Editorial

Here we are, it's Christmas again and everyone at the CVN wishes all our readers a very Merry Christmas and a Happy New Year.

The village had a memorable remembrance day on 11th November. Thank you to everyone involved in making it such a suitable day to remember the end of the First World War.

Anyone who can recall the accounts we published in the July 2018 edition will know that production of the CVN is costing more than our income from advertising, plus donations, both individual and from organisations. We have therefore reluctantly decided to increase the advertising charges. The new charges are at the back of the magazine. It is a modest increase and we are sure that the magazine still offers huge value to our commercial advertisers. At the same time we are introducing a cheaper quarter page advert. There is more information about this on page 80.

We have also simplified things by only having one charge; the in advance and in arrears charges have been replaced by a single charge which applies whenever you pay.

As always we thank our advertisers for their continued loyalty and wish them all a prosperous New Year.

Stephen

CORFE CASTLE PARISH COUNCIL

NOVEMBER AT THE PARISH COUNCIL

The meeting began with residents of Jubilee Gardens expressing their concerns about an application submitted by Dorset County Council Highways, to 'stop up' an area of the highway at Jubilee Gardens. It was established that the residents did not object to the actual proposal on the table as it would appear not to inhibit access to Jubilee Gardens from the eastern end however they wanted it recorded that they would object to an application should it result in preventing access. Both access points to Jubilee Gardens are used frequently; closing one point of access would make it potentially hazardous to access and exit the unmade road. The parishioner advised that the right of way is listed in the deeds of the properties in Jubilee Gardens and should remain open.

Bridget Downton attended the meeting on behalf of Purbeck District Council's Planning Department. She had come to hear questions from the Council about the shape of the planning process after the local government reorganisation in April.

For parishioners applying for householder applications the process really should be relatively unchanged. Many of the officers who currently deal with delegated householder applications will continue to do so. This addressed concerns that applications would be being dealt with further afield by officers with little local knowledge. Bridget could not be categorical in her answers as until the new Dorset Council comes into being on the 1st May 2019 no one will know exactly how it will be structured.

It was noted that both Parishioners and Councillors are sometimes left frustrated with the planning process because the detail of why some applications result how they do is not always obvious. Bridget explained that all applications are judged within the framework of the National Planning Policy and there are always specific material reasons for which any application will be refused. Bridget advised she is happy to come and discuss specific planning refusals at Parish Council meetings should the Parish Council request it.

Bridget brought details to the meeting of how Councillors and Parishioners can respond to the Pre-Submission Consultation for the Purbeck Local Plan. Details of this will be posted on the Parish Council Website and submissions can be made until the 3rd December.

Cllr Brooks attended the meeting. She is keen to aid the Council in progressing the plans for Norden which is still very much on the Parish Councils Agenda. With growing tourism in the area the Council consider it imperative that cycle ways and footpaths are improved and that the

CORFE CASTLE PARISH COUNCIL

'masterplan' that was developed several years ago to improve parking and other facilities in the Norden area is carried forward.

District Councillor Dragon reported that the new railway units for The Swanage Railway are anticipated to be ready in spring next year, in time for the trial service from Corfe Castle to Wareham. At present the plans are to keep the new units in Corfe Castle and work is currently underway in the sidings to accommodate the inspection pits. The Cllr has received complaints about drones being operated over the village, further to recent complaints about aircraft noise. He asked the National Trust did they use drones? They confirmed that no they did not but they do echo his concerns and have noted a rise in the amount of drones flying over the castle. The Trusts concerns are that they could injure visitors to the Castle or damage the historic monument.

The National Trust reported that the parking at Uvedale will be barricaded off on Monday the 19th of November. This has been well advertised for some time and notice has been given to residents to explain the reasoning behind the closure. If anyone has any concerns please contact the National Trust. Following comments raised at the last meeting the National Trust are proposing to replace the barrier at Oli Vye's lane to prevent cycling though the lane. There is a garage at the back of Boar Mill which the Trust will be converting into a bat roost and they have designated staff who are working on this. During the October half term the Castle hosted special events over a two week period to accommodate half term visitors from different areas. This was really successful, they received fantastic feedback and welcomed just under 13,000 visitors.

