pleased to report that most of us are doing o.k. Keeping in touch at this time is very important and it's good to know that there is always someone we can turn to if we need to.

Aquarius was asked by Livability at Holton Heath to help make scrubs for health care workers. We put the message out to our members and some of our group with sewing and cutting skills took up the challenge. Members donated bed linen and other polycotton fabric then, with a pattern created by Central Saint Martin's Foundation team, we made the fabric into scrubs.

This was the first one to be finished. Meanwhile, some of us have also been busy knitting hats for premature babies.

Mindful of the problems facing charities at the present time we have given interim payments to the charities we are supporting this year.

We are still hopeful that before the summer is out we will be able to come together in some shape or form reliant on complying with all the guidelines for safety.

Stay safe over the next month.

Susan Jessop, news editor

### **Ian Jackson writes:**

If you'd never been to a particular pub, cafe or restaurant before and all you had was a copy of the menu (no photos, website etc.. available) you would be able to tell quite a bit about it. The type of food on offer, and the prices, would be a good guide; so, also, would be the design and the language of the menu.

It can be the same with churches. I guess the equivalent to the menu would be the noticeboard – again, for the purpose of this letter, no photos, websites etc allowed! You can, of course, decipher the language more easily if you're 'in the know'. If the main Sunday morning service is 'Choral Eucharist' you'll know it is very likely to be more formal, and include traditional language and music, than if the service is billed as 'Morning Praise for Everyone'. The latter is likely to be more suitable for those with lively young children and those, of any age, who prefer informality. However, it is very easy to make assumptions. I have read several times that some younger people (mid teens onwards) like traditional music and words, and a contemplative approach, more often than you might expect.

Back to the menu. (I realise that websites have menus, but they're not available for our present purposes). You may well be thinking if you're hungry and in need of a good meal you won't be too fussy about where you go. Similarly, if you're keen to join with others in worship your main concern will not be the style of the service, you're just glad to have such an opportunity.

The situation is somewhat like this at present; not just in terms of food and worship, but all aspects of life. Our choices have been limited. This makes us all the more glad of the opportunities that we do have. In the process we may well be discovering, or re-discovering, what we feel really matters, and also that some things which are not our immediate or natural choices are quite good after all. Some may not have been so keen to try zoom church services. I guess quite a few were very disappointed when there was a problem which prevented us joining in the service recently. The same problem delayed the No 10 daily briefing. (The services are available afterwards when they have been edited on the Benefice website – which is allowed!)

Before I started this letter I re-read what I wrote last month. We're entering a different phase but much of what I wrote remains valid. Do continue in prayer for everyone. Pray too for wisdom as we adjust yet again to changing circumstances. Don't forget there is a lot of help available and details are in this magazine.

Take care everyone.

Ian

### **The 3 Parishes Fete - Church Knowle, Kimmeridge and Steeple**

The fete committee has reluctantly, but understandably has taken the decision to postpone the fete from this year to August 7th, 2021.

Whilst we are disappointed to report this we are extremely pleased to be able to tell you that Neil and Angie Harbury have indicated that they will make a one off donation equivalent to the payments made after last year's fete (2019) to the 3 parish churches and local groups/charities.

If I may speak on behalf of all of us in the 3 churches and local communities, may I say thank you for this most generous gift. It is a considerable boost at the present time and means this long established tradition will continue.

So we hope for a bumper fete in the gardens of the Old Rectory in 2021. There will inevitably be some differences - life never does stand still, and the fete has changed and adapted over the years from earlier in the last century. What does continue is the part it plays in enriching and supporting our local communities. Thank you indeed.

Ian Jackson

### **Bible Readings - June 2020**

#### **Sunday 7<sup>th</sup> June**

Psalm 8  
Isaiah 40: 12 – 17; 27 – end

#### **Trinity Sunday**

2 Corinthians 13: 11- end  
Matthew 28: 16 – 20

#### **Sunday 14<sup>th</sup> June**

Psalm 100  
Exodus 19: 2 – 8A

#### **1<sup>st</sup> Sunday after Trinity**

Romans 5: 1 – 8  
Matthew 9: 35 – 10: 8

#### **Sunday 21<sup>st</sup> June**

Psalm 69: 8 -11; 18 -20  
Jeremiah 20: 7 – 13

#### **2<sup>nd</sup> Sunday after Trinity**

Romans 6: 1B – 11  
Matthew 10: 24 - 39

#### **Sunday 28<sup>th</sup> June**

Psalm 89: 1 – 4; 15 – 18  
Jeremiah 28: 5 – 9

#### **3<sup>rd</sup> Sunday after Trinity**

Romans 6: 12 – end  
Matthew 10: 40 – end

#### **Sunday 5<sup>th</sup> July**

Psalm 145: 8 – 15  
Zechariah 9: 9 – 12

#### **4<sup>th</sup> Sunday after Trinity**

Romans 7: 15 – 25A  
Matthew 11: 16 – 19; 25 –

end

Once again, there are more readings than usual: as well as the epistle and gospel we have included the Old Testament reading and the psalm set for each Sunday. You may find these readings helpful for use at home. They can be used in several ways – all together, or over several days.

