Editorial

Our very successful Village Store has kindly sponsored a waste bin outside the store. The Parish Council are keen to see if there are other businesses which would like to do something similar and there is an item about this directly after the Council report. If you would be interested please get in touch with the Clerk.

There is an item in this edition about improvements at the Norden car park – it has been agreed that it is not a park-and-ride as there is no ride at present – asking people to contribute to a survey about what should be done. The Norden car park is really important as it will help to keep vehicles out of the village once improvements are completed, so please contribute to the survey.

The first of our updates on the Millennium Diary - Corfe Castle 2000 A Diary of the Village – is in this edition. Please have a look and think about contributing if you appear during the month of October 2000. Your contribution, which might update the original entry, or be a new subject, could be in the October edition of the CVN. Copies of the Diary can still be bought from shops around the Village including Seasons Green; or get in touch with the CVN Editor.

AUGUST AT THE PARISH COUNCIL

The August meeting was attended by three members of the public, none of whom wished to speak in the Public Half Hour. County Councillor Cherry Brooks was present and reported recent developments at the County Council which were few as many Councillors are on holiday in August. Cllr Brooks advised the majority of work being done by the County Council, other than localised issues, is relating to the Local Government Reorganisation or LGR as she called it. The Council are still waiting to hear from the Secretary of State with a decision on the reorganisation. Purbeck District Council have joined the table to discuss the proposals but on the proviso they are there to be involved in the discussions, not because they support the proposed reorganisation.

The County Council has allocated 11.6 million pounds to 'keep Dorset moving'. The money is intended to be spent on improving road safety and to fund preventative measures that will improve roads and their longevity; repairing potholes, cutting congestion and addressing other transport related problems. The strategic emphasis is being placed on prevention rather than cure. Cllr Brooks requested that if there were problems specific to the Council, of which there are several, that they are reported to her and this will certainly be an action for the Clerk this month. On this note the Council are aware of the raised gully covers and rattling iron works in East Street and they were reported to DCC during a site visit the Highways team made to inspect the new road surface. The Council has received a response from County that the gully covers do not meet required intervention levels and the rattling man hole covers have been reported to Wessex Water. Wessex Water's initial response has been that they too are acceptable; however the Highways department are pursuing whether they warrant action. Continuing the theme of transport, Cllr Brooks advised that bus services have been cut due to the County Council not giving as many subsidies to bus companies, this is impacting on some rural areas, however the Parish Council felt this was not the case in Corfe and that the village is served well by the number 40 bus route. If anyone has been affected by the cuts to bus services please do let the Clerk know.

A parishioner has requested the Parish Council make a recommendation to install a bus stop outside Woodyhide Campsite in Harmans Cross to service the new number 30 bus. The Council felt this was a good suggestion that they would be following up.

The provision of the Youth Club by the Council has been an ongoing topic at recent Council meetings and its provision is considered highly important to maintain a 'living village' and support the youth in the community. This month the Council voted to support the Youth Club for a further year and have pledged to give funding on the basis the Youth Club commit to fundraise 20% of the total fee for the year. We would therefore request parishioners to support all of the fundraising efforts the Council hope to see from the Youth Club and that you pledge your support for this extremely valued service.

There was a keen discussion about the best way to improve safety at the Zebra crossing outside of the School in East Street. County Councillor Brooks had been liaising with both the school and the Parish Council and had made a proposal that the Council fund the provision of a lollipop patrol, at a cost of circa £3000 per annum. This would be an ongoing financial commitment and the Council debated whether the money could be better spent in the long run by investing in a Pelican crossing, if indeed this was feasible. This is something the Council are keen to explore, prior to making a decision on funding the Patrol. There is no question that something must be done but the Council wishes to explore all avenues and Cllr Brooks has agreed to assist with this.

Many of you have come forward to offer your services as Guardians of the defibrillators. The funding is nearly in place to proceed with the two units for the Library and The Scott Arms. When they are installed we will begin liaison with the team. Thanks to everyone who has signed up.

The Council considers all planning applications and submits comments to the District Council. The Parish Council had no objection to proposals for the following: a minor material amendment to planning permission 6/2017/0390 (erection of two storey dwelling & detached garage), to re-style porch roof, enlargement of lounge & variation of condition 2 for the re-location of garage with all ancillary landscaping at The Eye, Higher Filbank, Corfe Castle. Full Planning Permission for the re-location of the existing reception building and a new replacement shop and store/social hub building at Burnbake Campsite, Rempstone, Corfe Castle, Wareham. To demolish and reconstruct a rear kitchen extension and external and internal alterations at The Old Post Office, 16 West Street, Kingston. The Council had no objection to retrospective planning permission to erect a small garden store and replace the existing gates at 71 West Street, Corfe Castle, they did however object to the proposal to change the roofing material from thatch to tile at the same property on the basis that they would like to see further plans detailing

CORFE CASTLE PARISH COUNCIL

the design implications of modifications to the roof. The Council would also like to specify stone is used as opposed to tiles to match the neighbouring roofs

Ali Burnett, Parish Clerk

(phone 01929 426125)(e-mail CorfeCastlePC@aol.com) - 41 Bell Street, Swanage, Dorset, BH19 2RY. The Parish Council meets on the second Monday of each month at 7pm in the Town Hall, West Street*. Have your say at the start of the meeting, speak to any parish councillor, or write to me. Full minutes of the meetings are available in Corfe Castle library or on the Website (www.corfecastlepc.org.uk). [*Sometimes elsewhere.]