The Parish Council considered and confirmed a response to the Governments call for evidence on National Parks and Areas of Outstanding Natural Beauty. This consultation is highly relevant to our area. The Government want to know what you think works well and what could be improved in England's National Parks and Areas of Outstanding Natural Beauty. We would encourage parishioners and business owners to have a look at the consultation and submit a response. More detail can be found on the Parish Council Website.

The Council is currently waiting to hear from Purbeck District Council with an update on the heads of terms for the transfer of the West Street Toilets and Car Parking Spaces. The Clerk has been researching the potential short fall that may need addressing in the event that the Parish Council do adopt the assets. In light of the recent budget announcement to grant rate relief to local authorities on public toilets the shortfall will not be as first anticipated.

CORFE CASTLE PARISH COUNCIL

The Parish Council considers planning applications within the parish each month. They had no objection to proposals for the following: External repairs to roof, to renew valley to front in lead and replace 3 existing rooflights with 3 conservation rooflights at Bartholomews, The Square, Corfe Castle. A non material amendment to planning permission 6/2018/0057, to replace clay plain tiles on garden store roof with cedar shingles at Sandy Hills Farm, Sandy Hill Lane. To changes to existing doors & windows in rear lean to extension, to insert new first floor landing window, to replace flue in existing chimney stack and new clay pot and internal alterations including replacement staircase at Woolgarston Cottage 1 Sandy Hill Lane, Woolgarston. To the change of use of outbuilding to holiday accommodation at Woolgarston Cottage, 1 Sandy Hill Lane, Woolgarston. To a Power Generation Project at Wytch Farm, Corfe Castle. To demolish an existing lean-to and erect a single storey rear extension at 54 East Street, Corfe Castle. To erect an external staircase to provide access to first floor, to install a door in the north elevation at first floor level at The Old Cart Shed, Woolgarston.

The Parish Council objected to the erection of a shed at Corfe Castle Model Village, The Square, Corfe Castle on the grounds the proposed shed is too big for the area, too obtrusive and out of context in its surroundings

(phone 01929 426125)(e-mail CorfeCastlePC@aol.com) – 41 Bell Street, Swanage, Dorset, BH19 2RY. The Parish Council meets on the second Monday of each month at 7pm in the Town Hall, West Street*. Have your say at the start of the meeting, speak to any parish councillor, or write to me. Full minutes of the meetings are available in Corfe Castle library or on the Website (www.corfecastlepc.org.uk). [*Sometimes elsewhere.]

The next Parish Council Meeting is on the 10th December at 7.00pm in the Town Hall.

Purbeck District Council have approached the Parish Council seeking Nominations for the 'Volunteer of the Year' completion. Where do we start? So many of you make such valuable contributions as volunteers in our community and nominating one individual above another seems an impossible challenge. The Council have considered the competition in the past and have resolved to celebrate all of our Parish's volunteers in the form of the Parish Meeting next April. More details of this event will be circulated in the New Year. However, if you know someone who you think really is the 'Volunteer of the Year' and would like to put them forward for the Council to consider for nomination please get in touch with the Parish Clerk at corfecastlepc@aol.com or on 426125.

CORFE CASTLE PARISH COUNCIL

Thank You to the Corfe Castle Gardening Club and Holme Nurseries.

The Parish Council would like to thank the Corfe Castle Gardening Club and Simon Goldsack (Holme Nurseries) for the excellent work they have done in improving the ground around the East Street toilets. The Gardening club prepared the ground and Holme Nurseries gave advice on planting and contributed the plants. The Parish Council and Gardening Club helped with funding. Well done everyone and a big thank you from members of the PC.

NEWS FROM CHURCH KNOWLE PARISH COUNCIL

The first of the winter meetings was held at the Church Knowle Reading Room with Cllr Higgens succeeding Cllr Burt as Chairman for the month until the December meeting. Five Parish Councillors, together with five members of the public & Parishioners also attended and took part in the public discussion period. The DCC and PDC councillors also arrived and contributed to the meeting.

November's meeting was a "Mini-meeting" and our reader will probably recall that this means that it deals primarily with planning and finance matters. And this, indeed, is what happened. Public discussion was taken up mainly with concerns about a planning application submitted for No 3 Tynham Road, Church Knowle and reports of what might be unlawful use of a property at The Old Blacksmiths complex in Grange Road. The Parishioners and public certainly made their feelings known, and during the "Planning Matters" section of the business meeting Councillors sought further information from them.