### **Benefice Services during the Covid 19 Emergency:**

All services are currently being live streamed via Zoom.

Links to Zoom will be forwarded by email prior to each service. The order of service for Sunday morning worship will also be forwarded by email. The Sunday and Wednesday morning services can also be accessed live via Zoom by clicking on the appropriate service link on the homepage of the [Benefice website](#). Please access the Zoom link 5 to 10 minutes prior to the start time.

The Sunday morning and Wednesday services can also be joined audibly by landline telephone.

To join our service at 10am on Sunday by phone you will need to do the following:

1. Dial 020 3481 5240
2. You will be asked to enter the meeting id which is: 864 5296 9559.
3. Follow this by typing # (hashtag)
4. If you are asked for a password, type # again

We will then know you are waiting to join the Zoom service and will admit you.

To join the 10am Wednesday service, repeat the process above, but enter meeting id 836-9062-5169 and follow this by typing #.

Please phone in 5 minutes before the service start time.

The 10am Sunday service will be recorded and an edited version can also be viewed on Youtube via the [Benefice website homepage](#) and on [Facebook](#) and [Twitter](#).

Confidential Prayer Ministry is offered at the end of the monthly Benefice Service and at other times on request. (currently by phone to Ian or James)

# THREE PARISHES **POSTPONED** BUMPER FETE CHURCH KNOWLE

Sat 1st Aug 2020, 2pm

A traditional Village Fete for all the family, set in the grounds of  
The Old Rectory, Church Knowle, BH20 5NG

This year's fete has been postponed  
BUT WE ARE ALREADY LOOKING FORWARD TO  
August 7th 2021

Please put this date in your diary now

To our knowledge, the Fete dates back to 1935 and has only been cancelled during the war. A story goes that one year, in appalling heavy rain, the incumbent Rector opened the doors of the Rectory and the entire Fete, stalls and all took place in the house!

KEEP SAFE EVERYBODY, SEE YOU ON AUG 7th 2021 FOR

### Corfe Castle Gardening Club

#### **Gardening Goes Digital!!**

They say that necessity is the mother of invention and we are partially re-inventing ourselves. For the remainder of the time while gatherings are banned we are proposing to offer Virtual Meetings.

I am sure that many of our members are using Zoom, Facetime, MS Meetings, or any one of a number of similar “meeting” platforms, to do business, connect with family etc. We are offering to harness the services available to “meet” for discussion, listen to a speaker, share garden tips and pictures and chat about our successes (and disasters, if any). With all the attention our gardens have been receiving during lock-down I’m sure there will be plenty to show and tell.

As you may well know, many gardens that are normally open to the public have made “Virtual Tours” available on the internet. We are suggesting a visit to one followed by a discussion in our “meeting”.

If enough Club members indicate interest in this plan you will be notified by email with a ‘sign in’ link before the meeting time, which on **June 4<sup>th</sup>** will be **8.10pm**. (To allow time for the Thursday “Clap for heroes” at 8.)

To misquote the Looney Tunes sign off; “That’s NOT all folks”. CC Gardening Club now has a Facebook group for members.

On Facebook, put Corfe Castle Gardening Club into Search and click Join Request.

We hope you can use this to offer topical tips, ask questions, share extra plants, ask for plants you need or post photos of your garden. You can also recommend gardens you have ‘virtually’ toured.

These plans are in place for our members. If you would like to join in you can become a member by contacting our treasurer: [deborahstoker@hotmail.com](mailto:deborahstoker@hotmail.com) who will arrange to receive your £5.00 p.p.

Whatever you think of the latest ‘easing’ of the lockdown and the new freedoms it offers, please keep yourself safe and take all precautions to stay well.

“Whatever the question – Gardening is the answer.”

## Corfe Castle Common Management Committee

The Annual General Meeting, scheduled for 2 July 2020, is postponed until further notice.

One of the tasks at the AGM, is to elect/re-elect the Hayward (there will be an application process prior to the AGM), Village and Graziers' Representatives. Until this meeting can be held, these duties will continue to be carried out by the current roleholders.