The next Parish Council Meeting is on the 11th September in the Town Hall.

Are you a business which would like to sponsor a waste bin in Corfe?

The Village Stores has kindly sponsored a double waste bin outside the shop.

The Parish Council now asks whether there are other businesses which would like to sponsor a bin near their premises. If you would be interested please get in touch with the Clerk – contact details above.

Examples of the bins are above and they can be seen around the village where the old ones have already been replaced.

NEWS FROM CHURCH KNOWLE PARISH COUNCIL

The August meeting of the Parish Council took place in Furzebrook village hall attended by all the Members (one arriving later in the meeting) and one Parishioner who, during the Public Discussion period enquired about the responsibilities for style maintenance as he was concerned about the condition of one in Church Knowle village crossing the fence where the footpath CK2 crosses a fence before joining footpath CK1 leading to underhill footpath CK3. He was informed the landowner was responsible and that the Clerk to the Council would contact the farmers concerned to advise them of the problem. Ultimately, the County Council could carry out repair work in default and charge the landowner concerned.

There still being no Parish Council Chairman, Cllr Page was elected Chairman of the August meeting.

Discussions regarding election of new Parish Council Chairman and Vice-chairman were postponed until the September meeting. A motion proposed to maintain continuity of Special Interests delegated to specific Members from the previous year and for all Councillors to share Special Interest in rights of way was carried.

There were no declarations of interest made by Councillors on matters to be discussed at the meeting.

Following deletion of a typographical error on "hard copies" of the July meeting minutes distributed at the meeting – the electronic and file copies having previously been amended - the minutes were approved and file copy signed as being a true record of the proceedings. Under "Matters Arising", it was reported that a large pot-hole had again appeared at Furzebrook bridge and lorries were not using the informal one-way system instigated by Imerys for commercial traffic serving their pits and Furzebrook site causing excessive noise. The matter would be taken up with Imerys and in the meantime the identity of the lorries concerned would be reported to the Imerys' site manager.

A short report on the PDC meeting regarding the proposed changes to the East Creech conservation area was given and the Parish Council expressed their thanks to Parishioners, East Creech residents and the organiser of the expert witness reports provided to CKPC in its deposition to PDC refuting the current plans by PDC's officers. They also asked that their thanks be relayed to the expert witnesses concerned. The Parish Council's working party on the

NEWS FROM CHURCH KNOWLE PARISH COUNCIL

conservation area plans will be meeting with PDC planners, etc., early in September to further discuss the proposals.

The Parish Council considered a tree works application No TWA/2017/121 to fell a conifer at Church Farm. They had no objections to the work being carried out. Past planning matters were noted.

The monthly accounts were presented and agreed to. Invoices received up to close of business on 04 August were reviewed and agreed for payment. The Clerk presented the annual return to the external auditors signed by the internal auditor (a chartered accountant) along with the final annual accounts for confirmation. The meeting Chairman duly signed off the annual return.

A working party/steering group is to be set up with representatives from the three parishes through which the headwaters of the Corfe River flow, Imerys and the DoE to decide how a project to improve the environment of that area and the cleaning up of the stream should proceed and how funds of upto £70,000 would be managed. Members were asked to think about a second "stand-by" project as well. This matter will be discussed further at the September meeting of the Parish Council.

During the end of meeting discussion period the East Creech conservation area was again brought up and concern was raised by some Members about the amount of council tax which appears to be spent by PDC on altering a conservation area where it only needed in law to be "reviewed". It was pointed out that, "You can review, but you don't have to change.". These concerns were expressed to the District Councillor who was in attendance. Discussion continued for some time and the points made would be repeated at the next meeting of PDC with the CKPC East Creech working party.

The Dorset Best Kept Village competition judges had inspected entries and invitations to the prize presentation had been received. It was decided to send two Members and their spouse/partner to prize-giving ceremony in September.

The Council decided to send a letter of thanks to the organiser and team of the Three Parishes' Fête held the previous weekend for ensuring such a success.

The meeting then closed. Next meeting will be at Church Knowle village hall at 7.30pm on 12th September.

Corfe Castle Football Club are fast approaching the start of the new season this inevitably brings hope, excitement and expectation for both the First Team and Reserve Team. They will compete in the 'Dorset Senior League' and 'Dorset Division 3' respectively.

The two Corfe adult teams were promoted last season after very successful campaigns. The First team were crowned champions of Dorset Division 1 on the final day of the season, whilst the Reserve team finished level on points with second place in Dorset Division 4, this was enough to send them up. The new season will bring with it new challenges not least the 650miles of travelling for both complete their away fixtures! Don't worry though you can see both sides playing home fixtures right here in Corfe Village at the Millennium Sports Ground fondly known as 'The fortress'. Adult side fixtures are played on Saturday afternoons.

Corfe Castle Football Club have had an additional boost this summer by way of introducing an Under 11's Youth Team. It's great for the Club to have representation at youth level as it cements a future of football in the Village. The Youth team will play their fixtures on Sunday afternoons.

We also boast a very competitive Veterans side who compete against close local rivals within the County on Sunday mornings. Although before they kick off their domestic season they are heading off to Portugal for a rigorous pre-season tour!

If you are interested in playing football, helping the Club or just being a loyal CCFC fan! Please come down on a game day and introduce yourself. Everyone is friendly and welcoming so they'll be happy to help you get involved.