Following the legal "stuff" required of all meetings, including approval of minutes of the September and October meetings, declarations of interest, etc., the November meeting quickly moved on to "Planning Matters". The concerns about the proposed development at No 3 Tynham Road were looked at in greater depth during examination of the plans. There was a considerable discussion about the proposals and the Parish Council voted to object to the development as submitted to Purbeck District Council. The plans and CKPC's objection can be viewed on the dorsetforyou.com website.

The possibility of unlawful use of property at the Old Blacksmith's complex in Grange Road was then discussed and the Clerk advised that he had received a letter and telephone calls alleging use of a commercial/industrial building for habitation. Contact had been made with Purbeck District Council by several concerned residents and it was reported that a building control officer had recently visited the property. Members wondered why a planning enforcement officer had not visited and they decided that formal contact be made with PDC requiring such investigation. Church Knowle's PDC councillor asked for more information so he could take the matter up with the Head of Department of PDC's planning services.

The Clerk reported on the progress of planning matters previously discussed by the Parish Council and it was noted that an application to fell a tree at Corfe

Castle had been refused and a tree preservation order placed on the tree concerned.

Next up was "Finance". Accounts for October to close of banking business on the Friday before the Meeting were approved, as was the payment of invoices. The Clerk reported on progress of the opening of another deposit account with Lloyd's Bank paying more interest than the one held at Scottish Widows' Bank. Apart from a few minor matters, that was that and the meeting closed at 9:35pm.

Corfe Castle Surgery

At our second flu clinic in November, we held another Macmillan coffee morning and raised an amazing £222. This meant that we raised just short of £500 altogether this year. Thank you to the surgery staff, patients and PPG for all your support for this worthy cause.

Holidays are fast approaching and with this in mind, please remember to allow extra time between ordering and collecting your medication during the busy weeks before Christmas and whilst we are closed for the bank holidays.

The surgery will be closed for *Christmas* from **6.30pm on Monday 24th December until 8am on Thursday 27th**

We will also be closed for *New Year* from **6.30pm on Monday 31st December until 8am on Wednesday 2nd January**

During these times (and whenever the surgery is closed), you can call 111 for any non-emergency requirements. For any life-threatening emergency requirements, call 999 and ask for the ambulance service.

Seasons Greeting From All Your Surgery Team

Tina Sturgeon

Patient Participation Group

Members of the Patient Participation Group (PPG) and other patients were glad to help the surgery with its Macmillan coffee morning on November 3rd at the last flu jab session of the year. There was no shortage of chocolate cake or chat as people awaited their turn for the jab! The coffee morning raised £222. Many thanks to you all for your generosity.

If you have any suggestions for other activities the PPG could help with or topics you would like discussed at our next meeting which is on January 10th we would be pleased to hear from you – either phone 07533 451490 or email corfecppg@btinternet.com.

Last month we asked you to think about using SystemOnline to order your repeat prescription medicines and we gather that several of you have shown interest in doing so. We hope that even more of you will consider signing on at the Reception desk. Online ordering is welcomed by the Dispensary as it saves time for them but also it can help you. You can order

medicines, book appointments and more, all from home and in a minute or two. It can save you time and, with winter setting in, you don't need to get wet and cold going to the surgery. We promise that you don't need advanced IT skills so don't be put off! Just go and talk to the receptionist and you will be helped every step of the way. Once you have got the hang of it, you will be surprised how quick the process is.

All good wishes for Christmas and the New Year.

Christmas carols in the castle

(working with local choir, Castle Voices)

Sun 9 Dec, 5-6pm. Castle Gates will open from 4:30pm.

'Create a new family tradition with carols in the castle. Step inside the ruins and join in with songs old and new'.

The castle will be lit and there will be fire glowing from beacons and braziers.

A gentle reminder that Corfe Castle village residents need to remember to bring proof of address with them for free admission, for this event or any other visit over the Christmas period. We don't want this to catch anyone out and spoil the experience for them.