The Principal Duties of the above positions are:

### The Hayward:

- To check regularly on the animals grazing on the Common, to ensure the health and welfare of the stock.
- To direct Graziers as to which part of the Common (West, Brickyard or Middle and East Common) they may keep their animals and to request the stock is moved when necessary.
- To ensure that all Graziers have a Licence and that they adhere to the Terms of the Licence.
- To ensure that animals are fed in areas designated by the National Trust and Natural England.
- To keep a record of all stock on the Common for NVZ (Nitrate Vulnerable Zone) records.
- To attend meetings of the Corfe Castle Common Management Committee and report on stock and any other relevant issues.
- In remuneration for his/her duties, the Hayward receives an honorarium annual sum agreed by the Common Management Committee.
- Report any issues back to the Chair of the Common Committee.

### Graziers' Representative: Applies to Representatives of Cattle and Horses

To be the key contact for Graziers of animals on the Common. The role of the representative is to report back to the Committee Meetings or direct to the Hayward or Chair of the Common Committee.

### Village Representatives:

To be the key contact for people using the Common. The role of the representative is to report back to the Committee Meetings or direct to the Chair of the Common Committee.

**Are you scam aware?**

The coronavirus crisis means more people are facing issues - from employment and debt, to housing and health - resulting in some being in vulnerable situations.

Added to this, the overall heightened uncertainty and anxiety caused by the pandemic is making some people more vulnerable and more likely to fall victim to a scam.

If you think you've been scammed Citizens Advice is here to help. If you receive emails or texts about coronavirus from someone you don't know, or from an unusual email address, you are advised not to click on any links or buy anything.

Don't give money or personal details to anyone you don't know or trust - for example someone who knocks on the door and offers to help.

As the Covid-19 pandemic has developed, scammers are finding new ways to scam people.

**Here are four examples of recent coronavirus scams that you should be aware of:**

1. **Spoof texts and emails** - Scammers are using spoof emails and text messages pretending to be government agencies, like HMRC. This might include offering payments if you click on a link or a request for bank details.
2. **Voucher scams** - Scammers have pretended to be supermarkets offering money-off vouchers. The aim is to steal credit card details when you click on the link.
3. **Fake medical kits** - Scammers are preying on health worries around coronavirus to sell fake or substandard medical products, and home testing kits.
4. **Online shopping scams** - As we're all at home more than normal, scammers are using increases in online shopping to scam victims, including asking for payment of goods by bank transfer.

You can find lots of help with spotting and reporting scams on the Citizens Advice website at <https://www.citizensadvice.org.uk>

If you suspect you have been scammed and need help with what to do next, contact Purbeck Citizens Advice on 01929 551913 or contact us via our

webform on [www.purbeckadvice.org.uk](http://www.purbeckadvice.org.uk) . During weekends you can speak to an adviser on Dorset Adviceline on 03444 111 444 between 10am and 1pm on Saturdays and Sundays.

**Knitting a Teddy Bears' Picnic**

Stuck at home and need something to keep you busy during these weeks of isolation? Why not join in and help us to create a big Teddy Bears' Picnic! You can knit, crochet or sew bears in any way, shape, form or colour you like; or make some food for them to eat; or a blanket to sit on – no limits to your imagination! Think of a sunny summer's day when we will hopefully all be outside again celebrating better times, and let your imagination take over.

We are hoping to display our creations later this year, and then sell the items to raise money for Royal Voluntary Service.

So get started now and let me know what you are making; once we are able to we will either pick your creations up or you can post them to our office in Dorchester.

## Maintain the Swanage & Purbeck Ambulance Car

### **Why is this important?**

We understand that the Swanage based Ambulance Car could be withdrawn in June. We were shocked to hear that there were plans to withdraw the Car on April 1st. Following Councillors meeting with the Ambulance Trust and lobbying Dorset Council Health Scrutiny, and the Town Council writing to the Ambulance Trust and the Clinical Commissioning Group, we were told the car would remain for two months,

and the situation would be reviewed in June.

We had previously understood that under the Clinical Services Review ambulance resources allocated to Swanage would actually be increased.

We must keep the Swanage Ambulance Car and our excellent Paramedics. The Car is a Rapid Response Vehicle - a fast car - based at Swanage, and covering Purbeck. Unlike the regular Swanage Ambulance, which can be outside Purbeck all day, the Car does not take patients to hospital, and the agreement was that the Car would remain in Purbeck, unless there was a major emergency.

Therefore, as well being part of our Ambulance resources, this fast Car is much more likely to get to us quickly in an emergency. The Car supports the health of Swanage and Purbeck residents, and, crucially, helps save our lives.