Birdwatchers can avoid getting their feet wet thanks to a new boardwalk at the National Trust's Grebe Hide in Studland.

The 50m boardwalk was built by a team of National Trust countryside rangers and volunteers helped by Dorset Conservation Volunteers who spent a weekend on the project earlier this summer.

The £1,800 cost was met by the charity's income from sources such as membership subscriptions, car parking, retail and catering outlets, donations and legacies.

Grebe Hide overlooks Little Sea – a freshwater lake set among the dunes of the Studland Peninsula and renowned for its rich bird life.

In the 35 years since the hide was built, a rising water table has made access more difficult, especially in winter when the hide is popular among bird watchers keen to spot visiting waterfowl.

The delicate natural balance in Little Sea has been threatened in recent years by carp which it is thought were illegally released there by a member of the public, probably in the noughties.

However, our programme of carp removal is showing signs of restoring it to health.

Hides such as Grebe Hide dotted around Little Sea and the shores of nearby Poole Harbour are just one of the ways the National Trust opens up special places for everyone to experience.

Corfe Castle Community Land Trust Affordable Housing Update

The Corfe Castle Community Land Trust (CCCLT) has received approval from the Financial Conduct Authority (FCA) to be established as a Community Benefit Society. The aim of the CCCLT is to endeavour to provide affordable rental housing exclusively for people with strong connections to our village community. Precise eligibility criteria will be determined at a later date.

Special General Meeting

As required by the Financial Conduct Authority (FCA) Rules, the steering group has formed the first Board to take the CCCLT forward towards its first general meeting which will be open to members. At that 'Special General Meeting', to be held before 19 November 2017 (date to be set), the Board will step down and offer themselves for re-election; other members will then have the opportunity to stand for election to the Board, having become members of the CCCLT.

Public Meeting

There will be a Public Meeting on **Thursday 19 October 2017 at 7pm** in the Village Hall. It will include a presentation of CCCLT, an explanation of the site process undertaken and the launch of membership applications.

Details and offers of membership will be given at the meeting; please note that membership will be open to villagers and those unable to attend this meeting will be able to join the CCCLT subsequently.

At this stage we have no further information to report. However any questions can be directed by email to our Secretary Josephine Parish (corfecastlecommunitylandtrust@gmail.com).

MILLENNIUM DIARY UPDATE

We promised an update on some of the entries in the Millennium Diary which was published in 2000. This is the first one of the planned updates and we hope you will all send in your own versions to cover the day your entry appeared in the Diary.

For those of you who are not aware, during the lead up to the Millennium and during the actual year, the Village formed a Millennium Association. Amongst other things the Association initiated the project to build the sports pavilion field in West Street, published the Diary and held various social events around the village.

Within the pages of this Diary you will find the words and thoughts of the people of Corfe Castle, as well as descriptions of all the Millennium activities, which took place during the year 2000. Pages of the Diary were sold to people who live within the parish of Corfe Castle including Kingston and to people who were staying in the village or who were related to villagers. Once sold, what went onto the page was entirely up to the author.

What follows is a record of some of the entries from September 2000.

- 2 September Angelica Seik with some pictures of her wonderful sculptures.
- 3 September Mike Harriott talking about plumbing, the steam fair and the RBL
- 4 September Linda Applin who was a very active member of the Millennium Association, a Parish Councillor, and an activist in the village talking about her trip to the Scilly Isles by helicopter that day.
- 5 September Sheena Tarbotton recording a trip to Swanage in the rain.
- 7 September Nancy Logue, who is no longer with us, having a quiet day in the village.
- 8 September Tess Robinson, the lovely Irish lady who used to live in West Street writing about her 85th birthday. Tess is also unfortunately no longer with us.
- 10 September Juliet Glover who still lives in the village with husband Michael.
- 12 September Mike Thompson preparing for a trip to France. The Thompsons still live here.

- 13th September James Dru Drury and Claire Murchie, who are now married, live in Barcelona and have 2 daughters, born in Spain.
- 14 September The Town Trust – still going strong.
- 15 September Angela Reed who still lives in the village writing about her day.
- 16 September Sheila Doyle-Stevens with pictures of the choir coffee morning. Sheila has also unhappily since died.
- 19 September Corfe Castle Nursery school. **Are you someone in the picture below? Would you like to tell us what has happened to you since 2000?**

- 20 September Christine Kemp. Christine's update is below.
- 24 September Eileen and Lucas Van Lelyveld remembering their wedding in 1977. Eileen, of course was a leading light in the village before she sadly died earlier this year. She also produced the Village Pump column for the CVN. Lucas still lives in East Street.
- 26 September Alison Wason describing life in the Bankes Arms Hotel and remembering her parents wedding day in 1955.
- 28 September Jasmine Cattle who used to live in Bridge Cottage describing her day in the village and at Kimmeridge. The Cattles, an old Corfe family, now live in Swanage.

Update by Christine Kemp on what has happened since September 2000.

Thinking back over the intervening years since 2000 has been an interesting experience!

Back then one daughter was still at the Purbeck School and I was a Community Physiotherapist in Swanage and also a Specialist Physio in Mental Health at St. Ann's Hospital in Poole.

Since then both daughters have graduated from different Universities and have done Masters Degrees. They are working in different Environmental capacities on opposite sides of the country having followed their father's work related leanings rather than my own. We both highly value their contribution in sustaining Britain and the planet, as well as the people living in them!

Alison is now married and Joanna engaged but their involvement with their work is still a priority!