Winter Solstice

Fri 21 December

*Watch the sun rise on the shortest day of the year from the castle ruins.
(Booking essential)*

Winter Lights

Fri 14 – Sat 15 - Sun 16, Fri 21 – Sat 22 - Sun 23 and Fri 28 – Sat 29 - Sun 30 December. Please note these dates are different from those published in the November CVN as they now include the Saturdays.

See the past in a magical light this Christmas at Corfe Castle. Take in the festive atmosphere with our braziers, beacons and contemporary lighting as you explore the castle grounds. Share your special memory or wish and place it on our wishing bridge.

A Tudor Christmas adventure with the Lord of Misrule

Join our Lord of Misrule for an enchanted journey through the castle ruins. Find out about the rich history of Tudor traditions and maybe participate in a play or a game or two. See website for details.

We're going to be trying out some new management methods for Corfe Common over the coming winter in an effort to improve this species-rich area for the wildlife that depends on it.

A decline in grazing on the common has affected the delicate balance built up over centuries by allowing bramble and young gorse to thrive in some areas at the expense of the acid grassland it is famous for.

To counter this, in recent years we've been cutting back the emerging scrub every couple of years, but this method leaves a 'thatch' of dead material in place.

After discussions with residents and the Corfe Common Management Committee, this winter we will be trying out some alternative methods:

- Cut and collect, where the material is taken away after cutting,
- Burning in small areas, which would have been a traditional method of managing the common alongside grazing,
- Making up the material collected into bales so it can be used for animal bedding or biomass fuel.

Only emerging scrub will be targeted in this way: more mature gorse will be left in place to maintain a balance between scrub and open grassland which is good for birds.

This work is due to start in the New Year and be complete by the end of February. The effects will be monitored by our ecology team and the aim of the trial is to find a sustainable management technique which can be scaled up to make a real difference to the ecosystem.

Meanwhile, we are taking steps to encourage more grazing by increasing

permitted stock numbers and looking at ways to make boundaries more secure.

Residents can comment on plans to restore a former quarrying site at Acton to grazed farmland at a parish council meeting on 13 December, or by contacting the parish clerk in advance.

The meeting at Langton Matravers Village Hall takes place at 7pm.

It follows a meeting for

residents in July when a number of issues were discussed, including fencing off the former quarrying site to allow grazing by sheep and cattle. December's meeting will be the last opportunity for residents to comment on the proposed fencing project, which is due to take place in January.

The November meeting saw our members gathering at Holton Lee for a visit to 'Livability'. For many of us, this was a first, although we have all driven past the entrance many times on the road to Poole. The 350 acres of land form part of the estate of the Lees family of Lytchett Minster and used to be farmed. For many years this special area has been used for the benefit of vulnerable people, both children and adults, and a few years ago became part of the Livability family of services. Holton Lee is open to all, offering a particular understanding of disability and mental health. The Flourish project is a discovery programme where people of widely varying needs learn new skills, build confidence, make relationships and have fun, resulting in greatly enhanced wellbeing. Activities include horticulture, arts and ceramics, woodland therapy, bird watching and accessible camping. There are wheelchair accessible routes and off road trampers for hire. There is a spinal injury centre and riding for the disabled. In addition, it is possible to hire Faith House, a wonderfully light space for meetings or small parties. The whole area is open to the public for walking and simple enjoyment.

This is just a flavour of what goes on in this remarkable place. Volunteers are needed and warmly welcomed. For further information, visit the website, www.holtonlee.org

Dates for your diary:

At the time of writing the Budapest Café Orchestra concert is heading for sell-out. Our family Christmas matinee show is Hans Christian Andersen's "The Little Match Girl" (see advert in CVN). We have just heard that in March we will have an Artsreach first for us - a **double bill** of comic theatre. Last Chance Saloon present two shows on the same night: "Curse of the Mummy" & "Sherlock Holmes and the Blue Carbuncle".

developments news:

The Advertiser edition dated 22nd November included an article reporting a £20 000 "matched funding" grant from Purbeck District Council. Great news! However unfortunately the article is riddled with mistakes - the cost, the purpose of PDC's £40 000 grant earlier this year, the focus on the kitchen, et cetera, et cetera. Fear not Corfe Castle food outlets, the Village Hall has no plans to market food for sale to the general public!