We've been told that Ambulance resources at Wareham have increased. However, there may not be an Ambulance in Wareham (or in Purbeck) at the time one is needed in Swanage and villages, and, in any case, it's impossible to get from Wareham to Swanage in 8 minutes, which is the target time for a category 1 (imminent danger of death) emergency.

The Ambulance Car was first allocated to Swanage as compensation for the overnight closure of the Swanage Cottage Hospital Minor Injuries Unit, back in 2008. There was recognition at that time that it was a long way to Poole from Swanage, and there needed to be overnight support here. Under the Clinical Services Review, emergency care will no longer be provided at Poole,

and we will have even further to travel to access A&E, Maternity and Children's care.

The Swanage and Purbeck Ambulance Car + Paramedic:

- i) provides a rapid response (as nearer and faster) to save life in emergency pending arrival of the ambulance
  - ii) treats the 50% of patients who do not need to go to hospital at the scene, avoiding unnecessary journeys to Poole, and protecting hospital resources
  - iii) provides a replacement service when the Swanage Minor Injuries Unit is closed (8pm - 8am).
  - iv) supports Purbeck GP home visits, helping to ensure that these are covered.
- Indeed we believe that the Purbeck GP's are open to looking at making a contribution towards retaining the Ambulance Car.

It is a matter of life and death for us to retain this essential service.

## News from the Library

### **On-line reading group, virtual shared reading sessions, a surge in demand for digital resources and members joining online.**

Unsurprisingly, there has been a huge surge in the number of people accessing the free on-line resources of the Dorset Library Service (part of Libraries Southwest). These include e-magazines, e-newspapers, e-books, e-audio, e-comics and e-reference. So, although the library building is closed there is still so much you can access online for free if you are a member (see below on how to join if you are not yet a member).

Last month's article here talked about some of the range of online services but some new services have been added since then. The library service web pages have now all been updated to reflect the expanded digital offering at a time when libraries are closed.

<https://www.dorsetcouncil.gov.uk/libraries-history-culture/libraries/libraries.aspx>.

One of the new services is an online reading group. If you are missing visiting your Reading Group, and want to have a chat about books, then you could join this informal group using Microsoft Teams to connect with others on a given weekly theme. The online reading group takes place every Thursday 10-11 am. To find out more and to register your interest <https://www.dorsetcouncil.gov.uk/libraries-history-culture/libraries/library-services-during-covid-19/reading-groups-book-reviews-and-forums.aspx>

Another way of sharing your experience of reading a short story or poem is via a **virtual shared reading session**.

In Shared Reading, people join together with a trained Reader Leader, to read a short story or poem aloud then stop and talk about what has been read. There is no need for you to read aloud or speak – it's fine to just listen.

While libraries are closed, we will be offering Shared Reading online on Wednesday afternoons 2pm – 3.30pm.

If you would like to join us and take part in a virtual Shared Reading session, we would like to hear from you.

You will need a computer, tablet or smartphone and access to Wi-Fi to take part. Please send an email to [dlslibrarians@dorsetcouncil.gov.uk](mailto:dlslibrarians@dorsetcouncil.gov.uk) for more information

### **Become a member of the library, its free!**

If you are not already a member you can join online now and gain access to the online resources (and come into the library after the crisis has passed with some form of ID to remain a member – the time limit for this has been extended from four weeks to four months). The number of people joining in this way was up 140% last month.

We're not sure when we'll be able to open again but we will be delighted to see you back when we do. In the meantime, enjoy your online library service experience!

***If you took books out before the lockdown you can return them through the letterbox at the rear of the library. Also, overdue charges have been suspended so you can return them when this is all over.***

## **Kimmeridge News**

### **Covid 19 – supporting each other in Kimmeridge**

The weekly food orders & delivery service organised through Emma at Clavells and staffed by our band of local volunteers, has been sorting out the food needs of Kimmeridge since the start of Lockdown. Here is a picture of some of the team at work on a Friday morning!

### **Kimmeridge supporting our NHS & Care workers**

On Thursday nights at 8pm we have been joining the rest of the country in thanking our NHS staff & Care workers through music & clapping!

I was in the middle of writing this when the Coastguard pager went off for the Kimmeridge Team to help Lulworth Coastguard with a rescue – a sign that the area is getting busier again – let's hope people remember to stay safe!

At Margaret Green Animal Rescue we take in pets that have become homeless due to a change in circumstances, or that have been neglected, mistreated or abandoned. We pride ourselves on the standard of care each animal receives and finding forever homes is at the very heart of what we do.

The animals at Church Knowle are waiting to meet you! Take part in the visitor trail and children's quiz or simply wander at your leisure and meet the animals in our care. Enjoy and relax with a cup of tea or coffee, cake or ice-cream in our café.