I changed my job in 2004 to become the team leader for the Purbeck Community Rehabilitation Team based in Wareham. It was called the PINC team, which many of you will remember. I still worked as a Physiotherapist but my main role was managing a multi-professional team of Physios, Occupational Therapists, Nurses and Rehab. Assistants, across Purbeck. We were ahead of the game in many ways as at that time we were jointly funded by Social Services and Health so there was a Social Worker in the team. We also worked very closely with the Hospitals, GPs and all other Community workers. It was a very rewarding role and also I believe very beneficial to the Community.

You may be exclaiming that you have heard of this way of working as being recommended by the Department of Health and Local Authorities now! Well it was happening back then in Purbeck and has been gradually built on since. Unfortunately the funding from Social Services was withdrawn after 2 years, so although there is still very closely integrated working there is not the important dual funding and accountability. The team continue their good work having moved from the Hospital into a Social Services building.

I retired from this role 5 years ago and then worked part time as a Physio in Pulmonary Rehab. Initially this was for Purbeck but latterly came to be across the County, based in 5 more of the various Community Hospitals at different

times. This increased my awareness and appreciation for all the good work and support that community hospitals provide for their localities.

I also muse on my past role in Mental Health as being unusual back in 2000. In those days I felt I was swimming against the tide being the only person employed for the patients' physical wellbeing as opposed to just their mental state. I was an ardent campaigner in the belief that one's physical and mental states are totally interdependent and need treating together! How many times have you heard recently that mental health and physical health are dealt with by separate teams, with different levels of funding and that this needs to change?

So what has retirement brought? The main thing is the strong feeling by my husband and I that you never know what is lurking around the corner so making the most of our time is important!

We bought a rather traditional boat to appease a yearning that we both had since our teens to nurture and further develop our skills at sailing, in Poole Harbour and beyond. We are improving but ones' confidence takes much more time to build on in later life as we are more aware of the pitfalls!

We have enjoyed many exciting holidays in all parts of the globe, as I have now reached my 'gap years' time! We have added to the list of places to go to since the girls flew the nest but the 'bucket list' seems to get longer. Our aim has been to experience first-hand the different cultures, landscapes, temperatures and wildlife of the very varied environments we have travelled to, both on land and sea. We have tried to balance this against extending our carbon footprint too much which is rarely easy. Walking and whales have been a recurring theme!

As to things that have remained constant since 2000, we are still living in the same house in Colletts Close and very much appreciate the village and the lovely surrounding countryside. We still walk and explore, as there is always plenty more to find out about the area.

We both have a strong feeling of commitment to a range of local activities, old and new, both in Corfe Castle and beyond. Being founder members of 'Double Act' and participating in various ways over the years has been important to us. I still am a Brownie Leader in the village and am now seeing the second generation of children coming through which helps to keep me focussed on the younger generation and their likes and dislikes!

Our children although having put down roots elsewhere, very much enjoy returning to the place that has been home to them for 33 years and experiencing again the assets of Corfe Castle and Purbeck!

August meeting : The annual summer lunch took place in the village hall on a day happily rain free if not particularly warm. A warm summer atmosphere was nonetheless generated by the committee's welcome with a glass of summer punch and splendid decorations including bunting and a sun umbrella! As always the food was magnificent, with members bringing a savoury contribution and the committee providing the desserts. The free raffle provided some lovely prizes and one of our oldest members was surprised (and, it seemed, delighted!) by the singing of Happy Birthday!

Stella's Stall: This month members will have the opportunity to sell loved but no longer wanted items on a Table of Treasures with 50% of the selling price to come back to them.

Dates for your diary:

5th September June King talking about Dorset Buttons (rescheduled from June)

3rd October Kay Townsend – My Life in Fairgrounds

Membership: We still have one or two more spaces for new members. If you live within the distribution area of the Corfe Valley News you are welcome to apply for membership. The spaces will be allocated on a first come, first served basis.

Visitors are welcome to attend any two meetings in the year for a small charge of £3. Aquarius meets at the village hall at 2pm on the first Tuesday of the month.

Primary News

Welcome to a new and exciting academic year.

We are delighted to start this school year with some very exciting news.

Last term, we sent a bid to the Tesco Bags of Help initiative. Tesco teamed up with Groundwork to launch its community funding scheme, which sees grants of £4,000, £2,000 and £1,000 - raised from carrier bag sales in Tesco stores - being awarded to local community projects.

Three groups in every Tesco region have been shortlisted to receive the cash award and shoppers are being invited to head along to Tesco stores to vote for who they think should take away the top grant.

Corfe Castle Primary School is one of the groups on the shortlist!

Our Project

As you may be aware, we currently have an area of woodland at the bottom of our school field. We would like to tidy up the area and fence it in to allow us to continue to explore the principles of Forest Schools (begun last term) and to enable us to fully utilise what is a wonderful space. There is a neglected pond area which needs revitalising and covering safely and a variety of overhanging and broken branches.

Forest School is an inspirational process that offers ALL learners regular opportunities to achieve and develop confidence and self-esteem through hands-on learning experiences in a woodland and natural environment with trees.

By participating in engaging, motivating and achievable tasks and activities in a woodland environment, children have an opportunity to develop intrinsic motivation and enhanced emotional and social skills.

The children in our school are very excited about this project and are looking forward to whittling wood, singing around a campfire and toasting marshmallows.