The extension is now nearing completion, as are the renovations to the cloakroom facilities and the foyer. The work to upgrade gas and water connections to the hall is taking place in the first week of December. Soon the main hall will be back to its full size as we become able to start using the extension for storage. This will already represent a huge improvement, but is by no means the final target. Trustees have worked hard on bids to external agencies for funds to improve the kitchen and to fit out the extension by constructing two new rooms for public use. We hope to have more news on these bids soon - but not in time for the December CVN, that will have to wait for the January issue. Watch this space!!

It's December! Our favourite time of year at Pre-School. We have been busy baking, exploring, and learning this Autumn Term, and our Christmas party and our not to be missed Christmas play are coming up soon!

We have spaces available in Pre-School and welcome children from the age of 2 up until they start school.

We run taster sessions on Wednesday mornings from 9:30am for up to two hours where you and your child can get to know us. Children are welcome at the taster sessions up to a term before their second birthday. We can offer wraparound care for working parents via breakfast club and after school club from 8am - 5.30pm.

We offer 15 funded hours for 2 year olds, and 15 or 30 funded hours for 3 and 4 year olds.

That was fun! Oh, yes it was!

After all our trials and tribulations this year it was a miracle that the panto actually took place. But after much hard work by the whole team, it did. And miraculously many people actually came along to see it and apparently enjoyed it greatly. Well they didn't throw things at us anyway!

So many thanks to all those of you who turned out to support us, in spite of the chaotic parking, dusty building works and braving the exciting Tardis toilets.

Just think what we can achieve next year!

But as always we really need some newer, possibly younger members, by younger we mean less than 60! But we will of course welcome anyone, even over 60.

Whatever happens we always have plenty of fun.

So if you're interested in joining us, on or off stage, please contact Peter on 01929 480109 or pete@double-act.org.uk

Church Sketches by kind permission of Ron Burniston

The Reverend Ian Jackson writes:

I think many would agree that Remembrance time this year had a very special character. As we recalled the events of 100 years' ago there was a strong sense of unity, our common humanity and a desire to continue to strive for peace, as so many did in the years after the First World War. This was true within the nation and between the nations. It was an inspiring time. In Corfe Castle the gathering in the Square for the silence at 11 a.m. was a special time with many coming along. Our service at Tyneham, with its own particular circumstances, also had a special character.

And now we've moved on to celebrate Christmas. Even though there'll be moments we're weary with the busyness of it all, this too can be a time when people are drawn together. It is certainly a time when those not able to enjoy the celebrations, or indeed to take part in life fully, are remembered.

Matthew and Luke tell us about the birth of Jesus because they want us to know about the significance of Jesus' life, and to share in all that God makes possible through him. They do this by emphasising God's initiative, and so we hear about heavenly choirs, guiding stars and significant visitors. We've always to work out what the gospel writers are wanting to tell us; we don't have to dismiss the truth of their message because the way they express it is not immediately familiar to us.

Books have been written, music composed, pictures drawn, and great churches built to express the message of Jesus' life; all of these have their place. Hopefully, there'll be opportunities in the coming weeks to ponder the simplicity of God's presence among us - a new born baby, in very basic surroundings; to be reminded of the heart of Christian faith.

There are many ways we are inspired to work for peace and there is never a shortage of opportunities to do so. My prayer and hope is that Christmas will be a good and happy time, and we will know God's presence among us anew. As we share in the song of the angels we will both give glory to God and be drawn again into their message of peace.

CHRISTMAS! BAH, HUMBUG!

How do you feel this Christmas? Do you feel like Scrooge who hated the very thought of it? Do you feel pressurised to do things you don't want to do? So, what's it all about? December has come with all the joys of Christmas but what is the real meaning of it all? Is it the gifts under the tree, the lights in the window, Santa coming down the chimney, Turkey Dinners? We spend our days decorating, shopping, baking, visiting friends. It is often easy to forget that Christmas is not all about Santa and Festivities. We put our Nativity Scenes up, look at them, and then they can be ignored in the midst of celebrations. Even the reminder of the word CHRISTmass slips our minds.

We know It's a beautiful time of the year and the special thing about Christmas is that on the 25th December we celebrate the birthday of Jesus Christ, the day God entered His world as a baby. Jesus is who, what and why we Celebrate. It begins with a Manger and a birth and ends with the Cross and the Resurrection. Without the Cradle there can be no Cross. Without Christmas there can be no Easter and without Easter no point in Christmas.