How you can help

Voting is open in local Tesco stores throughout September and October. Customers can cast their vote using a token given to them at the check-out in store each time they shop.

To find out more visit www.tesco.com/bagsofhelp

We currently do not know which local Tesco stores will be taking part in the voting for our project but will update our website and Facebook page as soon as we find out.

Please help us by voting for us!

As always, thank you for your continued support.

Kind regards,

Emma Morgan - Head of School

Have your say on Norden improvements

People are being asked for views on future improvements at the Norden car park site near Corfe Castle.

The survey is being undertaken by the Dorset Coast Forum as part of its Dorset Coastal Connections project. The Forum successfully bid for government funding earlier this year and the Norden site is one of 18 to benefit from the funding.

Purbeck District Council owns the site, which is home to Swanage Railway's Norden Station, Purbeck Mineral & Mining Museum, Cylexperience and a car park.

The wooded area is surrounded by walking and cycle paths and is close to Corfe Castle, Dorset Water Park and the Blue Pool.

Councillor Cherry Brooks, Economy and Infrastructure Portfolio Holder, Purbeck District Council said: "We are looking forward to the improvements at the site. It is centrally located with good links to Swanage and Studland and, with its tranquil surroundings, the improvements aim to enhance the experience of all visitors.

"Investment in the site is a welcome boost for the local economy."

Consultees are being asked what they think could improve their visit. Options up for debate include improved toilets, a children's play park, refreshments, car park resurfacing, local attraction information and Wi-Fi connectivity.

The survey is available online at www.dorsetcoasthaveyoursay.co.uk/norden-welcome-hub Paper questionnaires are also available at the site.

The improvements are due to start later this year.

The Dorset Coastal Community Team (DCCT), led by the Dorset Coast Forum, was awarded £5.6 million to deliver the Dorset Coastal Connections – People and Places project.

Dorset Coastal Connections comprises 18 coordinated projects between Christchurch and Lyme Regis with a goal of connecting people to the coast, connecting coastal communities to each other and connecting the Dorset coast to the 'wider world'. Enhanced access and public spaces will be created through creative and innovative approaches using arts and technology.

Dorset Coast Forum Coordinator Bridget Betts said "All of the projects in our portfolio aim to improve public spaces and facilities for residents and visitors alike. At Norden we're really keen to hear from all kinds of users to understand how this project can help the site be used best for everyone's benefit."

Corfe Castle Surgery
September 2017

‘FLU ANNOUNCEMENT

Can you believe it is nearly ‘flu season time already?

Any patient over the age of 65 or in the ‘At risk group’ which includes all children aged two and three (but not four years or older) on 31 August 2017.

We are therefore holding a walk-in clinic on the following mornings:-

Saturday 23rd September and Saturday 14th October between 9am and 12pm please come and see us in-between these times; there is no need to book an appointment. As there is a fast turnaround of patients at the flu clinics, the car park can get very busy so please remember that the public car-park is 50p for 30 minutes – bring some change just in case.

We are now looking to recruit a trainee dispenser to join our dispensary team. The successful candidate will need to complete training by completing the buttercups course in dispensary. The hours will be negotiable but we are looking for at least 15 hours. Please contact Kerry or Tina at the surgery for more information.

Do you have any free time?

The Friends of Corfe Castle Surgery are always looking for more drivers to assist patients in getting to their appointments. This is a vital service which is very much appreciated by the surgery. As a driver you volunteer but your mileage is reimbursed and no obligation is implied – you just help out when available. Any patient that uses the service is asked to make a suggested contribution. Please contact Kathy Morris on 425890 and she will be happy to give you further information on how you can help.

Corfe Castle Village Hall – Car Park Lock-In Warning

The car park is for the benefit of hirers and users of the Village Hall, together with any visitors to the library when it is open.

We also have an arrangement with the school so that parents can use it briefly whilst dropping of or picking up their children and any other school event will need to be agreed & booked in advance.

The car park can be hired for special events, so long as the hall and library are not in use, by contacting the Booking Clerk on 01929 480810.

Unfortunately a few people continue to take up spaces that are needed by groups who have paid to use the hall. Such illegal parking is an act of trespass and may well render vehicle insurance invalid.

The Village Hall Trustees hereby give Notice that from now on, the gates will be shut as much as possible and also locked and unlocked at random times without any further warning. Any inconvenience caused to anyone parked illegally will be entirely their own responsibility.

The Village Hall Trustees are regretfully unable to resolve local parking issues for residents or visitors. There is in fact plenty of long term and overnight parking available along East Street where there are no yellow lines. Indeed, the police and highway authority may welcome parking there as it acts as a traffic calming solution.

developments news:

We are delighted to announce another very generous grant for the Developments project: this time it's from **Viridor Credits** and is for an amazing **£71 424**. This grant is targetted specifically at renewing and upgrading the current roof. Work on this should begin in January - more on this next month. We are incredibly grateful for the terrific support this company has once again provided for the village.

Meanwhile fund-raising continues. Locals can support through Buy A Stone (forms on website and in the Village Shop), and/or by attending the Double Act Quiz on Saturday September 23rd and the Artsreach events in October. We also have further bids currently being considered by other grant providers.

What a great evening !!

Both the Black Sheep Band and Retro Groove Mob put on a great show and there will have been some weary legs the day after. Billy and Sally provided a fantastic hog and lamb roast and a good time was had by all.

A huge thank you to all the friends who gave their time to help run the event.

We are always humbled by the good will and generosity of the people in our Village.