An Angel appeared to the Shepherds and said "Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the City of David (Bethlehem) a Saviour which is Christ the Lord."

So, as we all rush around getting ready for Christmas, let us all remember why Jesus came. It's so easy to get caught up in the sales and gifts every Christmas, whether we are religious or not, it's so exciting ripping off wrapping paper to see what gifts we have, but let us also make sure we remember the 'Reason for the Season' which is the best gift of all. Christ has no desire for any material gifts, He just desires our hearts and time. Christ is God's gift to us. 'For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life' John 3:16

We love Christmas and we hope yours is fun filled and spent with people you care about, but most of all we hope that we will all remember how Christmas started.

Pioneer View Corfe Mullen link

Dear Friends,

At the time of writing this column there are only 8 Saturdays to Christmas, this came as sudden jolt to me, waking me to the reality of how time seems flies by these days.

So a question to you, how do you spend your time? If time was money how would you spend it? We often take time for granted and as such fail to use it wisely.

I view time as a gift and as such I am grateful for the time that is afforded to me by other people and the times I spend with people, it's such a privilege. Very often in my pastoral visits or in the drop- ins I manage, I often hear carers and others say if they had their time over again they wish they had said how much they valued or spent more time with a family member .

Christmas is on the horizon, a time to renew friendships and strengthen family ties. It offers an opportunity to address regrets that we may have and resolve them and not leave us with the "if only I said "and "if only I did "

Here are some thoughts in terms of gift in the light of Christmas. What is a gift? This is how I remember gift:

G is for Generosity. **I** is for invitation. **F** is for Friends. **T** is for thankful.

This for me this sums up the Christmas message. It challenges us to be generous, to practice hospitality to friends and family and finally to be thankful for our friends and family.

Time and family are a gift that we must all cherish. Lets us use it wisely this Christmas .

I wish you all a merry Christmas

Go well

Corfe Castle Gardening Club

Neil Lovesey, from **Picket** Lane Nursery, South Perrott, produced his usual *tour de force* at our November meeting as he took us through the year with suggestions for, and examples of, colour for the garden at every stage. Lots of ideas and food for thought.

This month we meet at The Castle Inn for our Christmas dinner and look forward to a convivial gathering.

As we wait with bated breath for the sound of sleigh bells a quick reminder. If Santa brings you gardening gloves, garden tools, gardening books, it could just be that there is a hint or two there! Whether you are an experienced horticulturist, or, like me, the labourer (dig that out, move this to there, dig a hole yon size....please dear) you will be very welcome at our meetings. We really do cater for all levels of experience and none, and we're a friendly bunch. We meet upstairs in the Corfe Castle Club on the first Thursday of each month except January and August. Most folk get a drink at the bar downstairs to bring up with them. Starting at 8pm a speaker enlightens and entertains us.

During the year we organise a coach trip to a garden of interest and another visit using our own vehicles. We hold plant sales where members bring spare or unwanted plants to sell for club funds and in August the club has a stall at the CC Club Fete. All this for only £5.00 pp per year!

At the end of October we completed the ground preparation and on November 5th planted the areas either side of the public toilets in West Street. Our thanks go to Simon Goldsack of Holme Nurseries for his very generous support and guidance and to the club members who did the work. More details elsewhere in this edition of CVN.

After the recent reminders of the horrors and effects of war I offer my heartfelt wishes that you may have Peace and Joy at Christmas; you, your nearest and dearest and all for whom you have concern worldwide. *David*

Corfe Castle Gardening Club Project.

A parishioner suggested to the Parish Council (PC) that something be done to enhance the appearance of the public toilets in West Street. The PC asked the Corfe Castle gardening Club (CCGC) to take up the challenge.

The Club approached Simon Goldsack at Holme Nurseries for advice about planting a strip of land either side to the toilet building. We were looking to add some colour and interest and break up the rather bleak utilitarian outline of the block.

Simon not only offered advice he also made a very generous donation of plants suitable for the task and drew up the planting plan.

The PC then made a donation, matched by CCGC, to cover the remainder of the costs. Club members supplied the tools and the labour. Over a period of time the ground was cleared (including a large tree stump that we had not expected to find!) and prepared. On November 5th we planted the two areas.

We hope that by the time the main influx of visitors reaches us next year the gardens will be well established. We hope everyone, visitors and parishioners alike, will enjoy and value the gardens and look after the areas around them as we do our own gardens. *David*

PS The Parish Council is very grateful for all the hard work and effort put in by the Gardening Club to improve the area around the West Street toilets. See their thanks after the Parish Council pages,

Harman's Cross Movie Night

On Tuesday 11 December we're showing Spitfire at 7.30 in Harman's Cross Village Hall. Having recently run Darkest Hour we now look at our finest hour with a documentary about this iconic aircraft. This film was released to mark the RAF's centenary and was chosen to coincide with the one hundredth film that Movie Night has screened. Narrated by Charles Dance, this is a film that will thrill. It captures the pleasure of R. J. Mitchell's design, whom it seems may well have copied the famous elliptical wing from an earlier German Luftwaffe idea. Newsreels and gripping gun-camera footage are intercut with new film of some of the few remaining Spitfires in the air. However, it's the pin-sharp memories of the people who flew them that give this film its broader purpose and appeal. We hear from Mary Ellis, then 99, and sadly died earlier this year, who tells us that, The plane was a lady in the air but a bitch on the ground. Also from flying ace Tom Neil, also departed, who says, I hated taking off at dawn. Why in God's name couldn't we do it after lunch? Tickets £5 on the door, which will open, along with the bar, at 7pm.

Langton Arthouse Cinema

In January we're screening Journeyman on Wednesday 2 at 7.30 in Langton Matravers' Village Hall. Paddy Considine has written, directed and acted in this film about a boxer. But it's not really a film about boxing. The hero, Matty Burton (Considine), is a world middleweight champion from Sheffield whose prime has recently peaked. We see him in the ring just once, for a hard-won title

defence during which he sustains a grave brain trauma disrupting his entire life. The real fight is Matty's struggle for recovery, where victory is turning him back into a functioning husband to his wife Emma (Jodie Whittaker, our current Doctor Who) and a functioning father to their baby girl Mia. His identity as a lover, provider and local hero has been totally dismantled, and we watch him rebuild his own masculinity – a subject that cinema has never handled well. With honest emotions, without show or sentiment, Journeyman is an exception. Tickets £5 on the door, which will open at 7pm. Glasses will be supplied should you wish to bring your own drink with you. If you would like to see trailers for this and future films visit www.LangtonArthouseCinema.co.uk.

Citizens Advice Purbeck Taking Advice to Rural Communities

You may be aware that Citizens Advice Purbeck is your local charity providing free, confidential and impartial advice on a wide range of topics to residents.

Whilst many people access our service via drop-in sessions in Wareham, Swanage, Bovington, Upton and Lytchett Matravers, we are seeing increased referrals for those who find it hard to get to these outreaches and require home visits.

As a result, we are trying to raise additional funds to support a specialist adviser to visit people disadvantaged by isolation, poverty and disability in Purbeck.

How can you help?

To find out more about the project, visit www.purbeckadvice.org.uk or write to us at Mill Lane, Wareham BH20 4RA, and spread the word.

If you are able to support this work with a donation between midday Tuesday 27th November to midday Tuesday 4th December, your donation will be doubled by money already pledged, meaning we can do twice as much.

Thank you – your help can make a huge difference!

"The Penny Loaves of Corfe Castle"

By Louise Haywood

This newly published book is the first complete study of the history of The Corfe Castle Charity.

Based on years of archival research by local historian Louise Haywood, it documents the centuries old bequests of land and property which form the basis of the modern charitable trust. On the way, it corrects many misunderstandings and fills in countless gaps in the record. A unique and invaluable study of the history of a Dorset institution which has housed and supported so many families and individuals in times of need.

will be holding a Christmas afternoon on Sunday 2nd December 2pm till 4pm. Tea, coffee, mulled apple juice and mince pies. There will be Christmas activities for the children and some homemade produces for the adults. Come and join us for a lovely afternoon.