We certainly could not have put on the event without the help of:

Phil Carter and St. Edwards Church, Corfe Castle Village Hall, Ray and the team at Camelot Marquees, Terry and Carole at Corfe Castle Village Stores, A R Harris & Son and the Hartle Family

And finally Peter and Belinda for letting us borrow Scoles and for their tireless enthusiasm.

As I write this we have raised over £900 shared between Steps for Stan and The Sports Trust Under 11's Football team

A fantastic end to a great weekend.

THREE PARISHES FETE CHURCH KNOWLE

THANK YOU TO YOU ALL

We are delighted to report a wonderful afternoon was enjoyed by all who came along to our long running village fete, which has become a 'must visit' event for so many.

Takings this year were in excess of £10,000 before expenses. This is a great achievement and community effort by all of the three parishes concerned.

The proceeds this year are to be shared between the three Parish churches of Church Knowle, Kimmeridge & Steeple, as well as Kimmeridge Emergency Response Volunteers, Wareham Hospital and a National Memorial to The Fallen of the Devon & Dorset Regiments from the three Parishes at the National Memorial Arboretum.

We give our heartfelt thanks to ALL those who so generously gave their time and their donations. These all went to make up a great selection of traditional stalls, fantastic draw prizes, cream teas, a wonderful BBQ, and the ever popular Pimm's tent.

The organised games at the end of the afternoon for both children and adults were a great success as always, shown by the many willing competitors keen to join in the fun, particularly the 'tug-of-war'.

The scene was set in the beautiful surroundings of the Old Rectory gardens with the brass band who provided music throughout the afternoon.

We are especially grateful to Neil & Angie Harbury for their generosity in allowing the fete to take place in their garden. We also thank Mike & Kath Best for providing safe parking on their land for our hundreds of visitors.

It is impossible to mention each and every one of you who helped, but here is a very big **THANK YOU TO YOU ALL** and we sincerely hope you will continue to support us again next year.

We look forward to seeing you next year on Saturday 4th August 2018!

CHURCH OF ENGLAND

Church Sketches by kind permission of Ron Burniston

The Revd Ian Jackson writes:

One of the themes which appears frequently in the visitors' books in our churches is that of 'peacefulness'. Sometimes we're concerned that our churches are not 'used' very much – in some cases, and at some times of the year, just once or twice a month. Its easy to overlook the fact that they are 'used' much more frequently – many people come in and value and enjoy the stillness. We can easily see our ancient churches as a burden – very often, they are a source of blessing and encouragement.

Not everyone lives near a church, or one that is kept open. Of course, there are many other places where we can find stillness – again, we are fortunate here – fields, hills and the coast are nearby. (I recently read of someone saying they would rather be in the hills thinking of God than in church thanking God for the hills.) But again, not everyone lives in such an area. There are those who find they are able to find stillness and to know God in what many would see as the most unlikely places.

We all have a still place very nearby – in our own hearts and minds. (However it is that we talk of that inner place where can discover stillness and know God.) It can be hard to 'enter' that place and, most certainly, to stay there for long at all. There is much to help us from centuries of experience and wisdom, both specifically Christian, and from other traditions too. Do have a word if you would like to talk, or to read more, about what I have written.

Refreshments at St Edward's Church Events

A very BIG Thank You to all who very cheerfully Served, Baked, Washed Up or Cashiered at the Coffee and More Day, the Flower Festival and the Fete. Your support is greatly appreciated.

Helen and Janet.

In appreciation from Jill Beavis and Sue Lewis for the 2017 Flower Festival at St Edward's Church.

Despite the challenging 2017 summer weather, the Flower Festival was a great success. Huge thanks go to everyone who supported the festival, especially the local businesses who sponsored us to buy the flowers, Joan and Nigel Dragon of Corfe Village Bakery for all their canapes at the preview evening and not least to all our helpers and arrangers who all worked so hard, contributing in any way and making it such a memorable and successful event. The amazing final amount raised was £3,284.06.

Thank you.

Fete and Dog Show at St Edward's Church

Thanks to everyone who helped in any way towards the extremely successful Fete and Dog Show on the lawns of St Edward's. The whole day gave a great deal of pleasure to both residents, fundraisers and holiday makers (and dogs!) , and was a shining example of how the village pulled together to put on yet another successful event. Final figures are not exact at time of going to press but should be in excess of £2500, which will go towards the new sound system in church. Hopefully by the time you read this, you will be able to see (or hear!) the new sound system in the church.

Corfe Castle Evangelical Congregational Church

www.ccecc.org.uk

The sun comes up it's a new day's dawning.

A popular Christian song at the moment, '10,000 reasons' contains the heartening line and words of confidence, 'the sun comes up it's a new day's dawning'.

As a chapel we believe it is, despite what have been difficult times.

Of course times have been hard for many, including our former Pastor Barry. Barry has now moved to Essex and we continue to pray for him, Christine and the whole family at what remains a very difficult time.

And what about the Congregational Chapel? At the end of the last Corfe News the Congregational Church article reads, "What will happen in August, as far as the Chapel is concerned, is unknown."

We do believe the sun will break forth over the chapel, how, we come to in a minute.

However, before we move to the future it is right to deal with the past.

Over the last couple of months, Adrian a Mission Enabler working for a number of Congregational Churches, including Corfe has had the opportunity to speak to a few people within Corfe and has been struck by some hurt and upset that remains with more than one within the community over things said and written.

None of us are perfect and we deceive ourselves if we think we are. We all make mistakes in what we say, do and write.

Therefore please can we all take this moment to issue a heartfelt apology for where ever hurt lies and from where ever it came. As Christians we are called to speak truth but to recognise we often get it wrong and are never called to do so in a way that causes hurt. Again we say sorry.

We want to put aside the past, recognising the hurts and be the church that Jesus calls us to be. Jesus was a servant. He, Himself said He came not to be served but to serve. (Matthew 20:28)

If Corfe Congregational Church is to be the church we believe it is called to be, if it is to grow again we need to replicate that, not be served but serve. We do so by (i) listening to the community we want to serve and then (ii) find ways of serving it.

Of course we have to do so within the limits we currently have and always within the context of what we believe Jesus would do.

Therefore over the next few months we are going to seek ways to listen, to try and restore friendships and relationships, and to listen to what the Community and God may be saying to us.

As a starting point Adrian, our Mission Enabler is opening up his personal mobile and email to those who may wish to talk. He is NOT, the Pastor but has been given a specific role. If you would like to talk, get hurts off your chest, if you can think of ANY way the church can serve you and Corfe please please let Adrian know.

He has many thoughts and ideas but we first want to listen and hear how this community thinks the church can serve you.

It is by listening and by serving we do believe the sun with rise as a new day is dawning.

Become a seal spotter

Seals are some of the most charismatic marine mammals that are encountered along the Dorset coast. Grey seals are regular visitors whilst there is a small resident population of common seals in Poole Harbour. The Dorset Seal Project has been recording seal sightings since 2014 and last year alone over 150 sightings were reported. We also have a photo identification catalogue to monitor individual seals and track their movements along the coast. The project is constantly developing and we need your help.

Do you regularly spend time at the coast or on the water in Dorset and have an interest in these marine mammals? Thanks to a funding grant from Sea-Changers, we are really excited to be able to recruit some dedicated Dorset seal spotters and are offering FREE training. No previous experience or knowledge is necessary.

The training sessions will take place on Sunday 17th September at the Fine Foundation Marine Centre, Kimmeridge and Saturday 30th September at the Fine Foundation Chesil Beach Centre, Portland. Spaces are limited therefore booking is essential. For more information and to book please contact us on 01929 481044 or email kimmeridge@dorsetwildlifetrust.org.uk

We have more events coming up in September including a Rockpool Ramble (20th September), an Introduction to Rocky Shore species (23rd September) and a Beach Clean at Worbarrow Bay (24th September). To find out more about these and future events please visit:

CORFE CASTLE GARDENING CLUB

I hope you have enjoyed the summer, (it was June 24th, in case you missed it). We have had some good weather, but the plants don't seem sure whether it is Spring, Summer or Autumn at the moment.

We had our stall at the RBL fete on August 12th and raised £85.00 for Club funds. Thank you to those who donated, served and bought.

This month we meet on the 7th to hear Simon Goldsack's words of wisdom on Bulbs. Many of us have heard Simon (Holme for Gardens) before on various topics and know that we are in for a very informative and entertaining evening. Our members welcome guests and new members upstairs at the RBL club. We start at 8pm.

For your diary – October 5th we have Rupert Kirkwood telling us about going "Up the creek". Aquarius members have enjoyed Rupert's presentation and he comes highly recommended.

O.K. – That's it – no more swanning round your Estate with a glass in hand. Time to pick up the tools and start the autumn clearing, pruning, digging and planting. Isn't gardening FUN!??

We have recently experienced some vandalism in the new extension of the cemetery next to the Car Park.

If you have seen or heard about any anti-social activity in the cemetery, please can you let the Clerk know (Tel.480869) or the police.

We do try to keep God's acre looking beautiful, but would ask people with family members buried or commemorated there not to put anything breakable, or of value, on graves.

Langton Arthouse Cinema

In October we're screening Departures on Wednesday 4 at 7.30pm in Langton Matravers' Village Hall. An Oscar winning film, and one of my favourites. This is a tale about Diago, a cellist in an orchestra that has been dissolved, who is now unemployed. He answers a job advertisement for Departures thinking it is for a travel agency only to find that it is actually for a Nokanshi or encoffineer, a funeral professional who prepares deceased bodies for burial and entry into the next life. His wife and others despise his job but Daigo takes a pride in his work and begins to perfect the art of "Nokanshi," acting as a gentle gatekeeper between life and death, between the departed and the family of the departed. The film follows his profound and sometimes comical journey with death as he uncovers the wonder, joy and meaning of life and living. In Japanese with English subtitles. Tickets £5 on the door, which open at 7pm. Glasses will be supplied should you wish to bring your own drink with you. If you would like to see trailers for this and future films visit www.LangtonArthouseCinema.co.uk.

Kingston Concerts

Music of high quality but of very different kinds returns to St James Church, Kingston, next month (September) in two separate concerts.

The first at 11.30 am on Sunday, September 3, brings back the internationally renowned cellist Natalie Clein and a bunch of friends, all outstanding musicians in their own right, to give the closing concert of her annual and expanding Purbeck International Chamber Music Festival.

On offer to the Kingston audience will be two lesser known works, Passacaglia and Fugue (1944) for string trio by the Czech composer Hans Krasa and Morning Blues by Per Arne Glorvingen, a Norwegian composer who is also a master of the bandoneon, that essential ingredient of the tango. The concert will end with the richly melodic String Sextet in A major Op. 48 by Dvorak, whose music forms one of the themes of the festival.