Christmas is here

Preparations are well under way at St George's Church, Langton for another traditional Christmas Tree Festival. Over the past two years we have been supported by many visitors who have come to relax in the tranquil atmosphere of our beautiful church filled with trees all lit up and decorated by our local businesses and groups. Last year we raised £1000 which was shared between two local charities. This year we are supporting Heroes Haven and Mosaic, a charity supporting bereaved children, two very worthwhile causes, and hope to raise even more money but we can only achieve this by getting the trees sponsored, so if you wish to promote your company or group or just wish to place a tree for yourself all it takes is £25 to cover the cost of the tree and a little bit of time on 30 November to decorate. The festival will be on the 1-2 December and the trees will still be in place for the Langton lights up service on 4 December after which the tree will then be yours to keep for the Christmas period. For more information please contact Sandy (01929 424431) or you can download an application form from our website

LITTER-FREE PURBECK

Many thanks to the ten lovely volunteers who helped with a village-wide litter pick on Saturday 3rd November. We collected four big bags of rubbish from the streets and footpaths of Corfe and had lots of appreciative comments from both locals and visitors. There is no doubt that Clean Up Corfe has made a difference, this time last year we collected nine bags full. Litter is sadly still being dropped but there is definitely less of it around.

Thanks to the support of Corfe Castle Parish Council we now have a supply of hi-viz jackets and litter pickers, and I am keen to expand the scheme whereby individuals take responsibility for an area of their choosing, litter picking that area on a regular basis. This won't take the place of our village litter picks but is intended to work alongside and may suit some better than an organised time and date. If you'd be interested in doing this or going on our mailing list to hear about future litter picks then please do get in touch.

Liz Spicer-Short, 01929 480447 or rupert.liz@gmail.com (Corfe Castle co-ordinator, Litter-free Purbeck)

Purbeck Arts Choir Christmas Concert - Handel's Messiah

What better way to celebrate Christmas than with "Handel's Messiah" sung by the Purbeck Arts Choir, Youth Choir and Orchestra on Saturday 8th December at 7.30pm in St. Mary's Church, Swanage, in support of Friends of Swanage Hospital. Advance tickets £10 (£12 on door) from Corbens, choir members or Liz Roberts 01929 481419.

Pop along to Nature Tots at RSPB Arne.

This nature group is aimed at preschool children aged between 2 ½ and 5 years old and runs on the last Tuesday of every month from 10:30 – 11:30am. The best way to connect with nature is to be out in it! Join us as we head out on the reserve to discover what amazing creatures are living here. We could be searching for storybook characters in the woods, meeting some brilliant bugs, and getting a bit mucky! We'll also play some games, do some crafting and learn something new, but most importantly - we'll have lots of fun!

It costs £5 per child (20% discount for RSPB members) and refreshments will be provided for children (usually juice). Each session will focus on a different theme including activities, a story, and a craft to take home. We'll be going outside in all weathers, so don't forget your wellies/sunhat depending on the forecast.

Would you like to get involved with the Wild Seas Centre?

Once again, we're on the search for enthusiastic volunteers to join the team at the Fine Foundation Wild Seas Centre in Kimmeridge Bay. Volunteers are essential in helping to run the Centre - looking after the aquarium, conducting seashore surveys, helping with visiting school groups, and assisting with engaging visitors with Dorset's amazing marine life. If you can spare a couple of days a month and are keen to find out about how you can get involved, please contact the centre directly. No previous marine experience or qualifications are required, just a passion for marine wildlife.

In February there will be an open session at the Centre where you can come along and meet the team, ask questions and find out more about the variety of work we do. We provide monthly training sessions on a variety of Kimmeridge and marine wildlife related topics and organise trips and social events through the year. We're a friendly bunch and would love to welcome like-minded people to our team.

Winter Wild Seas

While the Centre is closed for the winter, opening again from 1st April 2019, life under the sea is as active as ever. At this time of year, some creatures are even thinking about breeding! Seashore limpets, for example, rely on the stormy seas to mix and fertilise their eggs which are released, along with sperm, to float around in the water. The developing larvae spend the winter in the plankton, drifting hither and thither until in early March they begin to settle on the rocks in low shore rockpools, with their conical limpet shells measuring just 1mm in length. They can live for 17 years, changing first into males and then into females as they grow. To look at them you would never think they led such interesting lives!

Merry Christmas

We would like to wish everyone a very Merry Christmas and a Happy New Year, from all at the Wild Seas Centre.