The second concert at 7 pm on Thursday, September 28, will mark the return to Kingston of Northern Harmony, a choir of 16 exceptional young American singers steeped in the folksong traditions not only of their home country but of South Africa and of European countries like Bulgaria, Corsica and Georgia.

Their intriguing programme ranges from the rich sounds and syncopated rhythms of South Africa to American shape-note singing derived from the community singing of 18th century New England to the ancient three-part harmony singing tradition of Georgia.

Most of the singers have studied these different traditions in their countries of origin and bring to their performances all the enthusiasm generated by the joy of discovery and understanding. Many of the songs are accompanied by dance and by instruments whether it be the fiddle, oboe, drum or tambura, a kind of long-necked lute originating in Mesopotamia but now widely played elsewhere including in Eastern and Central Europe. Robin Stringer

Transporting communities

Communities across Dorset are working together to find transport solutions that work for them.

Dorset County Council has a community transport fund that can help kick start a scheme. There is also a handy toolkit that gives helpful advice on what to think about before you start.

There are currently over 60 schemes covering 91 per cent of the county. These arrange transport for social events, medical appointment and getting workers to work. They can run to regular timetables, are sometimes bookable, or can be one-offs to take people to local events or attractions.

Cllr Daryl Turner, the county council's Cabinet member for natural and built environment, said

"In the current financial climate the role of the county council in subsidising public transport has had to change. Instead of imposing timetables, we are working with communities to help them find solutions that fit better and are not reliant on future funding."

To find out more about what's already available in your area or to find out how to set up a community transport scheme visit www.dorsetforyou.gov.uk/travel-dorset/public-transport-bus-and-rail

THE FRIENDS OF WAREHAM HOSPITAL

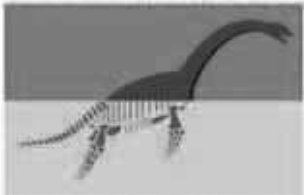

Invite you to the AGM in the Dining Room of the Hospital on Mon. Sept. 18th at 7.00pm.

The meeting will also ratify the change proposed to the constitution a while ago, to embrace the wider Purbeck Community under the Friends umbrella. This is because health is not now focussed mainly on hospitals, with treatment in their homes and immediate community having such high value to both patients and clinicians.

Dr Alastair Ward will talk about the likely plans for a new surgery in Wareham and also on the possible impact of the CCGs proposals for Purbeck.

The evening is preceded by light refreshments from 6.30pm.

MOISHE'S BAGEL

Formed in Edinburgh in 2003, Moishe's Bagel combines the energy and passion of Eastern European folk music with the excitement and soul of improvisation. Stunning original compositions meet sublime traditional melodies, all backed up by infectious foot-stomping grooves. Boasting some of the best instrumentalists that Scotland has to offer on fiddle, accordion, piano, bass and percussion, join this virtuoso band for a night of rip-roaring, foot-stomping, jazz-inflected klezmer and Balkan music as they arrive in Dorset this autumn for two special gigs with Artsreach, the counties touring arts charity.

"Exhilarating, full-flavoured stuff, often breath-takingly intricate but played with jubilation...the Bagel acquires the momentum of an express train" (Glasgow Herald)

Harmans Cross Village Hall –September / October Events

Movie Nights

September 12th – “Denial” (12a) Deborah Lipstadt is an American professor of Holocaust studies whose speaking engagement is disrupted by David Irving, a Nazi Germany scholar. He files a libel lawsuit in the UK against Lipstadt and her publisher for declaring him a Holocaust denier in her books. As in the United Kingdom the burden of proof in a libel case lies with the accused, Lipstadt and her legal team, led by solicitor Anthony Julius and barrister Richard Rampton, must prove that Irving lied about the Holocaust.

October 10th – “Viceroy’s House” (12a)

The final Viceroy of India, Lord Mountbatten, has to oversee the transition of British India to independence but meets with conflict as the sides clash in the face of monumental changes; ultimately the division of India into separate Hindu and Muslim countries. Downstairs in the servants quarters, Mountbatten's new manservant, Jeet falls for the daughter's assistant, Alia and all manner of obstacles are put in their way.

Music Night

October 14th. – from 8.00 p.m – “The Churchfitters” - reviews include “on watching their set I can honestly say that they are the most musically inventive quarter that I have seen in decades. Received a standing ovation; go and see them and you will understand why. A must” (Dave Pegg, Fairport Convention). A folk band like no other, a high energy show that always leaves audiences cheering. Come along and join the fun!

WATKINS & SWARBRICK

Known for the different routes that they take in their music, Ken, Simon, Lucy & Angela will perform songs and tunes inspired by folk and country music, as well as blues and jazz standards; they are a long way from just being a 'folk' band! Expect sensitive and extraordinary playing of guitars, violin, ukelele and mandolin, plus some lovely mellow vocals and rich 3-part vocal harmonies that have been described as a 'wonderful blend'. Throw in some lively banter and a relaxed approach, and you can be sure of an entertaining evening. There is no set ticket price; instead, the audience are asked to pay what they think the performance was worth at the end of the show. **It is essential to reserve seats by ringing the Box Office on 01305 837299.** Bar with profits going to village funds. CDs will be on sale. What people are saying about the concerts: "The harmonies were great and Simon's playing was mesmerising." "Some wonderful music with a beautifully crafted fusion of instrumental & vocal skills"
